How to Get a Residential or Employee Permit: The location for getting Corn Hill parking permits is the Parking and Municipal Code Violations office at 42 South Avenue. This office is located along the side of the South Avenue Garage. The garage is next to the Hyatt Hotel, which is located downtown at the corner of East Main Street and South Avenue.

The Parking and Municipal Code Violations office accepts payment for Corn Hill permits and passes Monday through Friday (except holidays) from 8:30 a.m. to 4:45 p.m.

Corn Hill residents, business owners and employees, and property owners who wish to get a parking permit as explained above can apply for a permit by downloading an application from the City of Rochester website. Applications are also available at the cash window of the Parking and Municipal Code Violations office. Documents needed with an application, a fee schedule, and replacement costs are listed on the application; this information is online at <http://www.cityofrochester.gov/parkingspecialprograms>

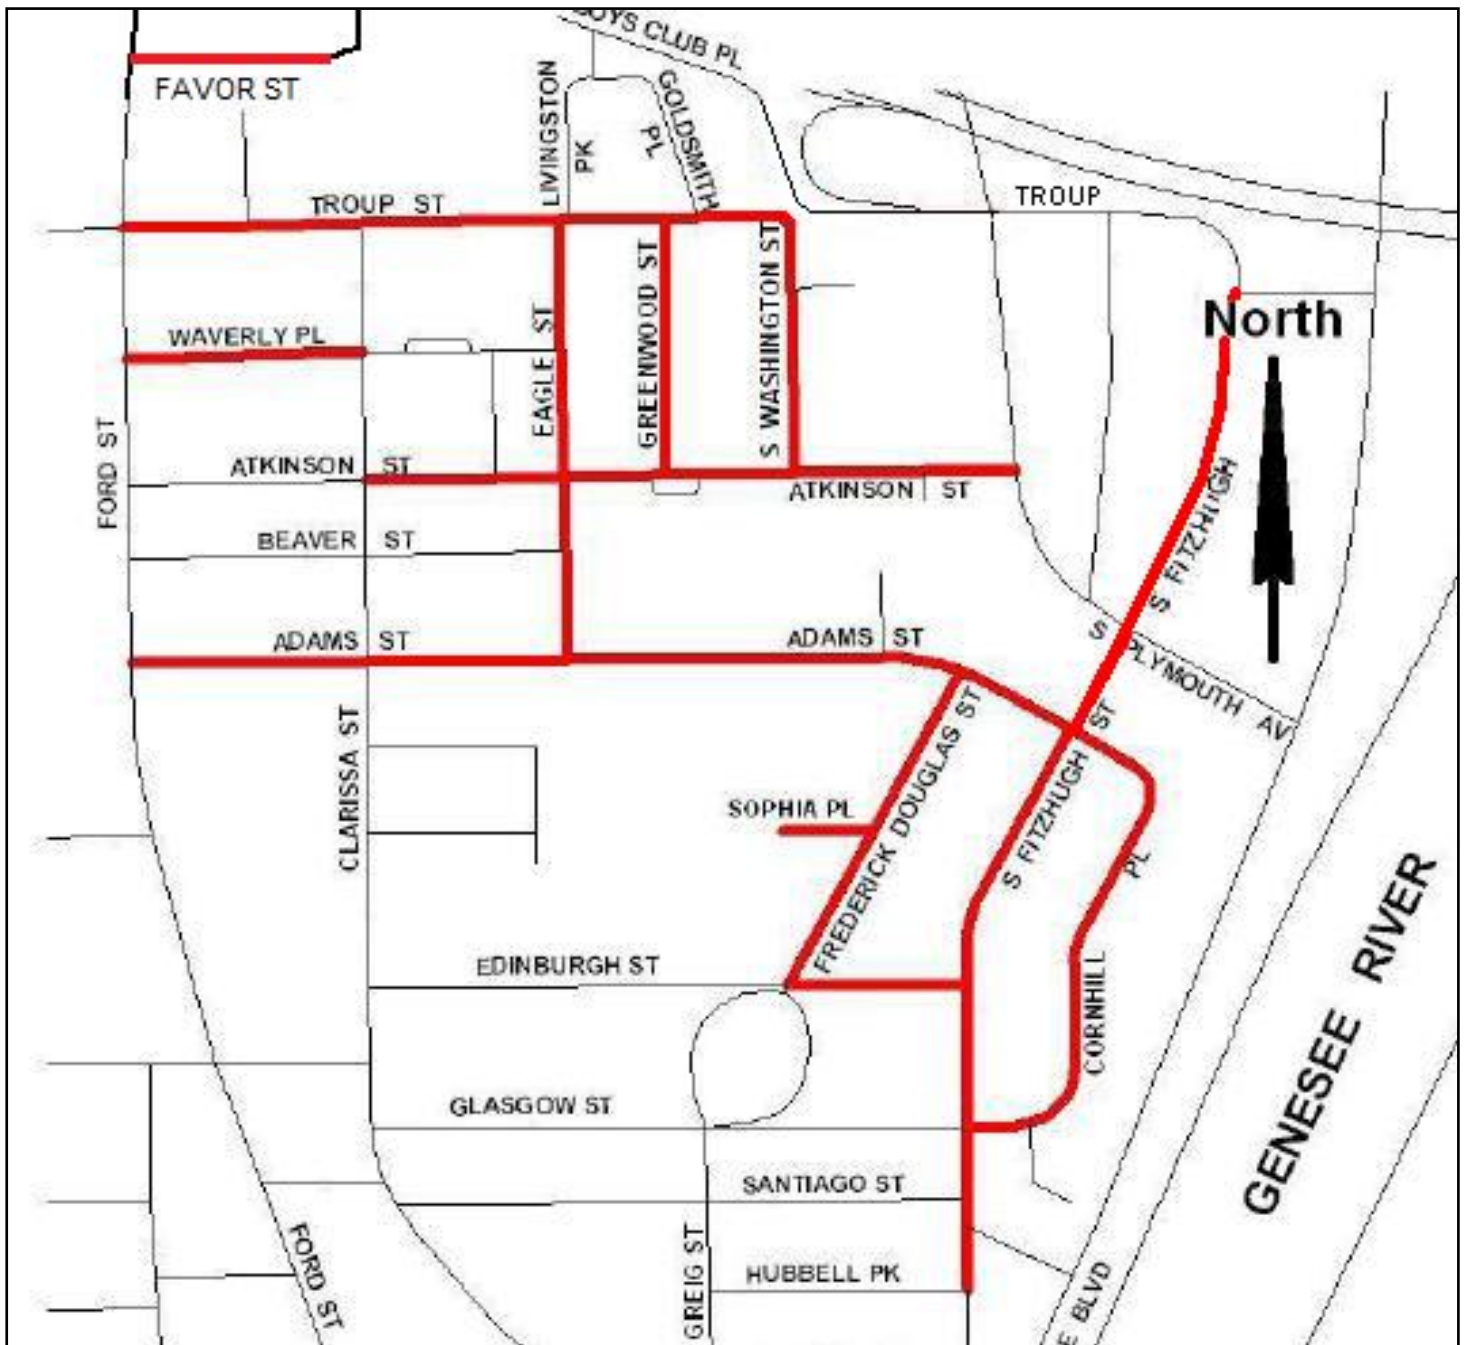

Abuse of Residential and Employee Permit and Visitor Pass Privileges: Any permit holder providing non-residents with a permit or visitor pass to park during program hours or providing a permit or pass for use on oversized vehicles will have their permit and visitor pass privileges suspended for twelve (12) months.

Any vehicle using a visitor pass for three (3) consecutive business days will be issued a warning on the third day. Once the warning is received, the Bureau of Parking office must be notified immediately if any special circumstances exist. If the visitor pass is still in use on the vehicle on the next business day, the vehicle will be ticketed, and the resident or business assigned the pass will lose visitor pass privileges for twelve (12) months.

Enforcement: Program enforcement is provided by the Bureau of Parking. Program enforcement of the area will occur at least twice daily, Monday through Friday. Secondary enforcement may occur from time to time through routine patrols of the Rochester Police Department.

Those who wish to have further consideration in regard to suspension of privileges may request a hearing with the Director of the Bureau of Parking. A written request for a hearing must be provided to the Director within ten (10) days of notice of violation. Grievances for tickets issued will be adjudicated through the City's Parking Violations Bureau located on South Avenue. Any person ticketed may request a hearing on the matter.

Program and Rule Changes: The Director of Parking may make rule changes regarding the permit program. When this occurs, the Corn Hill Neighbors Association will be informed in writing of these changes. In addition, the program area may be expanded or reduced in size as needed. These changes would reflect the needs of the neighborhood, subject to the approval of the Traffic Control Board. Additional questions about the permit program should be directed to the Bureau of Parking at 428- 7751.
