

USE YOUR SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM (SNAP, "FOOD STAMP," "EBT") CARD

AT THE CITY OF ROCHESTER PUBLIC MARKET

Your family deserves the best—fresh, quality, healthy, affordable, delicious food! You can get this all when you shop at the year-round City of Rochester Public Market.

You can use your Supplemental Nutrition Assistance Program (SNAP, "food stamp," "EBT") card to purchase food year-round at the Market. Here's how it works:

- Stop at the Market Token Center (the small white building located behind the Market office) on regular Market days, and use your electronic benefit card (EBT) to purchase \$1 and \$5 wooden Tokens that are used as money at the Market.
- Use your wooden Tokens with Market vendors that display a sign stating "Food Stamp (EBT) Tokens Accepted Here." Change for Tokens is given in Tokens, not cash!
- Receive a 40% bonus on your purchase! You will receive a free \$2 NY Fresh Connect check for every \$5 of SNAP Tokens purchased!

Here's what you can buy with your Tokens:

Fruits and Vegetables
Breads and Baked Goods
Meat, Fish, Poultry, Eggs
Dairy Products, Cheese
Maple and Honey Products
Spices and Herbs
Plants that grow food

The City of Rochester Public Market and Token Center (280 North Union St.) is open year-round:

Tuesdays and Thursdays:
Market open 6 a.m. to 1 p.m.
Token Center open 8 a.m. to 1 p.m.

Saturdays:
