I. GENERAL CONDITIONS

Collectively, the General Conditions and all Appendices set forth in the Table of Contents to this Bid Solicitation are referred to as the “Contract Documents,” and shall become part of the Contract entered into between Owner and the bidder(s) awarded the Contract.

1. Purpose of Bid

Phase 1 of the Rochester Schools Modernization Program (“RSMP”) is a \$325 million, 12-project program governed by the Rochester Joint Schools Construction Board (“RJSCB” or “Owner”) to modernize the Rochester City School District (“RCSD”) schools. The services will be implemented over a five-year period, based on the RSMP schedule developed by the Program Manager (Gilbane/Savin). Owner has hired Vargas Associates to serve as their “Move Manager” for purposes of this request for bids.

The Owner invites bids for qualified professional moving companies to provide moving services for Phase I of the RSMP. The selected bidder (“Mover”) will carry out the relocation plan developed by Move Manager to move contents within the RCSD schools, including equipment, furniture and other items, from their existing locations into temporary “swing space” for the summer of 2015, as well as the relocation of schools already in swing space who will be moving back to their renovated school.

The locations included in this bid request are as follows:

- James Monroe High School (Summer 2015)
- John Marshall High School (Summer 2015)
- RSMP Warehouse (Summer 2015)
- Any other non-school construction-related moves as deemed necessary by the RJSCB.

Moving services are to be coordinated with the RSMP project schedules for each school facility at issue and must conform to the Contract Documents. Mover responsibilities include, without limit, all services outlined in section 4, the Scope of Work document included with the Supporting Information for each school (Appendix F), and the attached purchase order (Appendix H), which will issue by Owner to Mover selected for award of Contract. Other services include compliance with RJSCB-approved budget and schedule, coordination with Owner and RCSD internal departments and outside consultants, as well as monitoring of all required policies and procedures for the proper and successful administration under the direction of the RJSCB.

2. District Information

The RCSD is located in western New York State on the south shore of Lake Ontario and is bisected by the Genesee River. The RCSD has a city population of over 200,000 and a metropolitan population of over 700,000.

The RCSD serves approximately 32,000 students in pre-Kindergarten through grade 12 and an additional 15,000 adult students in continuing education programs. It operates 39 elementary schools, 13 secondary schools, one adult/family learning center, and several alternative education programs. RCSD currently employs approximately 6,000 full-time employees.

3. RJSCB Information

The seven-member RJSCB oversees the RSMP, which is a three-phase joint initiative of the RCSD and the City of Rochester to update and improve school facilities. This estimated \$1.2 billion program is expected to span about 15 years. This Bid applies only to moves required for Summer 2015.

4. Work Scope and Schedule

4.1 Overview

The successful bidder(s) (herein, “Mover”) shall be responsible for the physical moves which will consist of work in the total or part(s) of an affected facility as identified by the Move Manager. These services will include but not be limited to moving, and select storage of building contents, furniture, computers, and other electronic equipment. Mover shall interface with Move Manager and shall not interface directly with end user groups to ensure adherence to the Contract Documents.

This invitation to bid sets forth an approximation of the work required to support the relocation. Movers must also attend a pre-bid walkthrough to assess the full extent of services required by the Contract. It is required that the sales representative along with the onsite move foreman(s) who will manage the move be in attendance at the **pre-bid walkthrough, scheduled for March 19th, 2015, and the Mover Orientation Meeting, scheduled for May 1, 2015.**

The “Move Matrix” prepared by the Move Manager is included for convenience as a reference tool and is by no means a full representation of the move requirements.

The Move Milestone Schedule indicates anticipated move dates or timeframes. RJSCB reserves the right to modify the schedule to accommodate its schedule or that of the RCSD. Coordination meetings will be held with each Moving Company and the Move Manager prior to the start of each phase of moves to discuss the specifics of each planned relocation.

Using its best skills and attention, the selected Mover will provide all expert personnel, labor, supplies, materials, equipment, transportation, and facilities necessary for the successful relocation of all items. The locations that have been identified as both points of origin (i.e., the originating school facility) and points of destination (the appropriate swing space and/or storage facilities) as set forth in this Bid document (see Appendix F – “Supporting Information”).

The Mover is responsible for complying with all building rules, regulations and code of conduct. Smoking is not permitted on school grounds. Swearing and the use of inappropriate language is not permitted. It is mandatory that all members of the Mover’s staff be dressed in company attire and if requested, carry an Owner- or RCSD-approved badge. Those who do not comply with these regulations may be asked to leave the premises. Continued violation is grounds for Contract termination. (Please refer to Section 4.12 for Contractor’s Compliance Regulations for further information.

Bids for moving services should be based on all work and services outlined in the Contract Documents.

The detailed scope of services reflected herein, and including the Appendix and Attachments, should be considered the term of the agreement entered into with Owner (“Contract”) and are non-negotiable.

Revisions to this staffing schedule must be submitted on July 1st, and then again on August 1st. **Move days are typically 8-10 hours in duration, and usually fall between 8:00 AM and 5:30 PM. Instances where after hours work is required may occur, and Mover will be required to support these hours.** A qualified supervisor must be on-site at the RSMP Warehouse during all warehouse work. Sub-contracted staff will not be permitted to work at the RSMP Warehouse without a supervisor from the Moving Company.

These dates are approximate and indicate a timeframe to perform the work, not the number of days required for performance. The RSMP reserves the right to change this schedule if necessary. However, all moving service for all facilities must be completed by no later than **August 21, 2015 (final completion date)** to allow each swing space facility to accommodate the return of students for the school year. Time is of the essence. Should the Mover fail to achieve completion of all services in the time required or within such extended time as may be allowed due to delays not the fault of the Mover, Mover will be liable to the RJSCB for its losses as set forth in the "Terms and Conditions" to the Purchase Order (see Appendix H), and as otherwise specified herein.

During this process, the Mover is required to label all parts and pieces associated with each corresponding office and/or cubicle area. All original components are required to be re-assembled as a group. No mixing of components will be allowed.

The quantity of items to be relocated is not to be solely determined by the information provided in the Move Matrix. By attending the pre- bid walkthrough, the Mover is expected to determine the full extent of all property to be relocated. **Failure to ascertain the full extent of the property to be relocated will not be justification for further compensation to Mover.** Please seek as much information as necessary during the walk-through and via pre-bid email submission of questions for further clarification.

4.4 Inspections

Prior to any move activities starting at a site, a pre-move inspection will be conducted to establish existing conditions of the facility. The Mover is required to attend. After each phase of moves is complete, a post-move inspection will be conducted of each site. A punch list will be prepared summarizing outstanding actions required of the Mover. Actions identified are part of the Mover's scope of work (see Appendix F). The additional punch list items are the Mover's responsibility, with no additional cost to the owner.

In the event that move-related damage is incurred at any point of origin or point of destination, or points in between, the Mover will bear the responsibility for repairs of all damage caused by the Mover.

4.5 Packing Materials, Packing and Unpacking

Packing materials have been purchased and are stored in the RSMP warehouse, located at 1776 N. Clinton Avenue. The Mover will need to deliver boxes, bubble pack and zip lock bags to each school, per the delivery schedule which will be provided to you. Deliveries will be made every other day due to limited on-site storage at the schools. Appropriate quantities of bubble pack and shrink wrap are to be provided by the Mover to ensure proper protection of contents and furniture moves. A minimum of 8 rolls of bubble pack, at approximately 5/16" bubble, 12" wide by 100' long will be necessary. Move labels and packing tape will be provided by others.

Library for this project will require physical packing services to be performed by the Mover. These areas will then require unpacking upon arrival at the swing school. The Mover will conduct this unpacking under the direction of Move Manager using the process already established for the unpacking of RCSD libraries. Materials will be moved in sequential order within moving boxes or library carts. Library carts must be shrink wrapped. Mover will coordinate with Move Manager on the proper labeling and storage of these contents and will be required to document collection order as directed by Move Manager.

The Mover will be responsible for the pick-up, loading of property at the Points of Origin, and transportation of property to the Points of Destination. The Mover will deliver property to the Points of Destination, in the proper room as indicated on the Move Matrix.

The Mover will provide all equipment including, but not limited to, dollies, hand trucks, commercial bins, loading ramps, trucks, library carts, road trailers and any other equipment required to professionally complete the moves. **A minimum of three dedicated large box trucks and potentially two dedicated tractor trailers will be required for this project.** The Mover shall determine the appropriate sizes and quantities to ensure swift completion of each school, each school's dock facilities (if any), as well as other factors that will support a successful implementation of these moves.

During moves, the Mover will have on hand additional trucks, personnel, equipment and any other items needed for this relocation on stand-by in the event of a breakdown or other such cause to insure the successful on-time completion of all relocations.

Mover will take all necessary steps to protect the sending and receiving locations. Protection may include, but is not limited to: Masonite to protect flooring, as well as materials such as quilts and cardboard to protect walls doors and elevators, etc. Points of Destination will require extensive protection including, all floors upon which deliveries will be made. See each scope of work for additional information regarding floor protection. A minimum of 200 linear feet of Masonite will need to be installed at the project site upon Vargas Associates requested date. The remainder of the building will require floor protection with Ram Board measuring a minimum of 38" wide installed by the Mover, in all hallways throughout the receiving location. Ram Board needed for this project will be approximately 2,000 linear feet.

Movers will be responsible for the relocation of kitchen equipment.

Movers will be responsible for the pickup and delivery to 835 Hudson Avenue of the Book Depository Books. This is typically 25 to 35 boxes.

4.6 Protection of Electronic Equipment

The Mover will be responsible for relocating the computer and office equipment. Computers and peripherals will be de-installed and re-installed by others before and after the move. All equipment will be handled with necessary care, packed in padded carts and protected from the elements. Movers must place all items in the appropriate location as identified in the Move Matrix.

Laptop carts can be wheeled onto the moving truck provided they are protected from the elements if necessary. These carts do not transition well over thresholds and therefore will require physical lifting of the carts over thresholds, or proper flooring protection to eliminate the height differential.

No electronic equipment is to be stored in temporary storage locations.

4.7 Box Sequencing and Placement

The Mover will be responsible for placing all property in the new locations at the designated schools/locations. Library contents are to be stored and delivered according to numerical / alphabetical sequence that will coincide with the labeling format put in place for library contents. The Mover will promptly correct any incorrect placements that do not correspond to the floor plan and/or Move Matrix.

4.8 First Business Day Support

After the moves, the Mover shall remove all debris and waste materials that are generated by the unpacking of boxes and belongings. This includes empty boxes, labels, 18x24 zip lock bags, bubble pack, shrink-wrap and any other materials provided for the relocation. The collection of these items will be completed over three to four days per school, and specific dates will be communicated by the Move Manager as the timeframe approaches. Specific requests for removal may be made in as necessary to meet the needs of each school. It will be the responsibility of the Mover to consolidate move boxes and bring to the RSMP warehouse for storage, remove move related debris and waste when requested. An effort will be made to minimize multiple requests.

4.10 Repairs

In the event of move-related damages to any Owner or RCSD property, the Mover must immediately contact the Move Manager to identify the damage. The Mover will be responsible for costs to repair or replace the damage to physical property, furniture, equipment and any contents they have been paid to relocate. In the event of replacement, it will be for current and equal replacement of the item(s). Upon occupancy, end users may potentially identify items damaged in the move. Upon notification by the Move Manager damaged items are to be repaired to the RSMP satisfaction or may require replacement by the Mover.

4.11 Contractor's Compliance Regulations

The Mover is responsible for complying with all building rules and regulations applicable to the Project Site, including safety and emergency procedures, as well as all policies regarding drug-free schools, anti-harassment, non-violence and non-discrimination. 11. RSMP Diversity Program:

The RJSCB recognizes the need to take action to ensure that minority and women-owned business enterprises (WBE's), disadvantaged business enterprises (DBE's), small business enterprises (SBE's), which enterprises are collectively referred to herein as Eligible Business Enterprises (EBE's), as well as minority and women employees and principals, are given the opportunity to participate in the performance

of contracts of the RJSCB. This opportunity for full participation in our free enterprise system by persons traditionally, socially and economically disadvantaged is essential to obtain social and economic equality. Accordingly, the RJSCB fosters and promotes the participation of such individuals and business firms in contracts with the RJSCB. Each firm for this undertaking should acknowledge its understanding and support of the social policy herein stated and will be expected to demonstrate its efforts to solicit the participation of such individuals as partners, and/or employees. In this regard, the RJSCB expects the successful firm to undertake or continue the existing programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

The RJSCB is committed to providing Women, Minorities, and EBE's with equal opportunities in the performance of contracts. In order to achieve the business development goals of the RSMP, each contractor, supplier, professional service firm or other business providing goods or services to the RJSCB pursuant to a contract of \$20,000 or more shall strive to and use best efforts to meet the above stated commitment of the RJSCB regarding the participation and use of Women, Minorities, and EBE's. One of the principal goals of the RJSCB is to support workforce development and the creation of diversification opportunities. As such, all contractors, suppliers, professional service firms and/or other business entities providing goods or services under a RJSCB contract of \$20,000 or more shall agree to comply with the following workforce diversity rules and requirements:

- Minority Workforce: 20% of project personnel, including skilled trades people, trainees, journeymen, apprentices and supervisory staff
- Female Workforce: 6.9% of project personnel, including skilled trades people, trainees, journeymen, apprentices and supervisory staff

The RJSCB is also committed to the meaningful participation of qualified EBE's throughout the RSMP. In order to meet this commitment, all contractors, suppliers, professional service firms and/or other business entities providing goods or services under a RJSCB contract of \$20,000 or more shall agree to engage qualified EBE's to assist in the completion of all work under any such contract. With each contract of \$20,000 or more, the selected contractor, supplier, professional service firm and/or other business entity agrees to provide for the following:

- Minority-Owned Business entities shall participate in a minimum of 15% of each contract or purchase order
- Women-Owned Business entities shall participate in a minimum of 5% of each contract or purchase order
- Disadvantaged Business entities shall participate in a minimum of 2% of each contract or purchase order
- Small Business entities shall participate in a minimum of 5% of each contract or purchase order

The RJSCB reserves the right to revise, adjust and/or modify the above goals for future RSMP contracts. Any firms requiring assistance in meeting the above commitments of the RSMP Diversity Program may contact the Owner's Independent Compliance Officer (ICO), Mr. Brian P. Sanvidge, Baker Tilly Virchow Krause, LLP, at (212)792-4836. Selected Mover(s) will be expected to complete and submit all required DP forms (see Appendix D) to the ICO.

12. Procurement Process:

Pursuant to State Finance Law §§139-j and 139-k, restrictions on communications are in effect between the RJSCB and bidders during the procurement process. **An Offeror/bidder is restricted from contacting the Owner or its agents from the earliest notice of intent to solicit bids through final award and approval of the Contract by the RJSCB (“restricted period”), to other than the RJSCB’s designated representative,** unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j (3) (a). The RJSCB’s procurement officer for this bid and Contract is RJSCB Executive Director, Tom Renauto. RJSCB employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the bidder pursuant to the public bidding laws. Certain findings of non-responsibility can result in rejection for consideration of Contract or future RSMP contracts.

**INSTRUCTIONS FOR COMPLETING
MONTHLY EBE UTILIZATION REPORT (DP-3a/RSMP) FORM**

This form must be submitted on a monthly basis. For the month under consideration, this form must be completed by every contractor/entity providing on-site labor engaged in work associated with the 1st tier contract scope.

For the purposes of completing this form, "on-site labor" is considered to include only labor hours consumed on the Project site in the production of physical work and direct supervision of such on-site work. This would specifically exclude any hours involved in hauling material/equipment deliveries to/from the Project site. The hours involved in the off/on loading of said deliveries would be included only if the personnel involved were not employees of the trucking company.

Example – ABC Contracting is receiving an on-site material delivery from Acme Trucking. Acme's truck driver's hours would not be included on this form, but ABC's personnel who are responsible to unload this delivery would be included. If Acme personnel were responsible to unload this delivery, these hours would be excluded.

For the month under consideration, each 1st tier contractor must submit a completed DP-3/RSMP form for each entity that has provided on-site labor engaged in work associated with the scope of the 1st tier contract. This submission shall be made as part of the monthly payment requisition package and to the ICO. If after the start and prior to the completion of the 1st tier contractor's scope, the 1st tier contractor does not submit a monthly payment requisition package, the 1st tier contractor shall either 1) forward a ("No-Labor") notice advising that there was no on-site labor utilized under its contract scope for the month under consideration or 2) shall forward completed DP-3/RSMP forms for the month under consideration. Whether submitting a monthly payment requisition package or not, DP-3/RSMP forms or "No-Labor" notice must be forwarded to the ICO.

In addition to required submissions noted above, the same submissions must be made by the 1st tier contractor directly to the ICO no later than the 5th day of the following month. (i.e. October 2012 DP-3's/RSMP or No-Labor Notice(s) must be received by November 5, 2012.)

APPENDIX F

March 2015

**James Monroe High School
164 Alexander Street, Rochester, NY**

Scope of Work

Relocation Requirements and General Project Information:

James Monroe High School is presently a grades 7 through 12 High School enrolling approximately 1,200 students. During the summer of 2015, to accommodate the two year reconstruction of their school, Monroe High School students and staff members will be relocated to temporary swing space at John Marshall High School, located at 180 Ridgeway Avenue. Normal school instruction will resume at this swing space location in September.

The Mover will be responsible for internal relocation of furniture at Marshall HS to ready the building for incoming Monroe HS furniture and contents. Mover can expect approximately 50% of existing furniture at Marshall HS will need to be moved internally, disposed of, or relocated to the RSMP Warehouse.

Prior to the start of construction, scheduled to begin in late June 2015, Monroe HS will be emptied of approximately 20% of existing furniture, and all other contents. The remaining 80% of furniture at Monroe HS will be relocated to the RSMP warehouse, located at 1776 N. Clinton Avenue, for long term storage. Staff will also be offered the opportunity to pack and label boxes to be taken to the RSMP warehouse for long term storage. The mover will be responsible for delivering contents and furniture to both locations.

The main office will need to be relocated into Marshall HS, which will include 10-12 personnel. These staff members will need to remain functional throughout the move, with the exception of the timeframe in which they are moving. These contents and equipment will move directly into office space early on August 10, 2015. Relocation of the main office will require handling of sensitive and/or confidential files. The Mover will need to follow specific procedures in this case in order to ensure safe arrival at the final location.

This move will require moving 97 classrooms, and 51 offices to Marshall HS. Monroe HS presently has #150 computers and #25 laptop carts of which will require relocation by the mover. No teacher PCs will be moved by the mover, as these staff members will relocate their own laptop and equipment. There are #25 printers that require relocation to the swing space. Computers will be relocated to Marshall HS computer labs immediately upon removal from Monroe HS. For security purposes, and working in coordination with district IT and Vargas Associates, trucks will be locked down with security seals at Monroe HS and unsealed only upon arrival at Marshall HS.

District staff will be packing the contents of their rooms into pop-up style boxes with color coded labels, both to be provided by others. The mover will be required to pack storage and supply areas throughout the school. This will include any 'community areas' such as the teacher's lounge, PE equipment, book storage rooms, supply areas, etc...

The Monroe High School Library will be relocated on July 1, 2015. The mover will need to adhere to Vargas Associates library move process.

All planned activities are to be accomplished within the scheduled timeframes indicated on the

Monroe HS master schedule. The mover will become familiar with both Monroe HS and Marshall HS to understand the inherent constraints at each location and will coordinate with move manager to mitigate any and all constraints and limitations of same.

For the duration of this project, mover will need to provide at least two (2) crews comprised of at least ten (10) workers each as well as a minimum of three (3) large trucks or tractor trailers that will be dedicated to Monroe HS relocations. Movers will be required to provide three (3) men and a truck for five full business days in late August/early September 2015. Specific dates will be used as these moves approach.

The RSMP Warehouse will undergo a pre-move clean out, and organization by the Mover during the month of June prior to the relocation of Monroe HS. The exact date will be announced at a later time. A second warehouse clean out must be completed July 7 – 10th. Both will involve disposal, recycling, and reorganization of warehouse contents as instructed by the on-site Vargas Associates representative. Recycled metal will be delivered to the Metalico Rochester recycling center located at 50 Portland Avenue. Checks received by Mover from Metalico must be surrendered to Vargas Associates at the end of every day.

APPENDIX H

INSTRUCTIONS TO BIDDERS

- 1.0 RECEIPT AND OPENING OF BIDS: The Rochester Joint Schools Construction Board ("RJSCB"), herein referred to as "Owner," invites bids for RSMP moving services as set forth in the Contract Documents to which these Instructions are appended. Bids will be received by the Owner at the office of the Executive Director, Thomas Renauto, 1776 North Clinton Avenue Rochester, New York 14621 until **1:00 p.m. on March 25, 2015** and at said time and place publicly opened and read aloud. Bidders must provide one original and twelve (12) hard copies of their entire bid submission. The envelopes containing the bids must be sealed, addressed to the attention of Thomas Renauto and labeled: **RSMP Move Services Bid**.

The agreement entered into between the Owner and the successful bidder(s) ("Mover(s)") (herein, "Contract") shall be for work associated with Phase 1a of the Rochester Schools Modernization Program ("RSMP") and shall conform to the terms of the Contract Documents published with the Bid Solicitation, including any Owner-issued addenda thereto.

1.1 BID CONDITIONS:

- .1 Owner reserves the right to reject any or all bids received.
- .2. INFORMALITIES: The Owner may consider any bid not prepared and submitted in accordance with the provisions hereof to be informal, and may waive any informalities in or reject any and all such bids. Conditional bids will not be accepted. Any bid may be withdrawn prior to the above scheduled time for the opening of bids or authorized postponement thereof. No bidder may withdraw a bid within 45 calendar days after the actual date of the opening thereof.
- .3 BID INTERPRETATIONS: Bid amounts are required to be submitted both in writing and in figures. In the event of conflict, the written amount shall take precedence over the amount expressed in figures.
- .4 PRICE REGULATIONS: By placing a bid under these instructions, the bidder certifies that the prices therein are in accordance with all New York State and United States laws and regulations.

- 1.2 LATE BIDS: Formal bids, amendments thereto, or requests for withdrawal of bids received by the Owner after the time specified for bid opening will be date-stamped as evidence of late arrival and returned to the bidder unopened. The bidder assumes the risk of any delay in the mail or other delivery method. The time clock located in the Executive Director's office is designated the official

timepiece for submission of bids. BIDS MUST BE SUBMITTED IN THE OWNER'S EXECUTIVE DIRECTOR'S OFFICE IN HARD COPY BY THE ABOVE DEADLINE.

2.0 PREPARATION OF BIDS: Bids must be submitted on the prescribed form as set forth in the Move Services Bid Solicitation. All applicable blank spaces must be filled in, in ink. Unless otherwise noted, all bid prices must be expressed in both writing and in figures in the event of conflict, the written amount shall take precedent over the amount expressed in figures.

.1 BID SUBMISSION: All bids must be submitted in sealed envelopes bearing, on the outside, the time bids are to be opened, the type of work, and the name and address of the bidder. **Facsimile or email bids will not be accepted.**

.2 EXAMINATION OF PREMISES: The submission of a bid will be considered as evidence that the bidder has examined the premises and acquainted himself/herself with present conditions under which he/she will be obliged to operate and that will affect in any manner the work to be done. A mandatory pre-bid walk-through will take place as described in Section 6.1 of the Move Services Bid Solicitation. All proposals shall take into consideration all conditions that may affect the work of the Contract. No allowance will be made subsequently on behalf of the Mover for any error, omission or negligence on his/her part.

.3 SCHEDULING: All bidders are required to confirm the anticipated move schedule to avoid all possible schedule conflicts with building operation, RSMP construction activities, special events, etc. prior to submittal of bid. Please refer to the the milestones and dates as denoted in Section 4.2 of the Move Services Bid Solicitation.

3.0 DISCREPANCIES: If any bidder should find a discrepancy, conflict, omission or mistake in the Contract Documents, it shall direct the same to the attention of the Executive Director, in writing at the email address provided for questions, not later than three (3) days before the bids are due. If Owner determines that clarification is necessary, it will issue the appropriate addenda. Neither the Owner nor its representatives/consultants will be responsible for any oral instructions given during the bidding period. If inconsistencies or mistakes as to quantity or quality of work are not brought to the attention of Owner prior to bid, then the amount of services or products of greater value or quality will apply.

4.0 ADDENDA AND INTERPRETATIONS: No interpretations of the meaning of the Contract Documents will be made orally. Bidders must disregard any oral term or provision that conflicts with the Contract Documents and is not reduced to an addendum or other written modification by Owner. Every question or request for interpretation during the bidding period shall be submitted via email to Owner at:

move@rjscb.org by **Noon on Friday, March 20, 2015** to be given consideration. Any and all such interpretations and all supplemental instructions will be in the form of written addenda and will be posted at the Dataflow and Bidnet websites where the Bid Solicitation was first made available. Although the hosting service may provide for automated emails to potential bidders having downloaded the Contract Documents, all bidders are responsible for obtaining the addenda from the hosting services directly or verifying receipt of all addenda issued by Owner by close of business on **Monday, March 23, 2015**. Failure of any bidder to receive any Owner-issued addendum shall not relieve any bidder from any obligation under this bid as submitted. All addenda so issued shall become part of the Contract Documents and bids will be deemed to include the terms of the addenda, whether or not actually received by bidder, provided however that a failure of the hosting service or Owner error directly impacting bidder's ability to receive addenda before the close of bidding, if proven by bidder, will be grounds for withdrawal of the bid upon prompt discovery and notification of such error.

5.0 CERTIFICATE OF NON-COLLUSION IN BIDDING: To comply with Section 103-d of the General Municipal Law of the State of New York, all bidders are required to sign a statement regarding non-collusive bidding. This statement has been made a part of the Contract Documents to be submitted with the bid (see Appendix I to Bid Solicitation).

.1 DISCLOSURE: A bid shall not be considered for award nor shall any award be made where the signed Certification of Non-Collusion in Bidding is not provided or has not been properly complied with. If the Bidder cannot make this Certification, it shall so state and shall furnish with the bid a signed statement which sets forth in detail the reasons therefor. If parts (.1), (.2) and (.3) of the form of Certification (Appendix I) have not been complied with, the bid shall not be considered for award of Contract, unless the Owner determines that such disclosure was not intention ally made for the purpose of restricting competition.

.2 PRICING INFORMATION: The fact that a bidder, (A) has published price lists, rates or tariffs coveting items being procured, (B) has informed prospective customers of proposed pending publication of new or revised price lists of such items being bid, does not constitute without more, a disclosure within the meaning of the required certification.

6.0 RESPONSIBLE BIDDER: The Owner has developed the following guidelines for the determination of public works contract responsibility consistent with the duties of contracting agencies and the court interpretations of State law and regulations governing competitive bidding in the belief that the public interest would be served by the uniform application of these guidelines on Owner public works contracts:

6.1 In determining the responsibility of a bidder for a public works contract, the Owner shall consider the following items:

- A. Lack of proper certification, adequate expertise, prior experience with comparable projects, or financial resources to perform the work of the contract in a timely, competent and acceptable manner. Evidence of such lack of ability to perform may include, but shall not be limited to, evidence of suspension or revocation for cause of a professional license of any director or officer, or any holder of five percent (5%) or more of the bidders stock or equity; failure to submit satisfactory evidence of insurance, surety bond or financial responsibility; the status of bankruptcy petitions; suspension or debarment by state or federal government; or a history of termination of prior contracts for cause.
- B. Criminal conduct in connection with government contracts or business activities. Evidence of such conduct may include a judgment of conviction or information obtained as a result of formal grant of immunity in connection with criminal prosecution of the bidder, and any director or officer, or holder of five percent (5%) or more of the shares or equity of the bidder, or any affiliate of the bidder.
- C. Violations of safety and/or training standards as evidence by a pattern of OSHA violations or the existence of willful OSHA violations.
- D. Willful non-compliance with the prevailing wage and supplements payment requirements of the Labor Law by the bidder or any affiliate of the bidder.
- E. Any other significant Labor Law violation, including, but not limited to, child labor law violations, failure to pay wages, or unemployment insurance tax delinquencies.
- F. Any significant violation of the Worker's Compensation Law, including, but not limited to the failure of a bidder to provide proof of worker's compensation or disability benefits coverage.
- G. Any criminal conduct involving violations of the Environmental Conservation Law or other federal or state environmental statutes or regulations.
- H. Any criminal conviction concerning formation of, or any business association with, an allegedly false or fraudulent Women's or Minority Business Enterprise (W/MBE), or any denial, de-certification, revocation or forfeiture or W/MBE status by New York State.
- I. Any adverse determinations or administrative rulings by the Equal Employment Opportunity Commission and/or the New York State Human Rights Division that the bidder engaged in unlawful or discriminatory conduct.
- J. Any other cause of so serious or compelling a nature that it raises questions about the responsibility of a bidder, including, but not limited to submission to the Owner of a false or misleading statement on a

sworn statement of bidder qualifications, or in some other form, in connection with a bid for or award of a contract.

- K. In addition to the factors specified above, the Owner may also give due consideration to any other factors considered to bear upon bidder responsibility, including but not limited to, any mitigating factors brought to the Owner's attention by the bidder.

6.2 QUALIFICATION OF BIDDERS: A bidder can be judged qualified only for the type of work in which it has demonstrated competence. The Owner will make such investigation it feels necessary to determine the competency of the bidder to perform the work for which he has submitted a bid upon review of the Statement of Bidder Qualifications included with the bid. The bidder must furnish promptly all further information the Owner requests to reasonably assess bidder's qualifications. The successful bidder will, at minimum, have successfully completed three (3) prior projects of similar size and scope to this Contract.

- .1 A sworn "Statement of Bidder Qualifications" with the information required in Section 5 of the General Conditions shall be submitted by all bidders. The Owner shall use the information contained in the sworn statement in making a determination of bidder responsibility before awarding the Contract. Any untrue representations made on the aforementioned form shall be grounds for immediate termination of the Contract. The Owner shall also use the information contained in the sworn statement to determine the adequacy of staffing for determining the awards for move groups 1 through 4 as designated in Section 6 of the Contract Documents.

7.0 BID SECURITY: Each bid must be accompanied by the certified check or bank draft of the bidder made payable to the "Rochester Joint School Construction Board," or by a bid bond prepared in the form of Bid Bond attached, duly executed by the bidder as principal, and having as surety thereon a surety company authorized to do business in the State of New York approved by the Owner in an amount not less than five percent (5%) of the amount of the bid. Bid security will be returned to all except the three lowest formal bidders within seven (7) business days after the formal opening of bids. All remaining checks will be returned by certified mail to the three lowest bidders within seven (7) business days after the Owner and the accepted bidder have executed the Contract or if no Contract has been so executed, within 45 calendar days after the date of the opening of the bids, upon demand of the bidder thereafter, unless it has received notice of the acceptance of its bid.

8.0 LIQUIDATED DAMAGES FOR FAILURE TO ENTER INTO CONTRACT: The successful bidder, upon failure or refusal to execute and deliver the Purchase Order, payment and performance bonds, insurance certificates, RSMP Diversity Program (DP) Forms, or other information required by the Contract Documents within the timeframe specified therein, or within 10 days of receiving notice of

bid acceptance, whichever time period is shorter, shall forfeit to the Owner, as liquidated damages its bid security.

- 9.0 OBLIGATION OF BIDDER: At the time of the opening of bids, each bidder will be presumed to have inspected the site(s) where services will be performed and to have read and to be thoroughly familiar with the Contract Documents, including all addenda and other approved modifications. The failure or omission of any bidder to receive or examine any form, instrument, or document shall in no way relieve any bidder from any obligation in respect to his bid.
- 10.0 AWARD OF CONTRACT: A contract will be awarded, it all, to that qualified, responsive and responsible bidder whose bid and prices for Alternates accepted by the Owner, if any, total the lowest number of dollars, subject to the limitation that bidders may bid on all move groups, but Owner may limit award to one move group per bidder. The groups were created by the RJSCB in consultation with its "Move Manager" (Vargas Associates, Inc.) based upon the logistics and timing of the moves and the size of the moves. The RJSCB has the discretion to decide to award more than one group to a given low bidder as set forth in the General Conditions.
- .1 Owner will notify the succesful bidder within two (2) days after Owner decides to award the Contract thereto.
- 11.0 CONDITIONS OF THE CONTRACT: The terms and conditions set forth in the Contract Documents will apply to the Contract entered into between Owner and Mover. The Owner's failure to insist on Mover's performance with regard to any particular term, condition, or requirement of the Contract shall not function as a waiver or preclude the Owner from enforcing such term, condition or requirement going forward.
- 12.0 TAX EXEMPTION: Bidders shall not include in their bid the sales and compensating use taxes of the State of New York or of any City or County in the State of New York for any materials, which are to be incorporated into the structures or landscape. The New York State Department of Taxation and Finance does not issue tax exemption numbers to government entities. Completion of any type of exempt organization certification form is, therefore, not required. An official Purchase Order issued to the vendor by a government entity is the only evidence required by the state to substantiate an exempt sale to a government purchaser.
- 12.1 WAGE RATES: The attention of bidders is called to the wage rates applicable to work performed under this Contract, as set forth in Section 6.4 of the Move Services Bid Solicitation. The Mover and every subcontractor shall post in prominent and accessible places on the site of the work legible statements of all

wage rates as specified in the Contract to be paid for the various classes of laborers, workmen and mechanics employed on the work.

12.2 STATE LAWS AND REGULATIONS: The bidder's attention is directed to the following instructions and information regarding construction operations, contracts and references to the provisions of law applicable in New York State.

- .1 NON-DISCRIMINATION: Mover must abide by the non-discrimination and equal employment opportunity policies established for RSMP projects, and must otherwise comply with all state, federal and local laws having jurisdiction over the work of this Contract. The Contract may be canceled or terminated by the Owner for cause upon a violation of the non-discrimination policy or for violation of any applicable laws.
- .2 EFFECT OF FAILURE TO TESTIFY BEFORE GRAND JURY: Pursuant to the requirements of Section 103-A of the General Municipal Law of the State of New York, the following clause is inserted herein and is made a part of the Contract:
 - A. Upon the refusal of a person, when called before a grand jury to testify concerning any transaction or contract had with the state, any political subdivision thereof, or a public authority to sign a waiver of immunity against subsequent criminal prosecution or to answer any relevant question concerning such transaction or contract. Such person, and any firm, partnership, or corporation of which he is a member, partner, director or officer shall be disqualified from thereafter selling to, or submitting bids to, or receiving awards from, or entering into any contracts with any municipal corporation or any public department, agency, or official thereof, for goods, work, or services for a period of five years after such refusal; and any and all contracts made with any municipal corporation or any public department, agency or official thereof, since July 1, 1959, by such person, and by any form, partnership, or corporation of which he is a member, partner, director, or officer, may be cancelled or terminated by the municipal corporation without incurring any penalty or damages on account of such cancellation or termination; but any monies owing by the municipal corporation for goods delivered or work done prior to the cancellation or termination shall be paid.

12.3 WORKFORCE DIVERSITY AND EQUAL EMPLOYMENT OPPORTUNITIES: The Owner recognizes the need to take action to ensure that minority and women-owned business enterprises (W/MBE's), disadvantaged business enterprises (DBE's), small business enterprises (SBE's) and minority and women employees and principals are given the opportunity to participate in the performance of contracts entered into with the Owner. This opportunity for full participation in

our free enterprise system by persons traditionally, socially and economically disadvantaged is essential to obtain social and economic equality. Accordingly, the Owner fosters and promotes the participation of such individuals and business firms in contracts with the Owner. Therefore, Mover and all subcontractors must fully comply with the requirements set forth in Section 11 of the Move Services Bid Solicitation and shall complete the forms and certification procedure attached herewith, and use good faith efforts to attain the diversity and workforce utilization goals stated therein. Owner reserves the right to revise, adjust and/or modify the stated goals for contracts awarded at a later date as part of the RSMP. Mover compliance with these requirements and related obligations will be monitored by Owner's Independent Compliance Officer (ICO).

- 13.0 WORK REQUIREMENTS: Each bidder must inform itself fully of the conditions relating to conditions at and under which work is to be performed. Failure to do so will not relieve Mover of the obligation to furnish all material and labor necessary to complete Contract work for the consideration set forth in its accepted bid and resulting Purchase Order.

.1 The Mover must employ such methods or means in performing the Contract as will not cause any interruption of or interference with the work of any other separate contractor of Owner. Mover should undertake to perform the Contract in the shortest possible time consistent with good and workmanlike construction and applicable safety standards.

The Purchase Order is subject to the attached “Terms and Conditions of Purchase Order,” which are incorporated herein and made a part hereof, together with all terms and conditions set forth in the Move Services Bid Solicitation and all attachments identified therein

TERMS AND CONDITIONS OF PURCHASE ORDER

1. **Acceptance.** Buyer (also referred to as “Owner” or “RJSCB”) shall not be bound by this Purchase Order unless and until Supplier (also referred to as “Mover”) executes and returns to Buyer the acknowledgement copy of this Purchase Order within 10 days of Supplier’s receipt. Supplier shall be bound by this Purchase Order when it executes and returns to Buyer the acknowledgement copy of this Purchase Order or when Supplier engages in conduct which recognizes the existence of a contract, including shipment of any part of this Purchase Order.

2. **Complete Agreement.** Acceptance of this Purchase Order includes acceptance of the terms and conditions stated herein, and as set forth in the Move Services Bid Solicitation, together with any attachments, appendices, and addenda. The aforesaid terms and conditions shall constitute the complete and exclusive statement of the agreement between Buyer and Supplier (“**Contract**”) with respect to the products (the “**Products**”) and/or services (the “**Services**”) provided by Supplier hereunder. To the extent that the terms and conditions stated in this Purchase Order differ from those set forth in the Move Services Bid Solicitation, the terms of the Move Services Bid Solicitation shall take precedence. Reference to Supplier’s bids or proposals, if noted on the first page of this Purchase Order, shall not affect the provisions hereof, unless specifically provided to the contrary in the Move Services Bid Solicitation. No other agreement, invoice, or quotation or any acknowledgment of Supplier in any way modifying any of the provisions of this Purchase Order or Move Services Bid Solicitation or adding additional terms or conditions will be binding upon Buyer unless in writing and signed by Buyer’s authorized representative.

3. **Delivery; Packaging and Shipping.** TIME IS OF THE ESSENCE OF THIS PURCHASE ORDER. If delivery of Products or rendering of Services is not completed by the time provided for or established herein, Buyer reserves the right without liability, in addition to and without waiving any of its other rights and remedies provided herein or at law or equity, to terminate this Purchase Order as to any or all Products not yet shipped or Services not yet rendered, and to purchase substitute Products or Services elsewhere and charge Supplier with any loss or damage incurred by Buyer. Buyer further reserves the right to recoup from Seller its actual direct and losses resulting from Seller’s failure to timely perform the Contract, including but not limited to costs of renting or purchasing other equipment or facilities to fulfill the purpose of the Contract in the time specified therein. Shipments shall

be delivered FOB to Buyer’s receiving site specified on the face of this Purchase Order, unless modified by Owner prior to performance.

4. **New Materials.** Supplier represents that the Products are new (not used or reconditioned, and not of such age or so deteriorated as to impair their usefulness or safety).

5. **Title to Goods; Risk of Loss.** Unless otherwise explicitly provided for in this Purchase Order, title and risk of loss to Products shall pass to Buyer only at the time and place of delivery and following written acceptance by Owner’s representative as set forth in the Contract.

6. **Inspection; Rejection of Goods; Payment.** All Products furnished hereunder shall be subject to inspection and approval at Buyer’s location. Buyer may reject or require the prompt correction, in place or otherwise, of any Products which are found not to conform in all respects to (a) Buyer’s specifications, drawings, blueprints and data, (b) Supplier’s warranties, whether express or implied, or (c) any other instructions or requirements contained in this Purchase Order. Payment for any or all of the Products or Services supplied hereunder shall not constitute acceptance by Buyer.

7. **Indemnification.** To the fullest extent permitted by law, Supplier shall defend, indemnify and hold harmless Buyer, the City of Rochester, the Rochester City School District, County of Monroe Industrial Development Agency (“COMIDA”); U.S. Bank National Association, the Trustee under the Indenture of Trust relating to the financing of the Project (“Trustee”); Gilbane Building Company, Savin Engineers P.C., and Vargas Associates Inc., and their respective officers, directors, employees and agents (collectively, the “**Indemnified Parties**”), from and against any claims, actions, losses, costs, damages, liabilities or expenses of any nature (including reasonable attorneys fees and costs) arising from or in connection with any actual or alleged (a) violation of any Law (as defined in Section 12) committed by Supplier, its agents, representatives, employees, or subcontractors, or any of their respective agents and employees (collectively, “**Supplier Indemnifying Parties**”); (b) breach of representations, warranties, covenants or other obligations of Supplier under this Purchase Order; (c) any act or omission of any Supplier Indemnifying Parties; or (d) manufacture or delivery of Products or performance of any Service hereunder, except to the extent that any such injury or damages are due directly and solely to the negligence of the Indemnified Parties.

8. **Insurance Requirements and Certificate of Insurance.** Supplier agrees that prior to the delivery of any Products or completion of any Service, Supplier and all of its subcontractors involved in providing any Products or Services hereunder will obtain the following minimum insurance coverages:

(a) Workers’ Compensation Insurance covering all employees engaged in providing Products or Services hereunder in accordance with the statutory requirements of the applicable jurisdictions;

(b) Commercial General Liability Insurance (including contractual liability coverage and completed operations coverage) with a combined single limit of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate;

(c) Comprehensive Automobile Liability Insurance, covering the use of all owned, non-owned, and hired automobiles used in connection with the delivery of Products and Services hereunder, both on and off the Buyer’s premises, with combined single limit of not less than \$1,000,000; and

(d) Excess Liability Insurance above the amounts specified in (b) and (c) in the amount of \$5,000,000 for Suppliers and \$2,000,000.00 for any subcontractor to Supplier.

(e) Any other insurance required of Supplier as is set forth in the Contract.

Supplier and its subcontractors shall maintain such insurance, at their own cost and expense, throughout the term of this Purchase Order. Supplier shall provide Buyer with certificates of insurance evidencing such insurance for itself and its subcontractors prior to the start of work. The above insurance must be purchased from insurers licensed, admitted, and authorized to write insurance in New York State (or such other place as Work is performed) and is A.M. Best Rated “A-” or “Better.” Each of the following shall be named as **Additional Insureds on a Primary and Non-Contributory basis** for such insurance (other than Workers’ Compensation and Employer’s Liability Insurance): the Rochester Joint Schools Construction Board (“RJSCB” or “Owner”); Vargas Associates, Inc. (“Move Manager”); Rochester City School District (“RCSB”); the City of Rochester (“City”); County of Monroe Industrial Development Agency (“COMIDA”); U.S. Bank National Association, the Trustee under the Indenture of Trust relating to the financing of the Project (“Trustee”); Gilbane Building Company and Savin Engineers P.C. (“Program Manager”), (herein, the “Additional Insureds”).

Notwithstanding the foregoing, Supplier's subcontractors are not required to name the Additional Insureds on a Primary and Non-Contributory basis on their Umbrella (Excess) Liability Insurance policies, but shall do so for all other required insurance. Supplier/Mover and all its subcontractors shall indicate Additional Insureds through ISO endorsement GC 2010 11 85 or equivalent endorsement acceptable to Buyer; provided, however, that if said endorsement is unavailable, then GC 20 37 07 01 shall also be required. All policies shall incorporate a provision requiring the giving of written notice to Buyer at least thirty (30) business days prior to the cancellation, non-renewal or modification of any such policies. Insurance must be written on an occurrence basis and maintained without interruption from the date of commencement of work until the date of final payment, or such longer period for which any coverage is required.

9. **Warranties.** Supplier warrants that all Products to be furnished hereunder will have clear title and will not infringe on the patent or other intellectual property rights of any other party; will conform to the descriptions, designs, specifications for the Products (including, without limitation, any specifications set forth on the face of this Purchase Order); will perform as specified herein and will be merchantable, of good quality, and free from defects in material, design and workmanship (including damage due to unsatisfactory packing by Supplier); and to the extent that Supplier knows or has reason to know of the purpose for which the Products are intended, will be fit for such purpose. Supplier warrants that all Services will be performed in a competent, diligent, workmanlike and professional manner. The warranties contained herein shall run to Buyer and its customers and users of Buyer's Products or Services, and shall survive inspection, installation where applicable, acceptance and payment. The warranties set forth herein shall be in addition to any warranties of additional scope given to Buyer by Supplier.

10. **Pricing.** Product and Services rates (the "**Prices**") are set forth on the first page of this Purchase Order. Prices are firm, fixed prices, and include all fees and tariffs. Unless otherwise noted on the face page of this Purchase Order, Buyer is exempt from all sales and compensating use tax of the State of New York or of any City or County in the State of New York, and Supplier shall not include any such taxes in the Prices or on any invoice issued to Buyer.

11. **Invoices.** Seller may invoice Buyer upon each delivery of a shipment of Products, and with respect to Services, upon their completion or monthly, in accordance with this Contract.

Invoices will be payable in full 45 days from the date of invoice and acceptance by Owner.

12. **Compliance with Laws.** Supplier warrants that all Products and Services will be produced or performed in compliance with all applicable local, federal and state laws, rules and regulations, including without limitation, those pertaining to working conditions, payment of labor, and manufacture, branding, labeling, registration and shipment of goods (collectively, "**Laws**").

13. **Termination.** In addition to any other grounds for termination set forth herein, the Contract and Purchase Order may be terminated as follows: (a) if the Seller breaches any material term of the Contract, the Buyer may terminate the Contract and Purchase Order if the Seller does not cure its breach within seven (7) days after receipt of written notice from the Buyer or its Move Manager specifying the breach; (b) by Buyer pursuant to Section 14; or (c) by either party in the event the other party makes an assignment for the benefit of creditors, or commences or has commenced against it any proceeding in bankruptcy, insolvency or reorganization pursuant to the bankruptcy or similar laws of any jurisdiction, and such proceeding is not dismissed within 60 days of its filing. Upon termination of this Contract and Purchase Order for any reason, Buyer shall pay to Supplier the price provided in the Purchase Order for all Products which have been delivered and all Services which have been completed prior to termination and which are accepted by Buyer in accordance with this Purchase Order. However, in the event of a material breach of Contract and termination of Seller, the Buyer shall be entitled to use any remaining balance of funds available to secure replacement Products or Services. Seller shall be liable to the extent that the cost of such replacements exceed the remaining balance of the Purchase Order.

14. **Force Majeure.** Notwithstanding anything to the contrary herein, neither party shall be liable for delay or failure in the performance of any of its Contract obligations if and to the extent such delay or failure is due to circumstances beyond the reasonable control of such party (event of "force majeure"), including but not limited to fires, floods, explosions, accidents, acts of God, war, riot, terrorism, strike, lockout or other concerted acts of workers, and acts of government; provided, however, that the party claiming that a force majeure event has affected its performance shall give notice to the other party within five (5) days of becoming aware thereof. The party giving such notice shall use its best efforts to eliminate or prevent the cause so as to continue performing its Contract obligations. If an event of force majeure, as described in this Section 14, affects Supplier and

lasts for longer than twenty (20) days, Buyer may, in addition to any other remedy available to Buyer herein or at law or equity, terminate this Purchase Order without liability, except for payment for deliveries made prior to termination and which have been accepted by Buyer.

15. **Assignment.** Neither this Purchase Order nor any payment hereunder is assignable or transferable by Supplier without Buyer's prior written approval. Any attempted assignment in violation of this Section shall be null and void.

16. **Governing Law.** This Purchase Order shall be governed by, construed and interpreted in accordance with the laws of the State of New York, without regard to its conflict of laws rules. The exclusive jurisdiction and venue of an action with respect to the subject matter of this Purchase Order shall be the County of Monroe, State of New York.

17. **RSMP Diversity Program.** Supplier is expected to use its best efforts to meet the diversity and equal employment opportunity goals and must document its efforts by completing and submitting diversity compliance documents ("DP forms") to the Owner's "Independent Compliance Officer" ("ICO"), as set forth more fully in the Move Services Bid Solicitation. Supplier's failure to adhere to the RSMP Diversity Program goals shall be grounds for remedial action by Buyer, including suspension or termination of Contract, declaration of non-responsiveness of Seller, rejection of future bids by Seller, finding of Seller ineligibility for future RSMP contracts, and/or withholding of payment.

APPENDIX N

Resolution 2012-2013: 126

Revision to Resolution 2012-2013: 107 Bar of MDI from future Phase 1 Contracts

By Board Giess

WHEREAS, the Rochester School Facilities Modernization Program Act (“the Act”) established the Rochester Joint Schools Construction Board (“RJSCB”), a seven voting member board consisting of equal representation by the City of Rochester (“City”) and the Rochester City School District (“District”), as well as a member jointly selected by the City and the District; and

WHEREAS, under the Act, the RJSCB has certain enumerated powers to act as agent for the District, the City, or both; and

WHEREAS, Vargas Associates (the “Move Management Consultant”), with the advice of the RJSCB’s Executive Director and its general counsel, prepared a request for qualifications/bids (“Request for Bids”) package for furniture and equipment moves in preparation for the start of construction at four of the Phase 1 schools (School 17, School 50, School 58, and Charlotte High School); and

WHEREAS, the RJSCB authorized the release of the Request for Bids at its monthly meeting on April 9, 2012 (Resolution 2011-12: 91); and

WHEREAS, the Executive Director received bids on May 15, 2012, and those bids were subsequently publicly opened and read aloud at the location stated in the Request for Bids; and

WHEREAS, the Program Manager, Move Management Consultant and Independent Compliance Officer (“ICO”) reviewed the bids submitted, conducted de-scoping meetings, and concluded that the apparent low bidder for each scope of work package was also a qualified and responsible bidder; and

WHEREAS, the RJSCB developed, approved and adopted a preliminary diversity plan (“Diversity Plan”) designed to increase the number of minority and women owned businesses entities as well as small business and disadvantaged entities contracting with the RJSCB to perform work on the various projects for the RSMP; and

WHEREAS, the Request for Bids included the diversity goals from the Diversity Plan and stated that each company providing services on the projects for the RSMP needed to comply with the goals and submit the utilization plan and other forms which were attached to the Request for Bids; and

WHEREAS, MDI represented throughout the bid process and during de-scoping meetings that it was aware of, understood and would comply with the diversity goals as outlined in the Diversity Plan and included in the Request for Bids; and

WHEREAS, MDI indicated in its sworn statement of bidder qualifications (“Sworn Statement”), dated May 14, 2012, and its contract documents, on form DDP-1, dated July 2, 2012, that it would comply with the diversity goals by utilizing the services of certain minority-owned, women-owned and small business entities; and

WHEREAS, based in part upon the representations made in its bid and contract documents concerning its agreement to comply with the diversity goals set forth in the Diversity Plan, the RJSCB issued a

purchase order to MDI (Resolution 2011-12: 102) (the “Contract”) to perform the scope of services defined in the contract documents for moving services; and

WHEREAS, the RJSCB has concluded that MDI willfully failed to utilize the services of any minority-owned, women-owned or small business entities in violation of its contractual obligations and in direct contradiction with MDI’s utilization plan in the form DDP-1 dated July 2, 2012, and signed by MDI’s CEO, Frank Zemer; and

WHEREAS, under the penalty provisions set forth in the Diversity Plan, the RJSCB, through its ICO, has certain enumerated powers to address the willful failure of a prime contractor, supplier, professional service firm or other business providing goods or services to the Program, to comply with the goals and provisions of the Preliminary Diversity Plan; and

WHEREAS, the RJSCB considered and discussed the above at its monthly Board meeting on February 4, 2013, and subsequently approved Resolution 2012-2013: 107 designating MDI as a non-responsive bidder for all future contract bid in Phase 1 of the RSMP; and

WHEREAS, following the approval of Resolution 2012-2013: 107, the Move Management Consultant brought certain concerns to the attention of the Program Manager relating to the possibility of MDI participating as a subcontractor, vendor, or supplier to another prime contractor or the possibility of another named firm owned or managed by the same Officers and Directors of MDI participating in future contracts; and

WHEREAS, the RJSCB MWBE and Services Procurement Committee further discussed the concerns raised by the Move Management Consultant related to MDI’s participation in future contract bids at its meeting on February 28, 2013;

THEREFORE, BE IT RESOLVED:

1. Move, Design & Installation Services (MDI), or any of its Officers and/or Directors, is hereby designated a non-responsive bidder for all future contract bids in Phase 1 of the RSMP.
2. Any other firm owned in full by Move, Design & Installation Services (MDI) or any of its Officers and/or Directors, or managed in whole or in part by any Officer and/or Director of MDI, or in which MDI or any Officer and/or Director of MDI has a controlling interest, is hereby designated a non-responsive bidder for all future contract bids in Phase 1 of the RSMP.
3. Any prime bidder for any future contract bid issued by the RJSCB for Phase 1 of the RSMP who includes Move, Design & Installation Services (MDI), or any firm owned in full by Move, Design & Installation Services (MDI) or any of its Officers and/or Directors, or managed in whole or in part by any Officer and/or Director of MDI, or in which MDI or any Officer and/or Director of MDI has a controlling interest, as a subcontractor, vendor, supplier, or joint venturer will be designated a non-responsive bidder.
