# Rochester Urban Renewal Agency Annual Report 7/01/16-6/30/17

Phone: 585.428.8801 Fax: 585.428.6042 TTY: 585.428.6054 EEO/ADA Employer

The financial reports submitted are certified that based on the officer's knowledge, the information provided herein is accurate, correct and does not contain any untrue statement of material fact; does not omit any material fact which, if omitted, would cause the financial statements to be misleading in light of the circumstances under which such statements are made; and fairly presents in all material respects the financial condition and results of operations of the authority as of, and for, the periods presented in the financial statements.

Bayé Muhammad, Secretary

Charles A. Benincasa, Chief Financial Officer

7/01/16-6/30/17
Operations, Accomplishments & Undertakings

Midtown Plaza consisted of approximately 1.5 million square feet of vacant, office and retail buildings covering 8.6 acres. The Midtown Rising project involves the demolition of most of the Midtown buildings, the adaptive reuse of the former Seneca Building as the Windstream office project, construction of new Gannett offices adjacent to Windstream, adaptive reuse of the former Midtown Tower (now known as "Tower280"), inclusion of new streets and open space, and creation of three (3) development parcels.

In 2009, the City completed the State Environmental Quality Review Act process for the redevelopment plan. The amended Midtown Urban Renewal Plan was adopted by the Rochester City Council in November 2009.

New York State provided \$55 million for the Midtown Rising project, \$44 million of which was used for the asbestos remediation and demolition of six buildings covering more than eight acres that made up the Midtown site. Construction work is complete on the reconstruction of the underground service tunnel and the rehabilitation of the 1,695-vehicle underground garage. Above ground, the remaining \$11 million grant from New York State helped fund the construction of a new street grid, public space, sidewalks and lighting.

The City of Rochester identified \$4,712,350 in federal assistance for the Midtown project. In February 2009 U.S. Congresswoman Louise M. Slaughter (D-NY-28) announced \$950,000 in funding for transportation improvements relating to the Midtown Project from the 2009 Omnibus Appropriations Act. In September 2009, U.S. Senator Kirsten Gillibrand announced that the Senate passed the Transportation, Housing and Urban Development Appropriations Bill, which included \$340,900 to assist with revitalization of the former Midtown Plaza site. An additional \$1,363,600 was included in the Federal fiscal year 2010 budget through appropriations from the transit bill. The City was awarded a \$2,057,850 grant from the U.S. Economic Development Administration for infrastructure improvements to the Midtown site. The infrastructure costs to construct streets, utilities and open space are fully funded with the above federal and additional NYS, the County of Monroe, and local funding.

Windstream officially celebrated the opening of its office facility at the former Seneca Building on September 3, 2013. The Pike Development Company completed the project at a total investment of \$19 million. The project was the first private development to take hold on the Midtown Rising site. The third floor of the Seneca Building, comprising 37,000 square feet, is available for lease. The City of Rochester provided a \$5,000,000 loan and a \$900,000 and grant from federal Community Development Block Grant (CDBG) funds; the City is also providing a \$1,700,000 grant with Empire State Development Corporation (ESDC) funds. Rochester Gas & Electric (RG&E) provided two (2) grants totaling \$800,000 for electric service infrastructure. The balance of funding is developer equity and conventional financing.

Pike Development completed construction of a new 3 story 60,000 square foot office building adjacent to the north wall of the Windstream Building; the total investment was \$12 million. The first two floors were occupied by Gannett in May 2016.

The joint venture of Buckingham Properties and Morgan Communities redeveloped the former Midtown Tower into Tower280. Tower280 is a 17 story building with 181 residential units that came online in January 2016. Of the 130,000 square feet of commercial space, 44,000 is available for lease. The City of Rochester provided \$8,700,000 in loan agreements for the \$63MM project. NYS is providing \$5,200,000 in funding for the project through the Upstate Regional Blueprint Program and the NYS Consolidated Funding Application process. The balance of funding is developer equity, REDCO funding, and conventional financing.

Development proposals are being reviewed for Parcel #5 and the City sold the land for Parcel #2 to Buckingham Properties and Morgan Management for their proposed redevelopment program of the site. The remaining development parcel in the Midtown Urban Renewal District will be developed at a later time as a function of supply and demand within the market.

The total investment in the Midtown Rising Project, including acquisition, relocation, demolition, infrastructure, rehabilitation of the garage, the redevelopment of the Windstream offices building, and the development of Tower280 is more than \$192 million. Through this exciting development, Rochester is transforming its downtown with a focused and balanced approach to revitalization.

- 2. Funds received from the sale of the Wegmans Driving Park store that was donated to the City in the amount of \$425,000, are being used to fund the Targeted Commercial Exterior Improvement Grant in the Dewey-Driving Park Urban Renewal District. A storefront renovation project located at 308 Driving Park (Clinton & Ralston Auto Repair) was completed. Recently, two additional renovation projects were completed at 759 Dewey Avenue and 333 Driving Park. This has made a positive impact within the Dewey/Driving park area. The grant program is currently being marketed to other organizations located within the designated area.
- 3. North Plymouth Terrace is a \$6.5 million mixed-use development in the heart of downtown along the west side of North Plymouth Avenue at West Main Street. The development project consists of twenty-four 2.5-story market rate townhomes and an 11,000 square foot 3-story mixed-use building. The development project represents a significant investment in the historic Cascade District and transforms a 1.5 acre parking lot into new mixed-use urban development. The project has increased the downtown residential population and bring more jobs to the neighborhood. The Cityowned property was sold to the developer in May 2011. The project build-out is being completed in phases. The last four townhomes are being completed. The 3-story commercial building was completed. The US Postal Service is leasing space in the mixed-use building bringing 5 new jobs to the downtown location.
- 4. Execution of the Marketview Heights project includes plans for demolition of blighted properties on Lewis Street, and land acquisition for infill housing. The City is working with the nearby business, Ametek, to explore the possibilities of collaboration to build improvements in this neighborhood. Demolition acquisition and relocation is the next activity funded.

#### Rochester Urban Renewal Proceedings for 7/1/16-6/30/17

Date	Resolution No.	Action
11/2016	URA-3	Designating Midtown Parking Garage LLC as qualified and eligible to purchase, operate and maintain portions of the Midtown Urban Renewal District
1/2017	URA-1	Approving the 2015-16 Annual Report of the Rochester Urban Renewal Agency
3/2017	URA-2	Approving the Rochester Urban Renewal Agency 2017-18 annual budget, performance measures for 2017, and performance measures report for 2016
4/2017	URA-3	Designating a joint venture of Buckingham Properties LLC and Morgan Management, LLC, as qualified and eligible to purchase, operate and maintain portions of the Midtown Urban Renewal District

Procurement Contracts Report 7/01/16-6/30/17

(Procurement contracts open during the reporting period with an actual or estimated value of \$5,000 or more.)

The authority has no open procurement contracts for the above time period.

Compensation Report 7/01/16-6/30/17

#### Compensation Schedule

Position	Title & Name of Person holding Position	Salary, Compensation, Allowance and/or benefits provided to any officer, director or employee in a decision making or managerial position whose salary is in excess of \$100,000
		\$100,000

There are no paid officers, directors or employees of the Rochester Urban Renewal Agency.

RURA Properties with estimated fair market value in excess of \$15,000 that RURA intends to dispose of.

The attached list indicates properties held by RURA. We do not have appraisals for most of the properties listed.

Appraisals were completed in December 2016 for both 47 Savannah Street and 15 Manhattan Square Drive. The appraised value was \$360,000 for 47 Savannah Street and \$400,000 for 15 Manhattan Square Drive.

Most of the other parcels listed are "non-buildable" and therefore would likely be conveyed for \$1.00.

The intent to dispose of these properties is dependent upon development opportunities. As appropriate opportunities arise, properties may be disposed of. These actions would be subject to RURA approval.

Other than the projects for which there is a current appraisal, RURA does not have an estimate of fair market value for all such property held at the end of the reporting period.

Rochester Urban Renewal Agency: Real Property Report
