Resolution No. 2021-9

Resolution approving an exception to the 2020-21 debt limit for general municipal purposes relating to the acquisition of 55-57 and 61 St. Paul Street

WHEREAS, in June 2020 by Resolution No. 2020-24 the Council of the City of Rochester resolved that it is the intent and general policy of the City to limit the amount of bonds and notes authorized in fiscal year 2020-21 to \$20,593,000 for general municipal purposes.

WHEREAS, in that same Resolution No. 2020-24, the Council approved the sum of \$21,853,000 as an exception to that debt limit in order to fund a portion of the costs for several capital projects, including \$10,000,000 to develop the Goodman Section Rochester Police Department section office on East Main Street (Goodman Section).

WHEREAS, in August 2020 by Ordinance Nos. 2020-270 and 2020-271, Council authorized the following actions to develop Goodman Section: issuing \$12,573,000 in City bonds to finance a portion of the cost; accepting and using funding from other sources; and an agreement for construction management services.

WHEREAS, in September 2020 by Ordinance No. 2020-280, Council repealed Ordinance Nos. 2020-270 and 2020-271 after being reconsidering the appropriateness of construction of a new the Goodman Section office.

WHEREAS, the Mayor has proposed that the City purchase the former Chamber of Commerce Building and adjacent parking located at 55-57 and 61 St. Paul Street (Chamber Building) from the Rochester Economic Development Corporation (REDCO) for the purchase price of \$1,580,000, the amount REDCO paid for it in November 2020, and to finance the purchase and up to \$50,000 in closing costs by the issuance of \$1,630,000 in City Bonds.

WHEREAS, funding the acquisition of the Chamber Building by City bonds will require the Council to issue an exception to the City's debt limit for 2020-21 because the acquisition is not one of the projects authorized by the Council in Resolution No. 2020-24 for City debt funding under either the general debt limit of \$20,593,000 or under the exceptions to debt limit amounting to \$21,853,000.

WHEREAS, pursuant to the Debt Authorization Policy adopted by City Council in Resolution No. 81-4, an exception to the debt limit policy is to be approved only for projects and purposes which could not reasonably be foreseen and, if not approved, would result in an obvious public danger or economic loss.

WHEREAS, the purchase of the approximately 109,000 square-foot Chamber Building and the lease back to REDCO of up to 8,110 square feet thereof has been recommended as a means for maximizing the usefulness of the historic building for years to come.

WHEREAS, the City is presently paying REDCO to lease space in the Chamber Building for the Department of Recreation and Human Services (DRHS) Crisis Intervention Services Unit.

WHEREAS, in January 2021 by Ordinance No. 2021-26, the Council appropriated \$249,500 of racial equity initiative funds to relocate the Victims Assistance Unit and Family Crisis Intervention Team (FACIT) offices from the City's Public Safety Building to the Chamber Building, a move which will integrate these services in space shared with the DRHS Crisis Intervention Services Unit and locate these services in a place that is more accessible to public transport.

WHEREAS, given these recent developments, now it is desirable to expedite the acquisition of the Chamber Building in order to allow the City to outfit and expand the building space that DRHS will require for its Victims Assistance, FACIT and Crisis Intervention Services programs that are needed to enhance and reform how the City responds to calls for emergency assistance.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Rochester, that the sum of \$1,630,000 to fund the acquisition of the Chamber Building is hereby approved as an additional exception to the 2020-21 debt limit established in Resolution No. 2020-24 and that the same amount of \$1,630,000 is hereby subtracted from the debt limit exception for the Goodman Section authorized therein, so that there shall be no increase in the total amount of \$21,853,000 in debt authorized as exceptions to the City's debt limit for Fiscal Year 2020-21.

BE IT FURTHER RESOLVED, that, in accordance with the Debt Authorization Policy established in Resolution No. 81-4, the Council hereby finds that the need for an additional exception to the 2020-21 debt limit to acquire the Chamber Building could not reasonably have been foreseen when Council approved the original debt limit resolution in June 2020, and that the failure to adopt the new debt limit exception presented herein would jeopardize public safety by depriving the City of the funding and the control of the Chamber Building facilities that it needs to implement programs that are needed to mitigate racial and structural inequities in the City's response to emergency calls for service.

This resolution shall take effect immediately.
