Specialties: The Caring and Sharing Child Care Center provides child care services for Infants, toddlers, pre-schoolers, school age children and youth ages 10 years old through 16 teen years old. The Child Care Center services is provided year-round, before and after school, during school recess break, and in the summer for educational enrichment expanded learning. The Child Care Center also provides Universal Pre-K program for all children turning 4 years-old by December 1st of their enrollment year. We follow and adhere to all NY S Foundation Common Core Standards (2012) and the HighScope Curriculum®. The program provides academic support and experiential learning focusing on the highest quality of development opportunities possible! It is our philosophy that children and youth who are secure, confident and equipped will become responsible and resilient adults in the future.

WBE  
sandra@viggikids.com

Specialties: Viggi Kids is a new line of children's products that inspires creative play and active exploration while learning. Childhood is an exciting time of learning new things, exploring the world and shaping the person they will grow up to be. Our products are made to help that process along by promoting healthy behaviors and celebrating the natural quirks of being a little human. Located in Rochester, NY, Viggi Kids is surrounded by a rich manufacturing, design and educational community. Viggi Kids is initially offering two different educational products. The first is Vidget, a modular chair that inspires children to move naturally. The second product is Digit Widget, an educational math toy that allows children to enter a world where the numbers can be seen, touched, and manipulated. New products are currently in development by in-house designers.

The Child Care Center also provides Universal Pre-K program for all children turning 4 years-old by December 1st of their enrollment year. We follow and adhere to all NY S Foundation Common Core Standards (2012) and the HighScope Curriculum®. The program provides academic support and experiential learning focusing on the highest quality of development opportunities possible! It is our philosophy that children and youth who are secure, confident and equipped will become responsible and resilient adults in the future.

Specialties: Viggi Kids is a new line of children's products that inspires creative play and active exploration while learning. Childhood is an exciting time of learning new things, exploring the world and shaping the person they will grow up to be. Our products are made to help that process along by promoting healthy behaviors and celebrating the natural quirks of being a little human. Located in Rochester, NY, Viggi Kids is surrounded by a rich manufacturing, design and educational community. Viggi Kids is initially offering two different educational products. The first is Vidget, a modular chair that inspires children to move naturally. Digit Widgit, an educational math toy that allows children to enter a world where the numbers can be seen, touched, and manipulated. New products are currently in development by in-house designers.
