Ordinance No. 2019-152

Revenue Anticipation Note Ordinance Delegating To The Director Of Finance The Powers To Authorize The Issuance Of \$50,000,000 Revenue Anticipation Notes Of The City Of Rochester, New York, Or So Much Thereof As May Be Necessary, In Anticipation Of The Receipt Of Certain Revenues For The Fiscal Year Ending June 30, ~~2005~~ 2020, And To Prescribe The Terms, Form And Contents, And Provide For The Sale Of Such Notes, as amended

BE IT ORDAINED, by the Council of the City of Rochester as follows:

Section 1. Pursuant to the provisions of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York (herein called "Law"), the power to authorize the issuance of Revenue Anticipation Notes (herein called "Notes") of the City of Rochester, in the State of New York (the "City" and "State", respectively), in the aggregate principal amount of not to exceed \$50,000,000, and any notes in renewal thereof, is hereby delegated to the Director of Finance, as chief fiscal officer of the City.

Section 2. The Notes shall be issued in anticipation of the collection or receipt of revenues due and payable to the Rochester City School District in the current fiscal year from New York State Education Grants and Basic Formula Aid to Education; and the proceeds of such Notes shall be used only for the purposes of paying the current expenses of the City School District for said fiscal year payable from the revenues in anticipation of which they are issued.

Section 3. The Notes shall mature within one year of the date of issuance thereof and may be renewed from time to time, but each renewal shall be for a period of not exceeding

one year and in no event shall such Notes, or the renewals thereof, extend beyond June 30, 2022.

Section 4. The Notes shall contain the recital of validity prescribed by Section 52.00 of the Law and shall be general obligations of the City, and the faith and credit of the City shall be pledged to the punctual payment of the principal of and interest on the Notes and, unless the Notes are otherwise paid or payment provided for, an amount sufficient for such payment shall be inserted in the budget of the City School District and a tax sufficient to provide for the payment thereof shall be levied and collected by the City.

Section 5. Subject to the provisions of this ordinance and the Law, and pursuant to Sections 50.00, 56.00, 60.00 and 168.00 of the Law, the powers to prescribe the terms, form and contents, and all other powers or duties pertaining or incidental to the sale and issuance of the Notes authorized pursuant hereto, or any renewals thereof, and the power to enter into agreements for credit enhancement for the Notes, are hereby delegated to the Director of Finance, as chief fiscal officer of the City.

Section 6. The validity of the Notes authorized by this Ordinance may be contested only if: (a) such obligations are authorized for an object or purpose for which the City is not authorized to expend money, or (b) the provisions of law which should be complied with at the date of the publication of such Ordinance are not substantially complied with, and an action, suit or proceeding contesting such validity, is commenced within twenty (20) days after the date of such publication, or (c) such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This Ordinance shall take effect immediately, and the City Clerk is hereby authorized and directed to publish a summary of the foregoing ordinance, together with a Notice attached in substantially the form prescribed by Section 81.00 of the Law in "The Daily Record", a newspaper published in Rochester, New York, having a general circulation in the City and hereby designated the official newspaper of said City for such publication.

Local Improvement Ordinance No. 1759

Local Improvement Ordinance - Street cleaning, street and sidewalk snow removal, and hazardous sidewalk repair commencing July 1, 2019 and expiring June 30, 2020

BE IT ORDAINED, by the Council of the City of Rochester as follows:

Section 1. The Council finds and declares (1) that it is in the public interest to provide street cleaning, snow removal services on the streets and sidewalks, and the repair of hazardous sidewalks in the City of Rochester during the fiscal year from July 1, 2019 to June 30, 2020; (2) that the provision of such service benefits the properties abutting on such streets and sidewalks, and (3) that the cost of providing such services should be borne by the benefitted properties according to the benefit received by such properties.

Section 2. The Commissioner of Environmental Services shall cause the following improvements and work to be provided on streets, sidewalks and lots in the City of Rochester during the fiscal year July 1, 2019 to June 30, 2020:

- A. The removal of snow from such sidewalks and the repair of such hazardous sidewalks as the Commissioner may direct.
- B. The removal of snow and ice from the roadway of such streets as the Commissioner may direct, including the use of sodium chloride, calcium chloride, and other chemicals or abrasives for the treatment of slippery or icy pavement as deemed necessary by the Commissioner.

- C. The cleaning and/or flushing of such streets as the Commissioner may direct, including hand-cleaning, tank flushing, mechanical sweeping, and the collection and removal of brush, leaves, and debris.

Section 3. Such work shall be done by competitive contract, or by the Department of Environmental Services, as the Commissioner of Environmental Services deems appropriate.

Section 4. The cost of providing such street cleaning and street snow removal services for the 2019-20 fiscal year shall be assessed against all parcels of property that abut a street, reflecting the benefit to be derived by such parcels from such services. The cost of providing such sidewalk repair and snow removal services for the 2019-20 fiscal year shall be assessed against all parcels of property that abut a sidewalk, reflecting the benefit to be derived by such parcels from such services.

Section 5. The amount assessed shall be allocated among all benefited parcels in direct proportion to each parcel's street or sidewalk footage, defined for purposes of this ordinance as the full footage of the parcel along the street or sidewalk upon which it fronts, plus one-third of the footage along any other abutting streets or sidewalks. The Council hereby determines that such street or sidewalk footage represents the relative amount of benefit received by each such parcel.

Section 6. The total cost of such services to be assessed on July 1, 2019 shall be \$20,489,000.00 consisting of \$5,474,579.84 for street and lot maintenance, \$3,211,155.14 for sidewalk repair, \$8,794,401.72 for roadway snow removal and \$3,008,863.30 for sidewalk snow removal services. Such total amount constitutes an estimate of the amount necessary to pay contractors to provide services and to cover the costs of providing services with City crews between July 1, 2019 and June 30, 2020, less any miscellaneous revenues estimated to be collected during the same period, plus a reasonable reserve for uncollected assessments. All assessments collected shall be paid into the Local Works Fund, and all costs incurred shall be paid from such fund. The amounts assessed herein are appropriated for that purpose.

Section 7. The amount assessed on July 1, 2019 shall be billed on the tax bill and shall be due in one installment. Delinquent assessments collected more than 60 days into a fiscal year subsequent to the fiscal year billed shall be credited as revenue in the year collected and applied against costs in that fiscal year.

Section 8. This ordinance shall take effect on July 1, 2019.

The plan of financing includes the issuance of \$580,000 bonds of the City and said amount is hereby appropriated therefor, \$205,477.03 in anticipated reimbursements from the Rochester Pure Waters District to be authorized to fund eligible portions of the sewer costs on street improvement projects, \$217,439.17 in 2013-14 Cash Capital, \$9,683.81 in 2015-16 Cash Capital, \$55,257.19 in 2017-18 Cash Capital, and the levy and collection of taxes on all the taxable real property in the City to pay the principal of said bonds and the interest thereon as the same shall become due and payable.

Section 2. Bonds of the City in the principal amount of \$580,000 are hereby authorized to be issued pursuant to the Constitution and laws of the State of New York, including the provisions of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York (herein called the "Law"), this Ordinance, and other proceedings and determinations related thereto.

Section 3. The City intends to finance, on an interim basis, the costs or a portion of the costs of said improvements for which bonds are herein authorized, which costs are reasonably expected to be reimbursed with the proceeds of debt to be incurred by the City, pursuant to this Ordinance, in the amount of \$580,000. This Ordinance is a declaration of official intent adopted pursuant to the requirements of Treasury Regulation Section 1.150-2.

Section 4. The period of probable usefulness of said class of objects or purposes described in Section 1 of this Ordinance, within the limitations of Section 11.00 a. 24. of the Law, is ten (10) years.

Section 5. Each of the bonds authorized by this Ordinance and any bond anticipation notes issued in anticipation of the sale of said bonds shall contain the recital of validity as prescribed by Section 52.00 of the Law and said bonds and any notes issued in anticipation of said bonds, shall be general obligations of the City, payable as to both principal and interest by an ad valorem tax upon all the taxable real property within the City without limitation as to rate or amount. The faith and credit of the City are hereby irrevocably pledged to the punctual payment of the principal of and interest on said bonds and any notes issued in anticipation of the sale of said bonds and provision shall be made annually in the budget of the City by appropriation for (a) the amortization and redemption of the bonds and any notes in anticipation thereof to mature in such year and (b) the payment of interest to be due and payable in such year.

Section 6. Subject to the provisions of this Ordinance and of said Law, and pursuant to the provisions of Section 30.00 relative to the authorization of the issuance of bond anticipation notes or the renewals thereof, and of Sections 50.00, 56.00 to 60.00 and 168.00 of said Law, the powers and duties of the City Council relative to authorizing the issuance of any notes in anticipation of the sale of the bonds herein authorized, or the renewals thereof, and relative to providing for substantially level or declining debt service, prescribing the terms, form and contents and as to the sale and issuance of the bonds herein authorized, and of any notes issued in anticipation of the sale of said bonds or the renewals of said notes, as well as to executing agreements for credit enhancement, are hereby delegated to the Director of Finance, as the Chief Fiscal Officer of the City.

Section 7. The validity of the bonds authorized by this Ordinance and of any notes issued in anticipation of the sale of said bonds may be contested only if:

(a) such obligations are authorized for an object or purpose for which the City is not authorized to expend money, or

(b) the provisions of law which should be complied with at the date of the publication of such Ordinance are not substantially complied with, and an action, suit or proceeding contesting such validity, is commenced within twenty (20) days after the date of such publication, or

(c) such obligations are authorized in violation of the provisions of the Constitution.

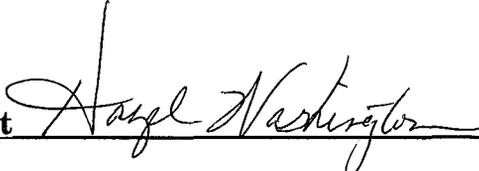

Section 8. This Ordinance shall take effect immediately, and the City Clerk is hereby authorized and directed to publish a summary of the foregoing Ordinance, together with a Notice attached in substantially the form prescribed by Section 81.00 of the Law in "The Daily Record," a newspaper published in Rochester, New York, having a general circulation in the City and hereby designated the official newspaper of said City for such publication

Shall mean a permit issued pursuant to section seven of this Chapter. The term "Operating Permit" shall also include an operating permit which is renewed, amended or extended pursuant to any provision of this Chapter.

Uniform Code

Shall mean the New York State Uniform Fire Prevention and Building Code, as currently in effect and as hereafter amended.

§ 54-23 Acceptance of State Uniform Fire Prevention and Building Code.

The New York State Uniform Fire Prevention and Building Code shall be applicable ~~in-as~~ promulgated by the New York State Building Code Commission pursuant to Article 18 of the New York Executive Law (as added by Chapter 707 of the laws of 1981) and is hereby made a part of the Municipal Code of the City of Rochester.

Article II. Administration and Enforcement

~~§ 54-3 Applicability.~~

~~The provisions of this article shall apply equally to new and existing conditions, except that existing conditions not in strict compliance with the terms of this code shall be permitted to continue where the exceptions, in the opinion of the Fire Marshal, do not constitute a distinct hazard to life or property.~~

§ 54-4 Right of entry for inspections.

~~The Fire Chief, the Fire Marshal, any officer or member of the Fire Safety Division or any inspector thereof may, at all reasonable hours, enter any building or premises, vehicle or conveyance, within the City of Rochester, for the purpose of making any inspection or investigation which he or she or they may deem necessary to be made under the provisions of this article. Any person authorized under this code to make such inspection shall carry proper identification cards and/or badges and shall show them when requested.~~

A. Power and Authority to Inspect.

The Fire Chief, the Fire Marshal, or any member of the Department who is an Officer, Code Enforcement Officer or Building Safety Inspector may cause, in the administration and enforcement of the Fire Prevention Code and all other applicable laws, to make inspections of all premises, as often as may be necessary for the purpose of ascertaining and causing to be corrected any violations of the provisions of the laws, ordinances or rules which the Department enforces.

B. Warrants.

The Fire Chief and the Fire Marshal shall each have the authority to seek inspection warrants, pursuant to Article I, Part B, of the Charter of the City of Rochester, Judicial Warrants for Inspections of Premises, where the same are constitutionally required.

§ 54-5 Inspections for compliance.

A. Inspections required. It shall be the duty of the Fire Marshal or his or her designee to inspect or cause to be inspected; ~~by the Fire Department all buildings and premises, except the interiors of private dwellings, as often as may be necessary for the purpose of ascertaining and causing to be corrected any conditions liable to cause fire or any violations of the provisions of this article and to ensure compliance in all places of assembly with all laws, regulations and orders dealing with overcrowding, use of decorative materials, maintenance of exitways and maintenance of fire alarm, fire detecting and fire extinguishing systems and appliances.~~

(1) buildings or structures which contain an area of public assembly at an interval not greater than once every twelve (12) months.

(2) premises required to have an operating permit pursuant to section 54-7, upon receipt of a complete application for said permit and thereafter at an interval not greater than once every twelve (12) months.

(3) multiple dwellings not included in paragraphs (1) or (2) of this subdivision, and all non-residential buildings, structures, uses and occupancies not included in paragraphs (1) or (2) of this subdivision, at an interval not greater than once every thirty-six (36) months.

(4) buildings or structures being occupied as dormitories at an interval not greater than once every twelve (12) months.

B. ~~The Fire Chief, the Fire Marshal, any officer or member of the Fire Department or any inspector thereof, upon the complaint of any person or whenever he or she or they shall deem it necessary, shall inspect any buildings and premises within the City of Rochester.~~ Inspections permitted. In addition to the inspections required by subsection A of this section, a fire safety and property maintenance inspection of any building, structure, use, or occupancy, or of any dwelling unit, may also be performed upon:

(1) request of the property owner or the authorized agent of such owner;

(2) receipt of a written statement alleging that conditions or activities fail to comply with the Uniform Code exist; or

(3) receipt of any other information, reasonably believed to be reliable that there are conditions or activities that fail to comply with the Uniform Code.

Provided, however, that nothing in this subdivision shall be construed as permitting an inspection under any circumstances under which a court order or warrant permitting such inspection is required, unless such court order or warrant shall have been obtained.

~~§ 54-6 Adoption of rules and regulations.~~

~~The Fire Marshal may adopt rules and regulations, subject to the approval of the Fire Chief, for carrying into effect the provisions of the code. The Fire Marshal may also issue orders for the enforcement of such rules and regulations as are consistent therewith. In connection with the adoption by the Fire Marshal of rules and regulations for carrying into effect the provisions of the code relating to fire hazards in buildings, the following factors will be considered.~~

~~A. The number of persons who would be physically present in the building at any given time.~~

~~B. The type of construction of the building.~~

~~C. The type of fire protection provided in the building.~~

~~D. With respect to a commercial establishment, the quantity needed for display and normal merchandising purposes.~~

~~E. Any other factors which might have a bearing on the firesafety of the building.~~

~~§ 54-7 Orders.~~

~~A. It shall be sufficient service of an order upon any person, firm or corporation found to be violating any of the provisions of this chapter of the Municipal Code if a copy thereof is served personally in accordance with the provisions of the Civil Practice Law and Rules; or sent by first class mail to either the person's tax mailing address, if the violation relates to a property or building and the owner is the person to be served, or otherwise to the person's last known address; or left with an agent or a person of suitable age and discretion at the place of violation or tax mailing address or last known address.~~

~~B. In the event that changes or additions to the premises themselves are deemed by the Fire Marshal to be necessary to ensure safety, the Fire Marshal shall immediately report such findings to the Director of the Neighborhood Service Centers and/or the Commissioner of Neighborhood and Business Development.~~

~~C. No person having been served with such an order shall fail to comply with the requirements thereof immediately upon being served with the order. In case of~~

~~emergency, the Fire Marshal or any officer assigned to the Fire Safety Division and any officer assigned to the Fire Suppression Division shall have the authority to order any building or buildings vacated immediately.~~

~~D. Whenever the Fire Marshal causes an order to be issued pursuant to this chapter requiring the owner to remove the existing nuisances or violations, the owner may request a meeting with the Fire Marshal or his or her designee. The meeting shall be held prior to the expiration of the period for compliance so prescribed unless the violation constitutes an immediate danger to human life or health.~~

~~E. Whenever the Fire Marshal has determined that an emergency exists and causes a vacate order to be issued pursuant to this chapter, the owner and/or the tenant may request a hearing before the Fire Marshal or his or her designee. The hearing shall be held within three business days of receiving a written demand for it. The rules of evidence prevailing in courts of record shall not be controlling in the hearings held pursuant to this chapter.~~

~~§ 54-86 Record keeping to be kept of all fires.~~

~~The Fire Marshal shall keep, in the office of the Fire Department official records of all activities and transactions of his or her office, a record of all fires, and of all the facts concerning the same, including statistics as to the extent of such fires and the damage caused thereby and whether such losses were covered by insurance and, if so, in what amount. Such record shall be made daily from all reports made by the Fire Department officers and inspectors.~~

~~§ 54-9 Exceptions to provisions.~~

~~A. Nothing contained in this code shall be construed as applying to the transportation of any article or thing shipped in conformity with the regulations prescribed by the Interstate Commerce Commission, nor as applying to the military forces of the State of New York or United States.~~

~~B. The Fire Chief may waive provisions of this code for any large, integrated industrial area which in his or her opinion maintains adequate fire protection and fire prevention services. The Fire Marshal shall investigate at any time or interval that he or she may deem necessary to determine that firesafety standards maintained are substantially equivalent to the waived provisions of the code.~~

~~§ 54-107 Operating Permits.~~

~~A. Operating permits shall constitute permission to maintain, store or handle materials or to conduct processes or to install equipment used in connection with such activities, which materials, processes or equipment if improperly used may produce conditions hazardous to life or property, or to install equipment used in connection with such activities, be required prior to conducting any activities or operating any type of building or structure listed in the New York Codes, Rules and Regulations (NYCRR) as requiring an operating permit (presently 19 NYCRR §~~

1203.3(g). Such operating permit does not take the place of any license required by law. It shall not be transferable, and any change in use or occupancy of premises ~~shall~~ may require a new operating permit.

B. Before an operating permit may be issued, ~~the Fire Marshal or his or her assistants shall inspect and approve the receptacles, vehicles, buildings or storage places to be used~~ the premises shall be inspected pursuant to section 54-5. In cases where laws or regulations enforceable by departments other than the Fire Safety Division are applicable, joint approval shall be obtained from all departments concerned.

C. All applications for an operating permit required by this code shall be made to the Fire Safety Division in such form and detail as it shall prescribe. Applications for operating ~~P~~permits shall be accompanied by such plans, drawings, ~~models or samples and condition assessment reports~~ as required by the Fire Safety Division. Operating ~~P~~permits shall be issued by the Fire Marshal.

D. Operating ~~p~~Permits shall at all times be kept on the premises designated therein and shall at all times be subject to inspection by any officer of the Fire or Police Department or the Department of Neighborhood and Business Development.

E. ~~One permit only shall be required by establishments dealing in or using two or more flammable, combustible or explosive materials to be kept in the establishment at any one time, but the materials shall be listed in the permit, as requested by the Fire Marshal. In accordance with § 54-3, special permits may be issued authorizing the continuance of existing conditions not in strict compliance with the terms of this code, but where the exceptions do not constitute a distinct hazard to life or property or a violation of the New York State Uniform Fire Prevention and Building Code. Such special permits may be revoked by the Chief of the Fire Department and/or the Fire Marshal upon failure to comply with the provisions of this code within the time specified within said permit. A single operating permit may apply to more than one hazardous activity.~~

§ 54-~~118~~ Suspension or revocation of operating permits.

The ~~Division of Fire Safety~~ Fire Marshal or his or her designee may suspend or revoke an operating ~~P~~permit ~~or approval~~ issued if any violation of this Fire Prevention eCode is found upon inspection or in case there has been any false statement or misrepresentation as to a material fact in the application or plans on which the operating permit ~~or approval~~ was based.

§ 54-~~129~~ Fees.

A. Fees for the issuance of operating permits and certificates shall be collected by the City Clerk, and checks and money orders ~~may~~ shall be made payable to the City Treasurer.

B. Operating Permits shall be required for the operation and/or maintenance of the following activities. Such permits pursuant to Section 54-7 shall be issued annually, and the annual fees for such permits shall be as follows:

H. The Fire Marshal may waive the fees for any building or installation occupied by or operated by the City or other division of government.

~~§ 54-130~~ Applications for certificates.

A. The Fire Marshal shall conduct hearings, proceedings or testing concerning applications for certificates required under the Fire Prevention Code.

B. The Fire Marshal shall require applicants for original certificates to pass an examination. The examination shall be written and may be supplemented by practical tests or demonstrations deemed necessary to establish the applicant's knowledge and ability. Reference materials for such examinations shall be ~~published annually by the Fire Marshal~~ provided with the application. Notice of the time and place of each examination shall be given at least 30 days prior to the examination.

C. Examinations administered by outside agencies shall be approved by the Fire Marshal and once approved shall be accepted for establishing eligibility for certificates of fitness.

~~DG.~~ Applications for renewal of certificates shall be made annually.

~~ED.~~ The provisions of Chapter 68 of the Code of the City of Rochester shall be applicable to all licenses and operating permits issued under this article.

~~FE.~~ The Fire ~~Chief~~ Marshal shall revoke, without a hearing, the ~~certificate~~ license of any business or person found guilty of five or more violations of this article during any period of two years. Nothing herein shall prevent the Fire Chief from revoking a ~~certificate~~ license of any business or person with fewer than five violations, on written charges and an opportunity for a hearing thereon, pursuant to § 68-10 of the Municipal Code.

~~§ 54-14~~ 54-11 ~~Central~~ Supervising stations.

A. Purpose. The purpose of this section is to regulate the operation of ~~central~~ supervising stations in the interest of safeguarding lives and property.

B. Administration. The administration of this section shall be vested in the Fire Chief, who shall have the power to issue the proper rules and regulations to administer this section. The Fire Chief may delegate the administration of any part of this section to the Fire Marshal, as he or she deems necessary.

~~C. The term "person" shall mean any firm, partnership, corporation, association or individual.~~

~~DC. The term "central-supervising station protective system" or "supervising station" shall mean a system or group of systems operated for their customers by a person, firm or corporation with a operating permit from the City, in which system the operations of electrical protection circuits and devices are transmitted to, recorded in, maintained and supervised from a ~~central~~supervising station having in attendance at all times a minimum of two trained, competent operators that have the duty to take appropriate action upon receipt of a signal or message, including the relaying of messages by direct line to the communications center of the Fire-Department.~~

~~ED. Operating-P permits.~~

(1) The Fire Marshal or his or her ~~designate~~ designee is authorized to grant a revocable operating permit to any person who has established a ~~central supervising station system~~. Such operating permit is required for any ~~central-supervising station~~ to operate in the City of Rochester.

(2) Said operating permit shall be granted upon written application to the Fire Marshal of the City of Rochester and upon the determination that:

(a) The ~~central~~supervising station for which the operating permit application is being made meets all the requirements of the National Fire Protection Association Pamphlet No. 71 72 (1977 Edition).

~~(b) The central station for which the permit application is being made meets such other further mandated rules and regulations as may be adopted by the Fire Marshal or his or her designate for carrying out the provisions and purpose of this section of the code.~~

(3) The Fire Marshal or his or her ~~designate~~ designee is authorized to inspect any ~~central~~supervising station prior to granting an operating permit in order to determine if all the requirements of this section have been met and is authorized to inspect any ~~central~~supervising station after an operating permit has been issued at any time, without prior notice to the ~~central~~ supervising station, to ensure that all requirements under this section are maintained by the ~~central~~ supervising station.

(4) In the event that the Fire Marshal or his or her ~~designate~~ designee determines under Subsection ~~ED~~(3) of this section that the requirements under the Fire Prevention Code of the City of Rochester have not been maintained, the Fire Marshal or his or her ~~designate~~ designee will notify the person who holds the operating permit for the ~~central~~supervising station that such operating permit will be revoked within 30 days unless the violations are corrected, prior to such thirty-day period, to the satisfaction of the Fire Marshal or his or her ~~designate~~ designee.

~~§ 54-15~~ 54-12 Approval of plans.

Plans shall be approved by the Fire Marshal or his or her designee if they comply in all respects with the Fire Prevention Code and the Uniform Code. However, the approval of plans containing omissions or errors shall not relieve the applicant of complying with all requirements of the Fire Prevention Code and the Uniform Code.

~~§ 54-16~~ 54-13 Liability for damages.

This code shall not be construed to hold the City of Rochester responsible for any damages to persons or property by reason of the inspection or reinspection authorized herein or failure to inspect or reinspect for the operating permit issued as herein provided or by reason of the approval or disapproval of any equipment authorized herein.

~~§ 54-17~~ 54-14 Variance or modification of regulations.

The Board of Review established by Chapter 4 of the Municipal Code shall have the power to vary or modify, in whole or in part, any local provision or requirement of the Fire Prevention Code where practical difficulties or unnecessary hardships may result from the enforcement thereof; provided, however, that any such variance or modification shall be consistent with the spirit of the code and not inconsistent with acts of the New York State Legislature or the ~~New York State Uniform Fire-Prevention and Building Code~~. An application for variance or modification of a rule or law shall be made by an aggrieved person within 30 days following the date of the decision sought to be varied or modified. Any action of the Board of Review may be reviewed pursuant to Article 78 of the Civil Practice Law and Rules. Variances, interpretations or modifications to the ~~New York State Uniform Fire-Prevention and Building Code~~ must be sought in accordance with Article 18 of the New York State Executive Law.

~~§ 54-18~~ ~~Survey of premises and specifications of equipment.~~

~~The Fire Marshal shall survey each mercantile and manufacturing establishment, school, place of assembly, hospital, place of detention, hotel, boarding or rooming house and multifamily house and shall specify suitable fire detecting devices or extinguishing appliances which shall be provided in or near boiler rooms, kitchens of restaurants, clubs and like establishments, storage rooms involving considerable combustible material, rooms in which hazardous manufacturing processes are involved, garage sections and other places of a generally hazardous nature. Such devices or appliances may consist of automatic fire alarm systems, automatic sprinkler or water spray systems, standpipe and hose, fixed or portable fire extinguishers of a type suitable for the probable class of fire or suitable asbestos blankets, manual or automatic covers or carbon dioxide or other inert gas extinguishing systems. In specially hazardous processes or storages, appliances of more than one type or special systems may be required.~~

~~§ 54-19~~ ~~Tank vehicles.~~

~~A. No tank vehicle shall be left unattended on any street, highway, avenue or alley, provided that this shall not prevent a driver from the necessary absence from the truck in connection with the delivery of his or her load, except that during actual discharge of the liquid some responsible person shall be present at the vehicle, nor shall it prevent stops for meals during the day or night if the street is well lighted at point of parking.~~

~~B. Tank vehicles containing flammable liquids shall not be parked out of doors at any one point for longer than one hour, except off the streets, and shall be at least 25 feet from any building used for assembly, institutional or residential occupancy.~~

~~C. Tank vehicles shall not be parked or garaged in any buildings other than those specifically approved for such use by the Fire Marshal.~~

~~D. Tank trucks are prohibited by § 111-70 of the Municipal Code from being driven or operated in the Central Traffic District between the hours of 7:00 a.m. and 6:00 p.m. on any day except Sunday.~~

~~E. The requirements set forth in the National Fire Protection Association (NFPA) Pamphlet Nos. 385 (1979 Edition) and 407 (1980 Edition) shall apply to tank vehicles to be used for the transportation of stable flammable and combustible liquids with a flash point below 140° F. (60° C.).~~

~~F. Aircraft fuel servicing shall meet the requirements of National Fire Protection Association (NFPA) Pamphlet Nos. 385 (1979 Edition) and 407 (1980 Edition).~~

~~§ 54-20 Safety program for high-rise buildings.~~

~~A. This section shall apply to the following:~~

~~(1) Any multistory building or structure where the roof level exceeds 70 feet in height above average grade.~~

~~(2) Any multistory building or structure where the roof level exceeds 55 feet in height above average grade when fire apparatus is unable to gain access to at least a twenty-foot wide area located approximately between 10 and 30 feet from the building line, measured perpendicular thereto, on at least two sides of the building.~~

~~(3) Any building three or more stories in height above grade which is used primarily as the living quarters for persons confined, detained, held for correctional purposes, substantially handicapped, semiambulatory, nonambulatory or under medical care so that assistance by others is required or for persons of similar restricted facilities.~~

~~B. The Fire Chief or his or her authorized subordinates shall direct or order all of the following listed items with respect to the functioning of internal services within any building that falls under this section:~~

~~(1) Require the occupants or owner of the building to appoint a safety director and one or more assistant safety directors, such that at least one director is in attendance at all times the building is normally occupied. Such appointees are not required or~~

~~expected to work full time on such assignments, but are selected from existing personnel to perform these assignments in addition to their regular duties.~~

~~(2) Require the safety director and his or her assistants to perform their duties, as listed in Subsection C of this section.~~

~~(3) Require the safety director to keep such records as are appropriate for his or her operations, which records shall be subject to a review by the Fire Chief at any time.~~

~~(4) Require the safety director to report without undo delay any changes made or to be made in appointments for safety director or change in the normal location within the building for existing appointees.~~

~~(5) Require the safety director to make any necessary changes in his or her operations or in his or her assigned personnel in accordance with the safety director's duties as set forth in Subsection C, as may be deemed proper in the interest of the safety of the occupants and the general public.~~

~~C. The safety director of a building shall perform the following duties:~~

~~(1) Become thoroughly familiar with the operations and equipment installed in the building.~~

~~(2) Instruct assistant directors so that they will gain a thorough knowledge of the building and its operation.~~

~~(3) Appoint floor captains and alternates for each floor and post evacuation instruction placards in accordance with the following provisions:~~

~~(a) When two or more able-bodied persons, 18 years or more in age, employed either by the building management or one of its leased tenants or otherwise normally residing within the building for a period exceeding 90 days are assigned working and/or living space on one particular floor, the safety director shall appoint a floor captain and an alternate floor captain for each floor that has a normal occupancy exceeding six persons. If employees are selected and the building operation extends beyond one working shift per day, then separate captains and alternates must be appointed for each shift. The safety director shall maintain an up-to-date list of all directors, captains and alternates, which shall be posted in the safety director's office. The safety director shall instruct all captains and alternates on the assistance they can offer from their respective floors, including the direction of personnel evacuation.~~

~~(b) The safety director shall post evacuation instruction placards in visible locations within the building. One type of instruction shall be required in each private area, at the point of exiting into a public area. Instructions shall also be mounted in elevator lobbies, on the wall of each elevator group and at all doors entering required stairwells. The wording of each of these types of instruction placards and their location is subject to prior approval of the Fire Chief. The Fire Chief shall not withhold his or her approval unreasonably.~~

~~(4) Within the first four months of building occupancy, hold a simulated fire drill in each of the building's zones. Each floor shall be considered a zone. Thereafter, hold one simulated fire drill at least once every six months.~~

~~(5) Test the coordinated firesafety system of the building at least once each month.~~

~~(6) Conduct meetings of assigned personnel for instructional purposes and/or informational purposes.~~

~~(7) Observe and report any existing hazards, temporary or permanent, that may affect the safety of the occupants in the event of an emergency.~~

~~(8) Following an emergency and with the help of assistants, examine all emergency facilities, reset all activated dampers and generally restore the building to its preemergency condition.~~

~~(9) Perform such other duties or assignments as the Fire Chief may direct.~~

~~D. For existing buildings that fulfill the height requirements of this section, the Fire Chief shall require certain improvements in any existing safety program being conducted within such buildings as he or she deems necessary, taking into account the existing layout of the buildings and the availability of personnel, without causing practical difficulties or unnecessary hardship in the carrying out of such improvements.~~

~~§ 54-21 Bulk plants.~~

~~A. A bulk plant shall include that portion of a property where flammable or combustible liquids are received by tank vessel, pipelines, tank car or tank vehicle and are stored or blended in bulk for the purpose of distributing such liquids by tank vessel, pipeline, tank car, tank vehicle or container.~~

~~B. Bulk plants shall meet the requirements set forth in the National Fire Protection Association (NFPA) Pamphlet No. 30 (1981 Edition) and the following additional requirements:~~

~~(1) Underground tanks shall meet the requirements for the installation of supply tanks at service stations.~~

~~(2) Aboveground horizontal tanks shall rest on foundations made of concrete, masonry or protected steel.~~

~~(3) Loading and unloading facilities shall be protected by an approved automatic fire extinguishing system.~~

~~(4) Self-service facilities at a bulk plant shall meet the requirements of a self-service station.~~

~~§ 54-22 Service stations.~~

~~A. Underground storage tanks containing flammable and combustible liquids and having a maximum individual capacity of up to 10,000 gallons may be installed at gasoline or diesel service stations. The maximum aggregate capacity at any service station shall not exceed 20,000 gallons. The Fire Marshal may increase the requirements established in this subsection if he or she finds that the public safety of the particular area involved will not be jeopardized by such modifications, and he or she may require such further stipulations as he or she may deem necessary in the interest of public safety in the granting of said modification.~~

~~B. Supply tanks.~~

~~(1) Supply tanks greater than 60 gallons in capacity which store flammable and combustible liquids and come under the provisions of this section shall be located underground. The highest point of such tanks shall be below the level of any piping to which they may be connected. Where a tank or tanks may become buoyant due to a rise in the level of the groundwater table or due to being located in an area subject to flooding, suitable precautions shall be observed to properly anchor said tank or tanks in place. Such tanks shall be located at least 15 feet in horizontal distance from all building lines and from all interior lot lines and at least five feet in horizontal distance from all street lot lines, unless specifically authorized or directed to the contrary by the Fire Marshal. The minimum depth at which the top of such tanks, including ribs, is to be placed below the finished surface or grade is as follows:~~

~~(a) In locales where it is highly improbable that vehicular traffic or other heavy loads could be imposed thereon, either:~~

~~[1] A minimum of two feet, six inches in depth, covered by compacted earth; or~~

~~[2] A minimum of one foot, 10 inches in depth, covered by a minimum of one foot, six inches of compacted earth topped with a minimum four inch thick reinforced concrete slab, extending one foot beyond the tank or tanks in all directions.~~

~~(b) In locales where it is conceivable that vehicular traffic or other loads could be imposed thereon, either:~~

~~[1] A minimum of three feet, zero inches in depth, covered by compacted earth, provided that a reinforced concrete slab at least two feet, six inches square and eight inches thick is installed at the fill pipe; or~~

~~[2] A minimum of two feet, zero inches in depth, covered by a minimum of one foot, six inches of compacted earth topped with a minimum six inch thick reinforced concrete slab, extending one foot beyond the tanks in all directions.~~

~~(2) Only tanks constructed in accordance with specifications of nationally recognized standards shall be used for storage of flammable and combustible liquids at service stations. Nonmetallic tanks require an on-site representative of the manufacturer at the time of installation. No remote fills shall be allowed. Vent pipes shall be provided with noncorrodible flash arresters, completely covering the openings.~~

~~C. Dispensing unit location.~~

~~(1) Dispensing units for the use of supplying vehicles, motorboats or other means of transportation with flammable and combustible liquids may be located in exterior locations, provided that said units and their piping are sufficiently protected against physical damage from vehicles by mounting on a concrete island with sufficient setback from any street line such that the vehicle being served is entirely on private property during the filling operation. Such units shall also be located at least 20 feet away from any interior lot line. The immediate area of dispensing units which are intended for use during night hours shall be equipped with adequate illumination.~~

~~(2) Dispensing units and underground tanks shall not be located inside buildings without the written approval of the Fire Marshal.~~

~~D. Remote or submerged pumping shall be protected with an approved two-second delay leak detector.~~

~~E. Aboveground storage tanks of flammable and combustible liquids shall be prohibited.~~

~~F. The Fire Marshal or his or her designated representative is authorized to order the owner or occupants of premises having flammable and combustible liquids storage tanks located thereon to have such tanks tested by methods prescribed by the Fire Marshal to determine if such tanks are leaking, whenever the Fire Marshal has a reasonable belief that such tanks may contain a leak.~~

~~G. Leaking tanks, pumps or piping shall be removed, repaired or replaced immediately, and it shall be within the discretion of the Fire Marshal as to whether the station or facility must cease any and/or all operations while repairs or replacement is being made.~~

~~H. All tanks containing flammable and combustible liquids must be tested weekly for water infiltration, and records shall be kept on the premises showing the date and results of such tests. Whenever water is removed from any tank, the Fire Marshal shall be notified.~~

~~I. Accurate daily inventory records shall be maintained on underground storage tanks, with each tank recorded separately. The records shall be kept on the premises for inspection by the Fire Marshal.~~

~~J. Underground flammable and combustible liquids storage tanks discontinued from service are to be removed from the site within 90 days. The method of removal shall be prescribed by the Fire Marshal. In the event of the discontinuance of a business for which a license has been issued pursuant to the provisions of this article, the licensee shall notify the Fire Marshal at least 24 hours before the time such discontinuance takes effect. Dispensing units servicing underground tanks shall be removed immediately and all piping capped, and any electrical supply line shall be discontinued at the panel box.~~

~~K. The Fire Marshal or his or her designated representative is hereby authorized to seal a dispensing unit to prohibit the dispensing of flammable or combustible liquids from such unit after one or more violations of this code have not been corrected and after service of an order issued by the Fire Marshal to correct such violations.~~

~~L. The installation and use of coin-operated dispensing devices for flammable and combustible liquids is prohibited.~~

~~M. The dispensing of flammable and combustible liquids into the fuel tank of a vehicle or into a container shall at all times be under the control of a competent person.~~

~~N. Dispensing devices for flammable and combustible liquids shall be of the type approved by the Fire Marshal.~~

~~O. Dispensing of flammable and combustible liquids by persons other than the service attendant or supervisor shall be prohibited.~~

~~P. In the event of accidental spillage of a flammable or combustible liquid, the Fire Department shall be notified immediately.~~

~~Q. Warning signs shall be posted on each island with the following or equivalent wording:~~

~~(1) No smoking.~~

~~(2) Stop motor during fueling operation.~~

~~R. A minimum of five one hundred pound bags of stay dry absorbent or its equivalent shall be kept on the premises at all times for flammable and combustible liquid spills and should be used for this purpose whenever possible, instead of flushing with water. Contaminated absorbent shall be disposed of in a safe and proper manner.~~

~~S. There shall be no more than one tank truck delivering flammable and combustible liquids on the premises of a service station at any one time. Evertite or O.P.W. fire couplings, or their equivalent, shall be used when unloading flammable and combustible liquids from the tank truck to the storage tank. The brakes of the truck shall be set, and the driver shall remain at the point of delivery. In case of spillage or overflow, the Fire Department shall be notified immediately.~~

~~T. Protective barriers shall be installed at the end of each island to provide protection for the dispensing units.~~

~~§ 54-23 Self service stations.~~

~~In addition to the rules and regulations governing service stations, the following provisions shall apply to self service stations:~~

- ~~A. Each self service station shall have the remote dispensing equipment situated in such a manner as to give the qualified attendant controlling said equipment an optimum view of the dispensing units.~~
- ~~B. Protective barriers shall be installed at the end of each island to provide protection for the dispensing units.~~
- ~~C. Flammable and combustible liquids may be dispensed only by customers possessing a valid motor vehicle operator's license.~~
- ~~D. Heat sensors shall be installed. The exact location shall be determined at the time of plan review.~~
- ~~E. Approved dispensing devices, such as but not limited to key-operated, card-operated and remote controlled types, are permitted at self service stations.~~
- ~~F. The installation and use of coin-operated dispensing devices for flammable and combustible liquids is prohibited.~~
- ~~G. All self service stations shall have at least one attendant on duty while the station is open to the public. The attendant's primary function shall be to supervise, observe and control the dispensing of flammable and combustible liquids while said liquids are actually being dispensed.~~
- ~~H. It shall be the responsibility of the attendant to prevent the dispensing of flammable and combustible liquids into portable containers not in compliance with the provisions of the New York State Uniform Fire Prevention and Building Code; control the source of ignition; and immediately control accidental spills and use fire extinguishing equipment if needed. The attendant or supervisor on duty shall be mentally and physically capable of performing the functions and assuming the responsibility prescribed in this section.~~
- ~~I. The attendant shall at all times be able to communicate with persons in the dispensing area.~~
- ~~J. Dispensing nozzles used at self service stations for the dispensing of flammable and combustible liquids shall be an approved automatic closing type without a latch-open device.~~
- ~~K. Self service stations shall be equipped with automatic fire extinguishing systems, installed in conformity with nationally recognized good practices and approved by the Fire Marshal.~~
- ~~L. Emergency controls specified in the New York State Uniform Fire Prevention and Building Code shall be installed at a location acceptable to the Fire Marshal, but the controls shall not be more than 50 feet from the dispensers.~~
- ~~M. Self service stations shall be equipped so that the electrical supply to the dispensing units automatically shuts down whenever the fire extinguishing system is employed.~~

Article ~~IV~~ III. Additional Regulations

§ 54-2415 Enforcement of violations.

A. It shall be sufficient service of a notice and order issued by the Department if a copy thereof is served personally in accordance with the provisions of the Civil Practice Law and Rules, or sent by first class mail to either the person's tax mailing address, if the violation relates to a property or building and the owner is the person to be served, or otherwise to the person's last known address, or left with an agent or a person of suitable age and discretion at the place of violation or tax mailing address or last known address.

AB. Violations of this chapter may be referred to the Municipal Code Violations Bureau, wherein violators shall be subject to the penalties set forth in § 13A-11 of the Municipal Code. Referral to the Municipal Code Violations Bureau shall not preclude subsequent referral to City Court of unabated violations or injunctive relief in State Supreme Court, and in said instances the courts shall have concurrent jurisdiction.

BC. Violations of this chapter may also be enforced pursuant to Chapter 52 of the Municipal Code, and violators shall be subject to the penalties set forth in said chapter. The Fire Marshal shall have all of the powers of the Commissioner of Neighborhood and Business Development when acting pursuant to Chapter 52.

D. In the case of an emergency, the Fire Marshal or any officer assigned to the Fire Safety Division and any officer assigned to the Fire Suppression Division shall have the authority to order any building or buildings vacated immediately. The procedures set forth in 52-5A (3) shall apply.

E. Whenever the Fire Marshal or her or his designee has reasonable grounds to believe that work on any premises is being performed in violation of the provisions of the applicable laws, ordinances or regulations, or not in conformity with the provisions of the accepted application, plans or specifications and revisions thereof, or in an unsafe and dangerous manner, or without a required operating permit, the Fire Marshal or her or his designee shall notify the owner of the property or the owner's agent to suspend all work, and any such persons shall forthwith stop work and suspend all related activities until the stop-work has been rescinded. Such order and notice shall be in writing, shall state the conditions under which the work may be resumed and may be served either by delivering it personally or by posting it conspicuously where the work is being performed and sending a copy of it by mail to the address set forth in the operating permit application. Violations of stop-work orders may be referred to the Municipal Code Violations Bureau.

F. In the event that changes or additions to the premises are deemed necessary to ensure safety, the Fire Marshal shall immediately report such findings to the Director of the Neighborhood Service Centers and/or the Commissioner of Neighborhood and Business Development.

~~§ 54-25~~ Conflicting provisions.

~~The Fire Prevention Code shall be construed in accordance with the laws of the State of New York and the City of Rochester. In the event of conflict between this code and any other code applicable in the City of Rochester, that provision that provided a greater level of safety to the occupants, users or beneficiaries shall apply.~~

§ 54-~~26~~16 Severability.

~~The provisions of this Fire Prevention Code and the applicability thereof to any persons, property or circumstances shall be construed to be independent and severable, and if any one or more sections, clauses, sentences, provisions, portions or parts of this code, or the applicability thereof to any persons, properties or circumstances, shall be adjudged unconstitutional or invalid, such judgment shall not affect, impair or invalidate the remaining provisions thereof or the applicability thereof to other persons, properties or circumstances, but shall be confined in its operation to the specific provisions so held unconstitutional and invalid and to the persons, properties and circumstances affected thereby. Should any section, paragraph, sentence, clause or phrase in this chapter be declared unconstitutional or invalid for any reason, the remainder of the chapter shall not be affected thereby and shall remain in full force and effect, and to this end the provisions of this chapter are declared to be severable.~~

Section 2. This ordinance shall take effect immediately.

Certified Resolution

Rochester, N.Y., _____

TO WHOM IT MAY CONCERN:

I hereby certify that at a meeting of the Council of the City of Rochester, held in the City Hall, on **June 18, 2019**, a resolution was **Adopted**, of which the following is a true copy; and at the time said resolution was adopted, the Council consisted of Nine (9) members.

Resolution No. 2019-8

Resolution approving the 2019-20 debt limit for general municipal purposes with an exception for certain Roc the Riverway capital projects

WHEREAS, an important component of the City's expense budget and tax levy is debt; and

WHEREAS, the amount of debt outstanding is one of the major factors evaluated by credit agencies in the determination of bond rating; and

WHEREAS, control of the debt service expense and the amount of outstanding debt must necessarily be exercised through restrictions on bond and note authorizations;

WHEREAS, bond ratings influence the rate of interest which must be paid on indebtedness and therefore the amount of debt service; and

WHEREAS, pursuant to the Debt Authorization Policy adopted by Council in Resolution No. 81-4, exceptions to the debt limit policy are to be approved only for projects and purposes which could not reasonably be foreseen and, if not approved, would result in an obvious public danger or economic loss.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Rochester, that it is the intent and policy of the City to limit the amount of bonds and notes authorized in fiscal year 2019-20 to \$19,031,000 for general municipal purposes.

BE IT FURTHER RESOLVED, unused authorizations from the debt limits for fiscal years 2017-18 and 2018-19 shall continue to be available, but no authorization included in

the debt limit for a prior fiscal year, if not actually approved by the City Council, shall be carried-over and included in the limit for this fiscal year. By this resolution, the Council specifically approves inclusion for this fiscal year of unused authorizations from the debt limit for 2016-17 relating to environmental investigation and remediation at contaminated City sites and the Vacuum Oil Brownfield Opportunity Area sites, street rehabilitation and improvements including but not limited to Scottsville Road and Elmwood Avenue, and municipal facility improvements; 2015-16 relating to environmental investigation and remediation at contaminated City sites and the Vacuum Oil Brownfield Opportunity Area sites, street rehabilitation and resurfacing, including but not limited to the Residential Street Rehabilitation; 2013-14 relating to environmental investigation and remediation at contaminated City sites, focused development investment, and street lighting; 2012-13 relating to environmental investigation and remediation at contaminated City sites; and 2010-11 relating to environmental investigation and remediation at contaminated City sites.

BE IT FURTHER RESOLVED, that exceptions to this policy are to be approved only for projects and purposes which could not reasonably be foreseen and, if not approved, would result in an obvious public danger or economic loss; and for projects and purposes for which the debt issued therefor would be self-supporting.

BE IT FURTHER RESOLVED, that the sum of \$3,900,000 is hereby approved as an exception to the 2019-20 debt limit of the City established herein in order to fund the a portion of the costs of the Riverway Main to Andrews – West Side project and the extension of the Sister Cities Bridge project and that this action is being taken to allow the City to leverage approximately \$16 million in New York State Roc the Riverway funds that could be lost without the City's contribution to the funding of the two aforementioned projects.

BE IT FURTHER RESOLVED, that to insure continued awareness of an adherence to this policy, each separate request for authorized debt shall be accompanied by a report in which the amount of debt actually authorized is compared to the amount of debt herein established as a limit.

BE IT FURTHER RESOLVED, that the redemption of any debt issued as an exception to a debt limit shall be excluded from the calculation of subsequent debt limits.

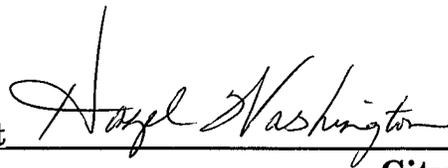

This resolution shall take effect immediately.
