ITEM 2-3 **RFI Questions received per the deadline stipulated in the RFP and associated responses**

Q1. The attached individual school packets were hard to read. Can we receive the Phase II strategic plan documents in a legible format?

A1. The Strategic Plan is available (full document) on our website: www.rcsdk12.org/rsmp.

Q2. On Page 12 in the explanation of submitting a fee proposal for more than one project is mentions needing a specifically "Dedicated team" for each, can you please clarify what you mean by this?

A2. Regarding the option of submitting a fee proposal for more than one project, what is meant here is that if a firm is awarded more than one project we expect that each project will have its own specific team members and that one team will not be doing the work on both projects. If you are looking to be awarded more than one project, you should show in your proposal how those two projects would be supported by a staffing plan.

Q3. Under A/E Evaluation Criteria item 3 it references CM teams is this to reference A/E teams instead?

A3. Under evaluation criteria Item #3, you are correct. This should read "Architectural Teams"
