

MORE JOBS · SAFER, MORE VIBRANT NEIGHBORHOODS · BETTER EDUCATIONAL OPPORTUNITIES

# 2016-2017 City of Rochester BUDGE

City of Rochester, NY Lovely A. Warren, Mayor Rochester City Council

# Vision

Rochester, NY will be the best mid-sized city in the U.S. in which to live, raise a family, visit and grow a business. Our city will be renowned for its safe neighborhoods, vibrant economy,

educational excellence and customer service.

# Values and Guiding Principles

Our motivated employees take personal responsibility for serving our customers: residents, taxpayers, visitors and investors. We are guided by the following principles:

**PERSONAL INTEGRITY:** We conduct our professional duties with the utmost standards of ethics, transparency, professionalism and respect for our customers. Every action/decision is justifiable to our citizens. We always conduct ourselves "as if the world were watching."

**ACCOUNTABILITY:** We set aggressive goals for customer satisfaction and continuously measure and report publicly on our progress in promptly meeting or exceeding expectations.

**CUSTOMER FOCUS:** We deliver the highest quality, cost-efficient and most responsive services possible to our customers. We judge our success on one basis: the extent to which we are the location of choice in our region to live, visit and conduct business.

**COLLABORATION:** We embrace our diverse internal teams and promote external partnerships with governmental, educational, business, nonprofit, neighborhood and faith-based community partners to the benefit of our customers.

**DIVERSITY:** We believe people of diverse backgrounds and experiences enrich our City and work environment. We are committed to creating an inclusive workplace and providing services that are free from discrimination and harassment, promote fairness and equity, and value the contributions of all its employees and citizens.

"CAN DO" ATTITUDE: We approach every work day with a sense of urgency and a desire to find innovative solutions to our City's challenges. Our motto is, "Oh yes, we can!"

#### **Budget Process**

This budget is for the City's 2016-17 fiscal year, which begins on July 1, 2016 and closes on June 30, 2017. The process and content requirements of the annual budget are stipulated in Section 3–9 of the City Charter. Consistent with these requirements, the Mayor prepares a proposed budget. Detailed budget requests are made by each department, reviewed and analyzed by the Office of Management & Budget, modified as necessary, and approved by the Mayor.

The Mayor's proposed budget is considered by the City Council, and at least one public hearing is scheduled. The City Council may adopt the budget as proposed by the Mayor or may modify it. If the City Council's action on the budget contains no additions, the budget is adopted without further action. Reductions to the proposed budget do not require the approval of the Mayor. If City Council's action includes any additions, the budget must be presented to the Mayor by June 20. The Mayor may accept or reject any additions. If the Mayor accepts the additions, the budget is adopted without further action. If the Mayor rejects any additions, she must inform the City Council of the items rejected with her reasons and return the budget to the Council by June 25. The City Council may then reconsider the budget and, by June 30, may revise its actions in conformity with the Mayor's objections or may, upon a two-thirds vote, override the Mayor's objections. If City Council does not, by June 30, adopt a budget according to these procedures, the budget as submitted by the Mayor plus any City Council additions not objected to by the Mayor will be the budget for the ensuing year.

### Scope of the Budget

The budget contains most of the ongoing operations of the City of Rochester. Certain programs are not included:

*City School District:* A summary of the proposed City School District budget is included (Tab 17). The complete text of the School budget is included in a separate document.

*Federal Programs:* The administrative costs and certain program expenses are included. However, most program expenditures from the Consolidated

Plan Appropriations from these programs are made during the year.

*Capital Programs:* The budget includes two types of capital expenditures: Cash Capital, the direct outlay for capital purposes, and Debt Service, the repayment of principal and interest on previously authorized borrowing. Not included is the appropriation of the proceeds from note and bond sales that may occur during the year. These will be appropriated individually during the year, and their repayment will be included in future budgets as Debt Service. The Capital Improvement Program (CIP) section in the Budget document details all expected capital program expenditures for the upcoming year and each of the subsequent four years.

*Trust and Agency Funds:* On occasion, the City receives income that is to be used for restricted purposes. An example is the income in the Fund for the City's Future, which is restricted to the promotion of City tourism, living, and marketing. Such funds are not included in the budget; their use requires City Council appropriation during the year.

### **Budget Format – Organization**

- The budget is organized into five presentations:
- 1. The Mayor's Message
- 2. City Council Report (in Approved Budget only)
- 3. Summary (Tab 1)
- 4. Departmental Sections (Tabs 2-15)
- 5. Informational Sections (Tabs 16-17 & Index)

### **Budget Format - Departmental Sections**

Each departmental section contains a Department Summary that includes Mission Statement, organization, strategic goals and objectives, and financial data relating to the total department. Major changes from the prior year are highlighted. In addition, for each major function within a department, there are three detailed presentations:

- 1. Mission Statement of the organization is provided. Vital Customers defines who are the primary recipients of this unit's work. Critical Processes present the critical processes this unit uses to carry out its mission. Department Highlights describe changes planned for the department in the new year. Key Performance Indicators measure how well objectives are being met.
- 2. Expenditures and Employee Years, which contains current and historical expenditure and personnel data. The expenditure data are presented in two ways — by major object (or type) of expense and by activity.
- 3. Personnel, which includes a calculation of employee years and a detailed listing of all full time position titles and pay brackets. The employee year calculations on this page produce the totals listed on the Expenditure and Employee Year pages.

In the Undistributed Expenses (Tab 13), Contingency (Tab 14) and Capital (Tab 15) sections, no personnel data are provided, as no staff are assigned.

### **Budget Format Year-to-Year Comparisons**

The year-to-year comparison for each bureau or division calculates the increase or decrease in the budget and employee years for that unit. An analysis of the change in the budget is included. The total change is the sum of the change noted in each of six categories. The categories are:

- 1. Salary and Wage Adjustment, which accounts for all routine changes in personnel compensation. This includes contract settlements, step and merit advancements, upgrades and downgrades of positions, and turnover that replaces higher compensated employees with lower compensated ones within the same pay brackets.
- 2. General Inflation, which accounts for increases in the cost of goods and services attributed to inflation.

- 3. Chargebacks, which accounts for the year to year change in charges for services provided to the activity by other units of City government. These services are duplicating, postage, motor equipment fuel and service, telephone service, and workers' compensation.
- 4. Vacancy Allowance, which accounts for the year to year change in the assumption of the vacancy allowance. This allowance is the difference between the actual expenditure requirements for personnel and that required if all positions were filled at all times.
- 5. Miscellaneous, which accounts for minor changes not accounted for by any of the other categories.
- 6. Major Change, which accounts for significant budget variances. If there are any major changes, a narrative explanation follows immediately.
- 7. Program Change, a written explanation of any significant changes in the operation or service delivery of the unit.

# **Basis of Accounting**

The accounting policies of the City of Rochester conform to generally accepted accounting principles. The basis of accounting is the modified accrual method, in which revenues are recognized in the period in which they become available and measurable, and expenditures are recognized at the time a liability is incurred, except principal and interest on long-term debt and pension liability, which are recorded when due. The exception to this basis is for the Enterprise Funds that are on an accrual basis, in which revenues are recognized when earned, and expenditures are recognized when incurred.

The accounts of the City are organized into various funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts.

#### Glossary

Activity The most basic level of presentation in the budget. Each major function is divided into activities, for which budgetary, personnel, and narrative information is provided.

Adopted Budget The annual operating budget plan for the upcoming fiscal year approved by City Council according to the City Charter.

Appropriation An authorization to expend funds for stated purposes.

Assessed Value The value assigned for property tax purposes to each property within the City. Rochester utilizes a full value system; thus, it is the objective to assess all property at 100 percent of full market value.

Assessed Value Tax Rate The amount of tax levied for each \$1,000 of assessed valuation.

Bond Anticipation Note A note that may be redeemed with the proceeds from the future sale of a serial bond. A note is a short term borrowing instrument, usually requiring repayment within one year of issuance.

Budget Amendment A formal action by the City Council to adjust the budget after adoption. These amendments generally take two forms: the transfer of an appropriation from one departmental budget to another, or the appropriation of new sources of revenue to support a new expense. A budget amendment may, on occasion, reduce revenue and expense.

*Capital Improvement Program (CIP)* The five-year spending plan for major improvements and construction projects. It provides detail by functional area, funding source, and year.

*Cash Capital* The direct outlay for capital items, most typically equipment purchases, street improvements, and building renovations. The Cash Capital appropriation is a direct outlay because the City does not borrow for these expenditures. The Cash Capital appropriation is contained in the Capital Expense Summary. *Chargeback* A charge from one department to another for services rendered, e.g., telephone service.

*Constitutional Debt Limit* Limits on the amount of debt that a municipality can incur. Article VIII of the New York State Constitution imposes on Rochester a limit of 9 percent of the most recent five-year average of full valuation of taxable real estate for capital purposes.

*Constitutional Tax Limit* Limits on the amount of money that a municipality can raise through real estate taxes. Article VIII of the New York State Constitution imposes on Rochester a limit of 2 percent of the most recent five-year average of full valuation of taxable real estate.

*Contingency* A budgeted reserve fund for unforeseen or unmeasurable expenditures not otherwise budgeted.

*Debt Service* The repayment of debt, including interest payments and installments on the principal. The debt service appropriation is contained in the Capital Expense Summary.

*Directly Applicable Revenue* Revenues that are generated because of the efforts of an organizational unit for a given function.

*Employee Benefits* The direct expenditures, other than salary and wages, associated with employee compensation. In the budget, the employee benefit appropriations are included in the Undistributed Expense budget, but are allocated for information purposes to each major function. These include retirement, Social Security, medical and dental, workers' compensation, and life insurance benefits. All other employee compensation costs are included in the departmental budgets.

*Employee Years* An approximation of employee resources stated as an equivalent number of full time positions. Each full time position is counted as one employee year, while overtime hours and part time, temporary, and seasonal positions are approximated as partial employee years. The vacancy allowance (see below) is also stated as an equivalent number of full time positions, and is subtracted in approximating net employee years for an activity.

*Enterprise Fund* Enterprise funds are fiscal and accounting entities that account for certain services and programs that operate as separate businesses. Expenditures for these operations are supported by revenues generated by the activities (e.g., fees for service) or dedicated under law for those specific operations. This Budget includes the following Enterprise Funds: Water, War Memorial, Parking, Cemetery, Public Market, Refuse, and Local Works.

*Fund* A fiscal and accounting entity with a selfbalancing set of accounts recording cash and other financial resources, with related expenses and other obligations. The budget contains ten funds that are explained and accounted for in the Summary (Tab 1).

*Fund Balance* In fund accounting, Fund Balance equals Assets minus Liabilities.

*General Fund* The principal operating fund of the City, accounting for all financial resources not recorded in other funds.

Homestead One of two classifications of property owners authorized for property taxation under the New York State law applicable to Rochester. The Homestead class includes all one, two, and three family residential real property, including dwellings used in part for non-residential purposes but used primarily for residential purposes. The other classification is the Non-Homestead class.

Interfund Revenue Income generated through a transaction between or among funds. Interfund revenues are offset by expenses or obligations recorded in other funds. In this budget, interfund credits for chargebacks of services (motor equipment, telephones, etc.) are included in the unit providing the service as a credit (or reduction of expense) when the service charge is processed.

Intrafund Credit A transaction between or among appropriations within the same fund. In this budget, intrafund credits reflect chargebacks for services. The costs of these services (motor equipment, telephones, etc.) are included in the unit providing the service, and also the unit receiving the service. To offset this double recording of cost, the service provider unit records a credit (or reduction of expense) when the service charge is processed. *Major Functions* The subdivision of a departmental budget. Major functions are Bureaus, Divisions, Offices, or other organizational units.

*Major Objects* The basic types of expenses incurred by an organizational unit categorized as Personnel, Materials & Supplies, Services, and Other expenses.

*Morin-Ryan* The sales tax distribution formula, which took effect in 1985-86, divides the first three percent of the local share of the sales tax.

*Non-Homestead* One of two classifications of property owners authorized for property taxation under the New York State Law applicable to Rochester. The Non-Homestead class includes all properties other than one, two, and three family residential properties. The other classification is the Homestead class.

Part Time, Temporary, Seasonal Used on the Personnel Summary page to show the approximation of Part Time, Temporary, and Seasonal employees in terms of Employee Years. Part Time employees work less than a regular work week schedule on a year round basis. Temporary employees work regular work week hours, but for a fixed duration (usually not to exceed eighteen months). Seasonal employees work at certain times during the year (e.g., during the summer) on schedules determined by the nature of the jobs that they are performing.

*Property Tax Levy* The total amount of property tax to be assessed on taxpayers. The property tax levy differs from property tax revenue in that the levy includes all amounts due, regardless of whether they are collected.

*Property Tax Rate* The rate used to determine the property tax bill of individual taxpayers. The rate is expressed as a dollar amount to be charged for each \$1,000 of assessed property value. A separate tax rate is applied to each of two classes of property owners, Homestead and Non-Homestead.

*Property Tax Reserve* The portion of the property tax levy that is estimated to be uncollected during the fiscal year and remains uncollected after sixty days from the close of the fiscal year.

*Property Tax Revenue* The amount of money raised by the property tax. Due to nonpayments, the actual collection is less than the total levy.

*Proposed Budget* The budget plan for the upcoming fiscal year recommended by the Mayor to City Council for its formal approval. The budget is "proposed" until it is formally "approved" by City Council.

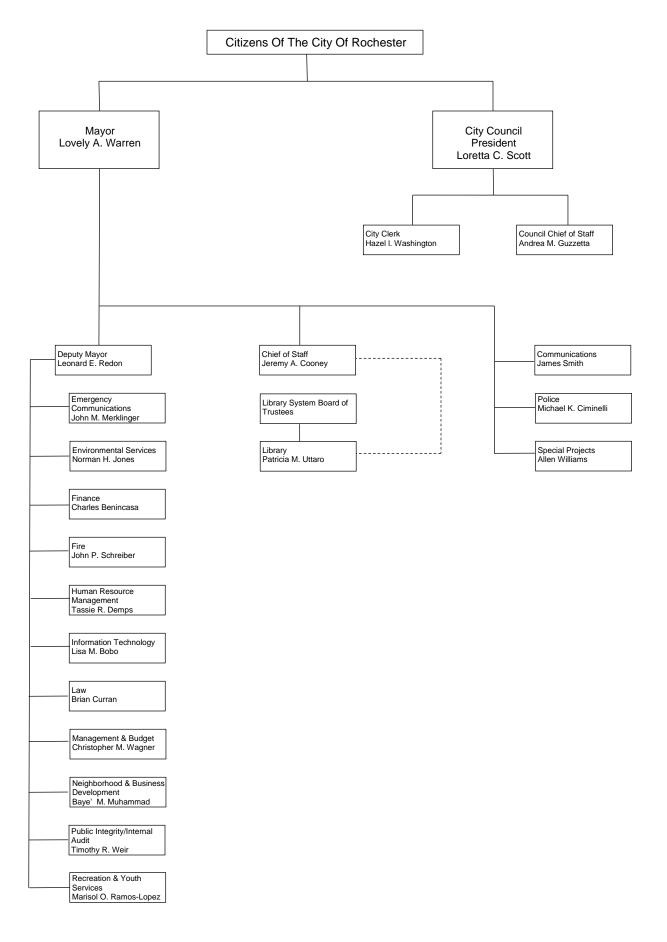

Sales Tax A tax as a percentage of most retail sales is levied by New York State and Monroe County. The City receives a portion of the proceeds under agreements with Monroe County.

Serial Bonds A long-term borrowing instrument that requires a series of repayments to be made over a multi-year period. The repayments made include principal installments and associated interest expense.

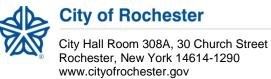

Special Fund Special funds are fiscal and accounting entities that state law restricts for specific purposes. This Budget includes the following Special Funds: Animal Control and Library.

STAR The New York State School Tax Relief Program providing homeowners relief from school property tax through two levels of exemptions. (See Summary, STAR section for details).

Vacancy Allowance The difference between actual expenditure requirements for personnel resources and that which would be required if all positions were filled at all times. The vacancy allowance accounts for position vacancies that occur as a result of routine employee turnover as well as those that may be deliberately maintained.

May 13, 2016

#### TO THE COUNCIL:

# RE: The 2016-17 Budget

Ladies and Gentlemen:

In accordance with the City Charter, I submit to you the City of Rochester's annual budget estimate for the 2016-17 Fiscal Year. My 2016-17 Proposed Budget is \$516,969,100 which is 2.3 percent higher than the 2015-16 Amended Budget of \$505,322,500.

In summary, this budget:

- Lowers tax rates and invests in more Police Officers.
- Decreases the typical homeowner's tax burden by \$15.85.
- Invests in public safety by funding two recruit classes for the Rochester Police Department (RPD) to maintain higher staffing levels and the addition of 20 more Patrol Officers and two Investigators.
- Invests in additional resources to implement the RPD's Body Worn Camera Program.
- Recognizes a property value increase of more than 8%.
- Complies with state's tax cap and includes a tax levy increase of \$2.5 million.
- Does not increase the Refuse or Local Works rates and increases the Water Rate by 3%.
- Invests in Recreation Center (R-Center) staff to support structured programming.
- Provides for improved summer literacy efforts through collaboration between the Rochester Public Library (RPL), the Department of Recreation and Youth Services (DRYS) and the Rochester City School District (RCSD).
- Continues support for the Raising a Reader program at RPL.
- Continues funding the Summer of Opportunity program.
- Provides funding for developmental screening of 3-year olds.
- Invests in the enhancement of City Information Technology network security, disaster recovery planning and the implementation of a citywide payroll and personnel solution.
- Increases funding for special events.

- Adds funds to support operations and security at the Port of Rochester in anticipation of the opening of the new marina.
- Anticipates the sale of the Midtown Parking Garage.
- Includes a City capital investment of over \$55 million to:
  - Maintain our water system;
  - o Acquire land to support development of Bulls Head;
  - Fund repairs at the Convention Center and Blue Cross Arena at the War Memorial; and
  - Purchase refuse equipment to bring single stream recycling to every neighborhood.

We achieved success in obtaining an additional \$6 million in unrestricted state aid. This would not have been possible without my partnership and positive working relationship with Governor Andrew Cuomo; Assembly members David Gantt, Joseph Morelle, Harry Bronson and our entire state delegation. I thank them for their support.

As part of this year's budget process, I solicited and received a significant amount of community input in three ways: a facilitated meeting at City Hall, a telephone town hall meeting and an online survey. I was encouraged and impressed by the level of engagement our citizens demonstrated regarding the budget and the critical programs and services the City provides.

Forty people actively participated in our discussion at City Hall; more than 2,900 participated in the telephone town hall meeting; and 465 people responded to our online survey. A full report on community input is included in this Budget.

This budget makes investments in safer and more vibrant neighborhoods, more jobs, better schools and educational opportunities and in innovation and efficiency initiatives.

Below are some highlights of proposed investments in these priority areas. We are able to make the investments below without cuts to critical services because our recent financial performance has been strong and because of the fore mentioned aid from New York State for 2016-17:

#### More Jobs:

- Support for the Rochester Monroe County Anti-Poverty Initiative (RMAPI) through the Office of Innovation as well as the Market-Driven Community Cooperative.
- Job training for Operation Transformation Rochester (OTR) graduates.
- City Business Development Financial Assistance and Neighborhood Commercial Assistance programs.
- Pathways to Public Safety and Firefighter Trainee Programs.
- Police and Fire Department recruit classes.
- Summer of Opportunity program.

• City internship program.

### Safer and More Vibrant Neighborhoods:

- Investments in La Marketa, Connected Communities and Bulls Head developments.
- Police and Fire Department Recruit Classes.
- Police Department facilities.
- Pathways to Peace program.
- Roofing Replacement program.
- Emergency Assistance and Targeted Housing Repair programs.
- Vacant and abandoned structure demolition program.
- Operation of Durand Eastman Beach.

### Better Schools and Educational Opportunities:

- Additional positions in DRYS to support increased programming.
- Partnerships with the RCSD for Literacy Aides in Libraries and R-Centers.
- Increased programming at R-Centers including STEM, literacy and health-focused activities.
- Developmental screening for 3-year-olds.
- R-Center upgrades, including play apparatus.

### Innovation and Efficiency:

- Continued work with the Democracy Collaborative to create a Market Driven Community Cooperative.
- Transition to single-stream recycling.

# **Closing the Budget Gap**

This budget began with a \$41.2 million all-funds gap. We closed this gap and made \$3 million in strategic investments through:

- Expenses
  - Adjustments to capital program and enterprise fund balances to support capital in those funds - \$13.8 million
  - o Department Reductions and Efficiencies \$2.3 million
  - Savings in fuel and utility expense \$1.5 million
  - Savings in Retirement partially offset by increase in health care costs \$0.4 million
  - o Additional Investments \$3.0 million

- Revenues
  - Additional use of Fund Balance \$9.3 million
  - o Additional Unrestricted Aid from NYS \$6.0 million
  - Property Tax and Fees \$2.8 million
  - o Use of Health Care Rate Stabilization Fund \$2.0 million
  - o Additional Revenue from Delinquent Taxes and Penalties \$1.9 million
  - o Revenue from the Sale of Real Property \$1.5 million
  - $\circ~$  Additional use of Premium and Interest Fund \$1.5 million
  - o Increased Fine and Forfeiture Revenue \$0.6 million
  - o Increased PILOT revenue \$0.5 million
  - Net of other changes \$0.1 million

The investments being made in this Budget are crucial to the success of our citizens and our city. Further, the plan we have for closing the budget gap and funding our priorities is a prudent one.

It must be noted that assistance received from New York State is not recurring and thus we will continue to face financial challenges ahead.

I look forward to working together with you to finalize this year's City Budget and eagerly await your review and comments.

Respectfully submitted,

A Zame

Lovely A.Warren Mayor

#### 2016-17 CHILDREN AND FAMILIES FUNDING

The City of Rochester provides many services to children and families via our Libraries, R-Centers, youth services programs, public safety services and many others. Programs and services that are designed specifically for children and families are listed below.
 For 2016-17 the Children and Families funding page is aligned with ROC The Future, a community-wide initiative to focus community resources to improve the academic achievement of children in the City of Rochester. Read more at www.rocthefuture.org.

#### ROC the Future Topic: Every Child is School Ready

The first three years of a child's life are an opportunity for enormous social, emotional, physical, and intellectual growth. The pace of this growth depends on whether the child's eagerness to learn is stimulated by his/her environment. For children to grow into successful adults they need a supportive and healthy early environment.

City Program	<b>Description</b>	16-17 Allocation	Why This is Important
Developmental Screening of Three- Year Olds	Supports the screening of 3-year-olds with the aim of identifying developmental delays and intervening where appropriate.	\$50,000	In 2015, 36% of Rochester pre-K children were determined to be delayed or below expected performance levels. (Source: ACT Rochester)
Lead Hazard Control	The City of Rochester Lead Hazard Control Program provides financial assistance to privately-held 1-4 unit residential structures to control lead based paint hazards.	\$1,320,000	Exposure to even small amounts of lead significantly raises a child's risk of developing long-term cognitive, physiological, and behavioral complications. 1.4% of
Lead Paint Initiative Grant	A NYS grant provides funding to Monroe County to assist with lead paint testing and reduction activities.	\$310,000	children in Monroe County had elevated blood lead levels in 2013. (Source: ACT Rochester)
Lincoln Toy Library	The Toy Library offers a wide variety of toys and equipment to support the cognitive, creative, social-emotional, perceptual, and physical developmental needs of children.	\$73,300	Developing satisfactory social, physical, and academic skills in pre-K and kindergarten sets a crucial
Raising a Reader	Works to foster healthy development, relationships, literacy, and a passion for reading by involving parents or guardians and their children in a book sharing routine.	\$115,100	<ul> <li>foundation for future success. In spring 2015, 64% of Rochester pre-K students scored at typical or advanced development level. (Source: ACT Rochester)</li> </ul>

#### ROC the Future Topic: Every Child is Supported

City of Rochester students make similar academic progress during the school year compared to their suburban peers. However without summer and other extended learning opportunities, they lose ground over the years. City of Rochester students also face high levels of stress, violence, and trauma due in part to high levels and concentrations of poverty in their neighborhoods.

City Program	<b>Description</b>	FY 17 Allocation	Why This is Important
Community Libraries and Other City Tax Support	Total City funds for community libraries, exclusive of specific programs listed elsewhere.	\$5,573,800	Public libraries supply communities with vital resources including books, access to technology, and special programming to support their specific patrons. In addition, libraries function as a "Safe Place" for youth.
Comprehensive Adolescent Pregnancy Prevention	A collaboration of community service agencies working together to reduce teen pregnancies and reduce STD/HIV rates among youth within the City of Rochester.	\$273,000	Adolescent pregnancy can be detrimental to both mother and child. Pregnancy can prevent young women from further education and self-sufficiency, and puts the child at a greater risk of low birth rate or infant mortality. In 2013, the City of Rochester's teen pregnancy rate was 7.5%, down from 15.6% in 2008. (Source: ACT Rochester)

City Program	Description	16-17 Allocation	Why This is Important
Do the Right Thing Program	Recognizes youth for their positive behavior, accomplishments, and good deeds by distinguishing school-age children who strive to make good choices.	In Kind	Do the Right Thing helps foster positive relationships between the Rochester Police Department, as well as other local police agencies, and the youth of Monroe County.
R-Centers, Athletics/Aquatics, Summer Camps	R-Centers offer first-rate programs, facilities, and professional staff to promote healthy living, education, creativity, self-discovery, and positive relationships.	\$9,112,670	_
Rochester Afterschool Academy (RASA) NYS Grant	Provides academic enrichment, recreational, social, artistic and character development activities for students and their families to help them succeed.	\$89,400	Afterschool programs can provide opportunities for social, academic, and physical development.
Safe to be Smart	The Safe to be Smart program provides programming opportunities for children and adolescents in a more consistent manner at five branch libraries as well as Central Library.	\$281,500	In 2015, Rochester's overall School Age Program Quality Assessment (SAPQA) score was 3.4 out of 5 for grades K through 6, and the Youth Program Quality Assessment (YPQA) score was 3.7 out of 5 for grades 4
Youth Bureau Funded Programming	OCFS funding passed through Monroe County to the City for youth development.	\$63,100	to 12." (Source: ACT Rochester)
Youth Voice/ One Vision	Youth Voice, One Vision: The Mayor's Youth Advisory Council (YVOV) is an active council of young people working together to make Rochester a better place to live.	\$98,100	-
Teenage Pregnancy Prevention Grant	A federal grant that supports efforts to reduce the teenage pregnancy rate in Rochester, which is higher than the state average.	\$999,999	Adolescent pregnancy can be detrimental to both mother and child. Pregnancy can prevent young women from further education and self-sufficiency, and puts the child at a greater risk of low birth rate or infant mortality. In 2013, the City of Rochester's teen pregnancy rate was 7.5%, down from 15.6% in 2008. (Source: ACT Rochester)
Summer Food Program Grant	Provides breakfast and lunch to children at sites including schools, R-Centers, and various day camps free of charge to any child 18 and under who lives in the city.	\$329,500	Ensures that low-income children receive consistent access to nutritious meals, even when school is not in session. A healthy meal is crucial to a child's development and ability to play and grow during the summer months.
Youth Literacy Program with RCSD	Program employs RCSD students as Literacy Aides to provide literacy support to younger students at R-Centers.	\$90,800	3rd grade reading scores are an important predictor of future academic success. In 2015, only 7% of RCSD 3rd graders passed the state English Language Arts exam compared to 29% in the region. (Source: ACT Rochester)
ROC The Future	Promotes alignment and focuses community resources to improve the academic achievement of children in the City of Rochester.	\$15,000	ROC the Future is committed to improving academic achievement in Rochester.

City Program	Description	16-17 Allocation	Why This is Important	
Additional Items in Support of May	or's Priorities			

This section includes programs that do not fall directly in the four ROC the Future categories, but align with the Mayor's priorities: Safer and More Vibrant Neighborhoods, More Jobs, Better Schools and Educational Opportunities, and Innovation and Efficiency.

<u>City Program</u>	<b>Description</b>	FY 17 Allocation	Why This Matters
Community Outreach Program	Expanding fire safety education in schools and increasing the amount of outreach events.	\$121,200	Fire safety allows children to interact with firefighters, become familiar with their equipment, and learn both proactive and reactive safety techniques in case of an emergency situation.
Fire Related Youth Program	Program addresses the juvenile fire setters issue through education, intervention, and community/citizen involvement.	\$61,500	Between 2007 and 2011, an average of 49,300 fires involving playing with fire were reported to U.S. municipal fire departments per year. These fires caused annual averages of 80 civilian deaths, 860 civilian injuries, and \$235 million in property damage.
Demolition Funding	Allows for the removal of vacant and blighted privately-held and City-owned structures.	\$1,159,400	Demolition helps make cities safer and more livable by removing decrepit structures and increasing green space.
Durand Beach	The City of Rochester maintains and operates Durand Beach for the enjoyment of the community.	\$155,700	Parks bestow benefits not only on their users, but also on the environment and economy. They are a safe place for supervised play with children and can also help decrease violence and crime.
Emergency Solutions Grant	Strengthens and expands current range of services and programs for individuals and families who are homeless or at risk of homelessness in the greater Rochester community.	\$701,419	In 2014, Monroe County funded 2,674 placements for homeless families and 5,811 placements for individuals. Family placements have risen 71% over the decade, but were virtually flat from 2013 to 2014. (Source: ACT Rochester)
Parent Leadership Training Institute	Teaches parents how to become advocates and change agents for their children.	\$10,000	Leadership training for parents provides them with the skills they need to better advocate for the needs of their children and family as a whole. It can also help to improve the parent's self-worth and confidence as a caregiver.
Parks Operations	Our park amenities include picnic areas, lodges, playgrounds, ball fields and tennis courts. Some include beaches, ice- skating rinks and pools. Employees of this bureau work to ensure that streets and neighborhoods are clean, safe, and attractive for residents and visitors.	\$2,968,400	Parks bestow benefits not only on their users, but also on the environment and economy. They are a safe place for supervised play with children and can also help decrease violence and crime.
Pathways to Peace	Pathways to Peace offers prevention, intervention and direct monitoring of youth receiving the services needed to support their positive progress.	\$546,000	Helps keep youth safe and prevents them from engaging in criminal activities as adults, helping to reduce the social and economic consequences of crime to society.
Skate Park	Play apparatus provides safe, healthy, and fun outdoor recreational opportunities to youth, with structures to meet the needs of older youth.	\$100,000	_
Spray Parks	The City's spray parks provide safe, healthy, and fun outdoor recreational opportunities to children of all ages.	\$685,000	Play is important in keeping children active and helping them build teamwork and social skills.
Play Apparatus	The City's playgrounds provide safe, healthy, and fun outdoor recreational opportunities to youth, with structures to meet the needs of toddlers, older youth, and every child in between.	\$200,000	-

<u>City Program</u>	<b>Description</b>	16-17 Allocation	Why This is Important
Recreation on the Move	The Recreation on the Move mobile recreation centers bring the offerings and benefits of City R-Centers right to city neighborhoods.	\$128,800	Play is important in keeping children active and helping them build teamwork and social skills.
Police Activities League	Connects police officers with volunteer and engagement opportunities in the city.	In Kind	Aims to strengthen the relationship between inner-city youth and the Rochester Police Department by engaging them in a positive way.
Public Market	Rochester's Public Market offers fresh produce, ethnic delicacies, specialty items, general merchandise, and more	\$806,400	The Public Market serves as a community anchor, not only bringing diverse members of the community together, but also making fresh, healthy foods more
Public Market Funding (capital)	52 weeks per year.	\$46,000	affordable for residents of all income levels.
Roofing Program (pre-funded thru prior year end budget amendment)	The City is providing financial assistance for roof replacement of approximately 150 owner-occupied single-family homes in the city covering the cost of roof replacement and other related repairs up to \$12,000 per household.	\$1,000,000	Eases the financial burden of new roofs, a key component of safe housing, for income eligible Rochester residents.
School Crossing Guards	Helps children safely cross intersections and helps to control the traffic flow.	\$622,600	Crossing guards keep children safe while going to and from school, and can also assist in reporting dangerous or inappropriate incidents to the appropriate authority
Targeted Housing Repair Program	Provides a financial resource to owner- occupant homeowners to improve the overall appearance and security of each neighborhood.	\$550,000	Well-established research links housing to health outcomes in both individuals and communities. (Source: Ontario Medical Association)
Vacant Lot Maintenance	Between May and September, vacant lots are cleaned by cutting tall grass and removing debris. Adjacent sidewalks and curb lanes are swept clean.	\$800,000	Caring for vacant lots has proven to be the starting point for homeowners to increase the value and security of their collective neighborhoods, to improve the safety of their residents, and to encourage growth and opportunities in their area.
Youth Services Unit: School Resource Officers and Other Youth-Related Initiatives	Responsible for the development and implementation of programs designed to prevent and control juvenile delinquency including School Resource Officers (SROs).	\$1,922,500	SROs work to prevent juvenile delinquency by supporting positive relations between youth and law enforcement.

# INTRODUCTION

The City of Rochester's fiscal year begins July 1, 2016 and ends June 30, 2017 and has an estimated budget gap of \$41.2 million.

Mayor Lovely A. Warren solicited the input of the Rochester Community to help the City make the decisions that would be necessary to close this significant budget gap. This report highlights citizen input gathered through a Telephone Town Hall meeting, a facilitated public forum at City Hall and an online survey.

Date	Event	Participation
April 21	Citizen Input Forum at City Hall	40
April 21-28	Online Citizen Survey	465
April 28	Telephone Town Hall	2,927

#### **Telephone Town Hall Meeting**

11,681 city households were directly dialed and invited to participate in a one-hour-long Telephone Town Hall meeting on April 28 and 2,927 participated. Mayor Warren, Budget Director Chris Wagner, Police Chief Michael Ciminelli, Department of Environmental Services Commissioner Norman Jones and Commissioner of Neighborhood and Business Development Baye Muhammad answered questions posed by participants and provided information about current and proposed City programs and services. Twenty people had their questions answered directly by the City officials. Six poll questions were posed to participants, who indicated their preference using their telephone touch pads.

#### Facilitated Citizen Input Forum at City Hall

On April 21, Mayor Warren welcomed citizens to City Hall and Budget Director Christopher Wagner delivered a presentation on the current state of the budget. Director of Human Resource Management Tassie Demps facilitated an information gathering session. Participants joined breakout groups to discuss topics related to the City's three major priority areas (More Jobs, Safe and Vibrant Neighborhoods and Better Schools and Educational Opportunities) plus Innovation and Efficiency.

At the conclusion of the breakout discussions, the group reported out on the main themes they discussed.

#### **Online Citizen Survey**

An online survey was established so that residents could provide their input on issues ranging from expanded broadband service to early childhood learning opportunities to enhancements in 311 Call Center services. Responses were received from 465 individuals. Nearly half of respondents were 55 or older (48%), while 31% were 35 to 54, and 20% were 18 to 34. Just one respondent was under age 18.

39% percent of respondents indicated they live in the Southeast quadrant of the city ; while 21% in the Southwest ; 17% live in the Northwest ; 10% from Downtown ; and 6% in the Northeast. Six percent of respondents were from the Monroe County suburbs, and 1% were from outside the county.

# **CITIZEN RESPONSES**

In this section we identify themes heard from the Telephone Town Hall meeting, the facilitated citizen input forum at City Hall and the online citizen survey. The themes are organized by the Mayor's priority areas.

# SAFER AND MORE VIBRANT NEIGHBORHOODS

#### Police Reorganization

The Police Department reorganization to a community policing model is complete. Among online survey respondents, one-third (33%) indicated they see more officers in their neighborhood since the reorganization, while 42% indicated they have not seen more officers in their neighborhood since the reorganization. Nearly one third (29%) agree that the reorganization has improved police-community relations and 24% agree that reorganization has made their neighborhood safer. With the reorganization being so new, many respondents did not have an opinion on these issues.

What impact has the Police Reorganization had on your neighborhood?				
	Agree or Strongly Agree	Don't Know	Disagree or Strongly Disagree	Total
It has made my neighborhood safer	24%	52%	24%	100%
It has improved police-community relations	29%	47%	24%	100%
I see more officers in my neighborhood	33%	25%	42%	100%

#### Comments from the online survey:

- Police Officers need to start walking the beat in order to become more familiar with residents and become more vigilant, especially on commercial corridors.
- Although I have not seen a lot of direct impact on my neighborhood, I believe that neighborhood policing is a better path to good neighborhood/police relations.
- The most important change I've seen has come with the recruitment of more women and minority Officers. This is extremely important and I hope the City continues to aggressively recruit minorities. It is a very important element of good policing.
- I want to see officers walking major streets in the area. I would like to see an officer that I recognize.

"Working together, we can create more job opportunities, safer, more vibrant neighborhoods and better schools for all of our residents." Lovely A. Warren, Mayor When asked during the Telephone Town Hall meeting whether they've seen more Police Officers in their neighborhood, 38% answered yes, while 62% answered no. Participants in the telephone town hall meeting were also asked whether they would be willing to pay for additional investment in public safety, and less than half, 45%, said they would.

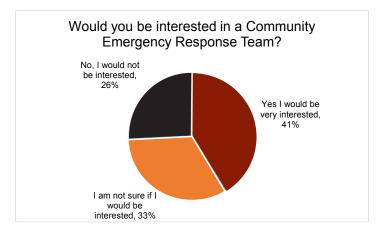

#### **Body Worn Cameras**

The online survey asked citizens about their expectations for the body-worn cameras planned for use by the Rochester Police Department. While some people are concerned about the spending for the new tool, and others simply indicate they are not supportive or have no expectations, comments were overwhelmingly positive and hopeful for good outcomes:

- It is needed and should protect both policemen and citizens.
- How will we handle the vast amounts of data collected through the cameras? What rules govern the camera's operation?
- Hopefully they will provide evidence in cases where police accounts of a situation and those of bystanders do not agree.
- Their presence will encourage police performance that sticks to guidelines and accepted best practices since police behavior will be open to public scrutiny.
- I expect the cameras to protect the citizens from police brutality and to protect the police from false allegations as well.
- There must be significant and ongoing training and standards set for when body cameras are turned on and off.
- Will clarify conflicts between the police and civilians.
- Footage should be stored by an agency that is independent of RPD. Officers should not be able to readily disrupt, access or disrupt footage. Footage should be accessible via FOIL.

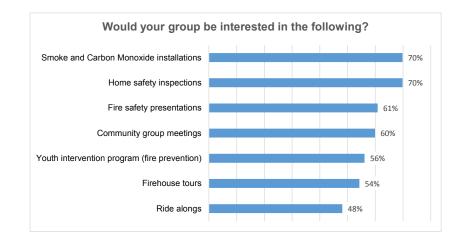

#### **Fire Department Services**

The Rochester Fire Department teaches Community Emergency Response Team (CERT) programs. CERT educates people about disaster preparedness including skills such as fire safety, search and rescue, team organization, and disaster medical operations. The survey asked whether individuals would be interested in participating in such a program, and the response was split, as shown in the following pie chart, with 41% interested.

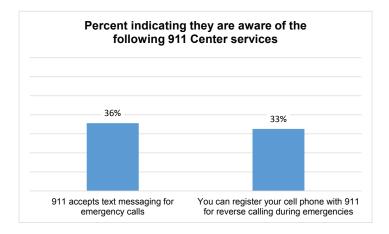

# YourOPINION

The Fire Department also provides a number of Community Risk Reduction programs, and the survey asked whether the respondent's neighborhood association, block club or civic group would be interested. Nearly half of those responding to the question indicated they would like to team up with RFD on one or more training program. Among those, the most popular choices were smoke and carbon monoxide installations and home safety inspections (70% each).

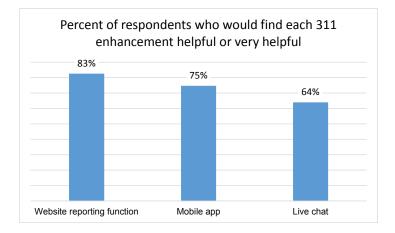

# 911 Emergency Communications and the 311 Call Center services

The 911 Emergency Communications Center offers services that the public may not be aware of, including text messaging and the ability to register a cell phone number for reverse calling in an emergency. Based on survey responses, about one-third of the public appears to be aware of these services.

The 311 One Call to City Hall Center is considering enhancements to its current services, including a mobile app, a "live chat" interface and a reporting function on the City website. Respondents were supportive of all three possible enhancements, with 83% indicating the website reporting function would be helpful or very helpful. Three-quarters of respondents indicated the mobile app would be helpful or very helpful and 64% support a live chat enhancement.

# Facilitated Citizen Forum Comments on Safer and More Vibrant Neighborhoods

- We need to regain the sense of community with more activities, neighborhood associations, more active neighborhood service centers (NSCs), barber shop talks, more entertainment geared towards city residents.
- Need more information on when and where neighborhood meetings take place. Could the City help advertise meetings and events via its communications department? Could the City allocate funding to groups or use existing printing resources in-house?
- The City should do something with unused, vacant and dangerous properties.
- Put an end to open air drug sales.
- Kids are not in school; are they tempted by drug money versus minimum wage?
- Police need more training on cultural diversity and inclusion. Not every African-American is a criminal.
- More information needs to be communicated to citizens regarding the body camera policies.

### Telephone Town Hall Comments on Safer and More Vibrant Neighborhoods

- I have lived in the city for 64 years and remember when it was called the Flower City and there were flowers everywhere. Maybe have a contest for the prettiest front lawn or garden. Would love to see Rochester become the Flower City again.
- We need a movie theater Downtown; we have lots of teenagers with nowhere to go on the weekends. Could we get new lights on Comfort Street? People hang out there because the lights are dull.
- I commend the RPD for patrolling Lake Avenue about two weeks ago and giving out speeding tickets. Now can you do that on summer weekends?
- What are the City's plans for abandoned houses in the city? These houses make property value go down in the neighborhoods.
- Concerning the Thurston building it's a huge drug building and full of prostitution. We want to protect our police officers, we love them dearly.

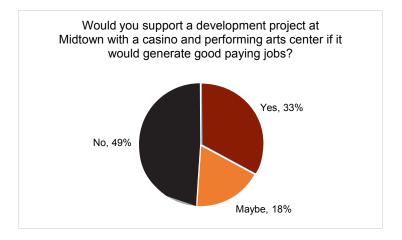

# **PRIORITY AREA: MORE JOBS**

#### Performing Arts Center and Gaming Facility

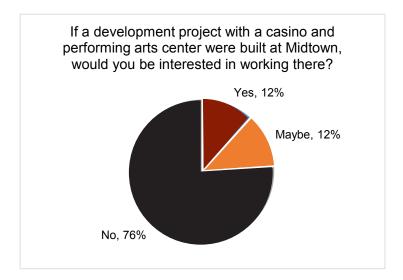

The City sought input from the public on the idea of a new development project at the Midtown site that would include a performing arts center with a gaming facility. The new development would be expected to generate numerous new, good paying jobs.

During the Telephone Town Hall meeting, participants were asked whether the City should do everything it can to revitalize Downtown, even if that includes a job creating performing arts center and a gaming facility. More than three-quarters (77%) said they support this initiative.

When a similar question was asked on the survey, responses were more mixed, with 51% saying "yes" or "maybe" and the other half saying "no."

The survey also asked whether respondents would be interested in working at a facility with a casino and a performing arts center, and 24% said "yes" or "maybe."

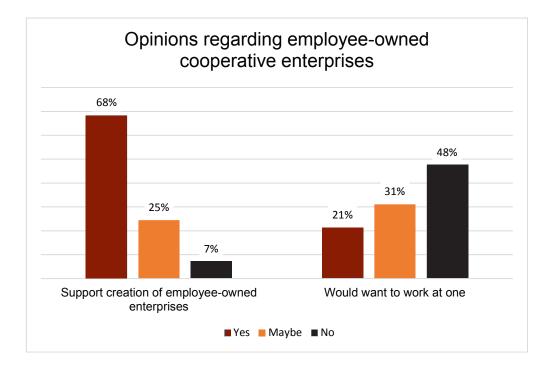

At the facilitated citizen input forum, participants expressed concerns about a casino, particularly about the financial impact on the community.

- Concerned that Downtown casino/performing arts center would take money out of the community.
- Performing arts center alone would be acceptable.
- Worries that the casino might not hire local people.
- This will cause more problems than the value of the jobs it will bring.

A Telephone Town Hall meeting participant said she thinks a casino Downtown is a good idea and would help close the gap in our budget.

#### **Employee-Owned Cooperative Enterprises**

As the City and other local organizations work to improve job opportunities for local citizens, one idea is to create employee-owned cooperative enterprises that would provide services needed by local companies and universities in the city. The survey asked whether respondents would support the City's efforts on this issue, and also whether they would consider working at one. Nearly all respondents supported this effort and more than half would consider working at one. Presumably, some survey respondents are retired or already have good jobs.

Citizen support for City of Rochester investments in educational and skill development programs is extremely strong, with 92% of Telephone Town Hall meeting participants indicating they support such programmatic support from the City.

# YourOPINION

#### Forum Comments on More Jobs Priority Area:

- The employee-owned business cooperative is a good idea, it keeps money local.
- Employees will be more personally invested in the business.
- Use city schools to train workforce for the cooperatives.
- Ideas include a community farm, health care cooperative.
- Need to secure good wages; temporary workforce lowers wages and benefits.
- Ex-offenders need special attention and assistance for employment.
- City should provide more funding for non-profits to provide job development.
- Public safety recruiting should go churches, salons and women's organizations to recruit minority and women candidates.
- People should not be screened out of public safety jobs because of crimes their family members committed. Public safety interviews should be recorded.
- Civil service exams should be available on a rolling basis, not just once or twice a year. Distribute test information via school counselors and through mentors at non-profits.
- Need more emphasis on the trades youth could be trained and then take care of city properties. Put youth to work on neighborhood tasks, vacant lots etc.
- Job readiness should be incorporated into all school and recreation programs. It's difficult for teens to find jobs, especially during the school year.
- Streamline City grant and loan processes.
- Small businesses need to be encouraged to hire from outside their own families.
- Mentors for business planning, financial planning, banking, government permits and processes would be welcome.
- Create community co-ops to lease energy from home or business owners that install wind/solar technology.
- Give local people the same tax breaks as the bigger businesses receive via COMIDA.
- Foster the pooling of resources so that people can open small businesses.

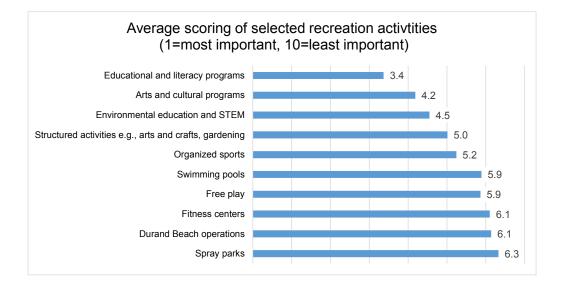

# PRIORITY AREA: BETTER SCHOOLS AND EDUCATIONAL OPPORTUNITIES

#### **Recreation Services and Programs**

Survey respondents felt that education and literacy programs are the most important services that the Department of Recreation and Youth Services offers, followed by arts and cultural programs, environmental education and STEM and structured activities.

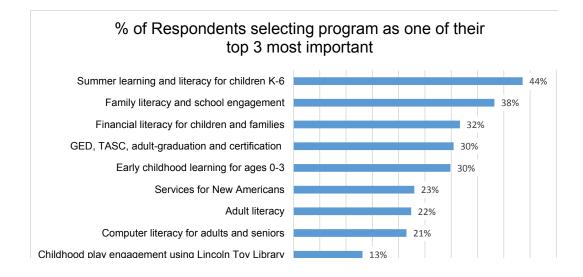

Less important to respondents were spray parks, Durand Beach and fitness centers.

Among survey respondents, 35% said they have used a City Recreation service or program in the last year, and 24% of respondents have attended a community meeting at an R-Center in the last year.

#### Early Childhood Development and Family Literacy

City libraries provide a wide array of services in their own facilities and through partnerships with the Rochester City School District and area daycare centers to support early childhood learning and literacy engagement. The online survey asked what other educational services are most important to the community. Survey takers were presented with a list of nine possible choices and were asked to select their top three. The strongest support was for summer learning and literacy programs for children in kindergarten through grade six (44% selected this as one of their top three choices). Next strongest was support of family literacy and school engagement programs (38%) and financial literacy programs for children and families (32%).

The Rochester Public Library is in the process of developing a new strategic plan and has written new mission and vision statements. Respondents were overwhelmingly supportive of the new mission and vision, with 87% saying that they like the new statements. Thirty-five respondents (10% of those answering the question) offered comments for further improvement which have been shared with the Library Director.

#### Forum Comments on Better Schools and Educational Opportunities Priority Area

- Peer matching between upper classmen & lower classman (i.e. 9th graders speaking to incoming freshmen). Address bullying through campaigns.
- Open schools in the summer to allow youth to use the libraries, pools and other amenities. Consider yearround schools. Offer more afterschool programs such as poetry, dance and photography clubs.
- Increase school daycare opportunities for students with children.
- Some teachers don't want to teach in the city. City school teachers should live within city limits for a period of time.
- Divide schools up (keep elementary, middle and high school separate); return to neighborhood schools.
- More trade and career specialized schools that focus on skill development and exposure to careers. Partner with businesses to introduce career tracks and specific career sectors. More focus on apprenticeships. Create a BOCES model in Downtown Rochester.
- More parental involvement with teachers (home visits, more social events, school kickoff events).
- Teach students how to communicate better (social media, public speaking).
- Counselors should communicate with 9th grade students about college, instead of waiting until they're in the 12th grade.
- Schools need more social workers.

Your OPNI

- Teach social skills (e.g. doing presentations in class), life skills based on interest levels (e.g. math, basketball, shopping, science).
- More teen centers in libraries.

- Interact with students through social media, perhaps create a viral video about youth programs. Others say to block access to social media on school grounds.
- Need more transportation to different programs and events, including direct transportation between the schools and the R-Centers.
- Peer teaching throughout the Rochester City School District (K-12), expeditionary schools, alternative schools for youth with disciplinary problems to reduce distractions for other students.
- Better tracking and availability of information related to the percentage of city youth who utilize City recreational services.

## Telephone Town Hall Comments on Better Schools and Educational Opportunities

- Suggest we go back to the old model of education such as when Edison was a technical institute or a "school of skills."
- Concern about safety at the City branch library locations. They have been equipped with surveillance cameras that are not operational and were told by staff workers that this is due to a lack of funds.

## **INNOVATION AND EFFICIENCY**

The City continuously searches for opportunities to make its services more efficient and to be innovative in the provision of existing programs or development of new initiatives. The Telephone Town Hall meeting polled residents' on the single-stream recycling pilot program and on having a dog park somewhere in the city. The online citizen survey asked citizens about their thoughts on the pursuit of citywide broadband.

## Single-Stream Recycling

The City piloted a single-stream recycling program in certain neighborhoods in 2015 and plans to expand the program city-wide. Among Telephone Town Hall participants, 85% support the expansion to citywide single-stream recycling. Several participants expressed high levels of satisfaction with the program and stated that they recycle more now than they ever have in the past.

## **Dog Parks**

Henrietta, Greece and Brighton have developed official dog parks and the City has explored establishing one as well. When asked during the Telephone Town Hall whether they support the development of a dog park in the city, 41% were supportive while 59% were not supportive.

A Telephone Town Hall participant said that the City should give the dog park a try and cancel it if not many people utilize it. It's something that doesn't cost a fortune [to implement].

## **Community Broadband**

The City is working with the Rochester City School District in applying for a grant to expand community broadband access. The online survey asked respondents for their thoughts on this issue. Slightly more than half of respondents answered this question, and of those, 66% were supportive of this effort while the remainder were unsupportive or unsure.

#### YourOPINION Matters

Arguments in support of community broadband include a need for competition for Time Warner, a need to ensure access for all children to the internet in the 21st century and the positive business climate this would create. Many respondents mentioned the Greenlight Networks company as one to consider working with. Among those who were unsupportive or were unsure of their level of support, concerns include the cost to the City or its residents and the fact that people who cannot afford broadband may also be unlikely to have devices on which to access the internet.

### **City of Rochester Website**

While it was recently redesigned, the City is always looking for suggestions for additional information or capabilities on its website, www.cityofrochester.gov. Sixty-five respondents said they had no suggestions, 307 did not answer the question and the remaining 93 offered a comment. Some respondents described the website as easy to navigate and greatly improved, while others say it is difficult to navigate and should have more links. Selected comments include the following:

- A mapping interface that would allow people to look up specific needs and see the spaces around the city that may provide services.
- A page just for active City projects such as the Port Project
- Allow residents to report code violations and property maintenance problems
- Allow residents to sign up to receive regular City e-newsletter or bullets about initiatives, training opportunities, development updates
- Make Zoning Board minutes searchable
- Improve the 911 news feed
- Should be able to report potholes
- Make Requests for Proposals easier to see
- Mobile friendly, please!
- Paying the City online should be free
- · Website is confusing, no central site map, hate having to search for everything
- Website is well done and easy to navigate

#### Telephone Town Hall Comment on Innovation and Efficiency

• NSC offices should be stricter. Refuse department rushes to get done early.

The Honorable Lovely A. Warren Mayor, City of Rochester City Hall 30 Church Street, Room 301A Rochester, NY 14614

Dear Mayor Warren:

Subsequent to our thorough review of the Proposed Budget for the City of Rochester for 2016-17, we herein present you with the comments and judgments of City Council regarding that document.

General Overview

- The Approved Budget of \$516,969,100 represents an increase of \$11,646,600 or 2.3% above the Amended 2015-16 Budget.
- The budget presented an increase of \$2,500,000 in the tax levy and provides a decrease of (4.67%) for the property tax rate for homestead properties and a decrease of (9.90%) for non-homestead properties.
- The average home (based on \$72,600 assessment) will have a decrease of (\$15.85) in property taxes. The water rate will increase by 3% or by \$10.89 for the average homeowner, and it should also be noted that there is no rate increase for Refuse or Local Works.
- Assessed value of property in the city rose again, this year by 8.28% or \$495,349,617 for an overall value of \$6,475,964,157. The Council is pleased to see this trend continue, indicating that the City of Rochester is a place that people not only want to work and play, but a place they want to live and raise their family in.
- The City of Rochester received \$6 million in unrestricted aid from New York State. Post approval of the budget, but prior to the end of session, State leaders also announced a commitment of \$10.5 million to be used for renovations to the Blue Cross Arena at the War Memorial. While we are grateful for this support, the City will continue its ongoing emphasis on the disparity between Rochester's per capita State aid, and the levels of such aid provided to Buffalo and Syracuse. Achieving parity on this issue is critical to the ongoing fiscal health of the community.

- Staffing levels for the City increased by 13 fulltime positions for an overall total of 2,747. While it is important that we right-size our staff, we also need to be mindful of the lasting impact that additional staff has on our city's future expenses, specifically pension and health insurance costs. This is especially true with grant funded positions, as the post-employment costs are not factored in to the amount awarded to the City.
- This year the City did not exercise its option to participate in the New York State's Pension Amortization Program. The City's 2016-17 payment to the New York State Retirement System is \$41.5 million, an increase of \$300,000 from last year's payment. The 2017-18 payment is expected to decrease next year by \$200,000 for a total bill of \$41.3 million. Further out years continue to show modest annual decreases, but that will remain only if we are mindful of staffing needs going forward, and consider the implication additional positions added to our workforce will have on the annual cost.
- With the conclusion of regular session for the State Legislature, Governor Cuomo signed the Bill for Phase II of the Facilities Modernization Plan (FMP) for the Rochester City School District (RCSD). This incredible influx of funding that is being used to bring our school buildings into the 21<sup>st</sup> century allows the City the opportunity to scale back the amount in which the City bonds for the RCSD. The RCSD is a dependent district, and the fiscal ratings we receive through organizations like Standard & Poor's and Moody's are tied to both the City's and RCSD's fiscal practices. In an effort to be fiscally prudent with tax dollars, this year the Council passed a new Bonding Policy for the RCSD. This new Policy indicates that only emergency projects will receive dollars from bonding. With many projects being completed and/or planned through the FMP, it was not responsible to keep bonding at the rate we had when these dollars were not available. Again, the safety of our children and those working in school buildings is paramount and that is why there is the provision to be able to bond for emergency repairs.

## Review Process

City Council's review of the Annual Budget is a lengthy and thorough process; with an analysis of each department, as well as individual departmental public hearings held by the Finance Committee. We, as a Council, educate ourselves on the year-to-year changes in an effort to ensure that the City is moving forward on the right path toward continued growth and economic stability.

The City is obligated through New York State Legislation to fund the Rochester City School District (RCSD) at \$119.1 million annually. While the Council has no authority on the line item spending within the RCSD's budget, we do approve their budget as a whole. Therefore it is important for the RCSD Superintendent and senior staff to come before the Council and answer questions and concerns that we have, similar to the way that City departments do. This is the fifth year that these hearings have taken place, as they were suspended prior to being reinstated during the review of the 2012-13 Budget. It is important that communication between the City

and RCSD remain open and transparent. In order to enhance this effort the City Council continues to lead the "3-3-3" effort; a group that consists of three City Council Members, three Board of Education Commissioners, and three members of the Monroe County Legislature.

Upon the conclusion of the City department hearings and the RCSD hearing, the Council hosts a joint public hearing with the Commissioners of the Rochester City School District's Board of Education to hear concerns from the community about the City of Rochester and Rochester City School District budgets. After this hearing is completed the Council then votes on both the City and the City School District Annual Budgets.

Some items of note not previously mentioned that are helping to balance this budget and close the original \$41.2 million budget gap while ensuring that programs and services to residents are maintained include: adjusting the capital program by \$13.8 million, \$2.3 in department reductions and efficiencies, \$1.5 million in fuel and utility expense savings, \$1.5 million from the sale of real estate, \$1.5 million from the Premium and Interest Fund, \$2 million from the Health Care Rate Stabilization Fund, \$1.9 million in additional revenue from delinquent taxes and fines, and the use of \$9.3 million of the Fund Balance. This budget is a thoughtful document that delivers essential services while maintaining a certain quality of life that Rochesterians have come to expect. Yes, cuts were made, but they were made in a way that had minimal impact on the residents of Rochester as core services and facilities were all maintained.

Council is concerned with the continued use of Reserve Funds, as this is not a permanent way to balance annual operating budgets going forward. It is the hope of the Council that in future years there will be less reliance on these dollars as a means to close pending budget gaps.

The \$119,100,000 that New York State has mandated the City give to the Rochester City School District, irrespective of enrollment, school closings, or performance, and with no accountability on spending, is a preposterous agreement. This dollar amount represents 68% of the entire tax levy, leaving only 32% of our taxes to provide police services, fire services, street plowing, road repair, cemetery maintenance, water system maintenance, 911 service, park preservation, recreation services for our youth, libraries, and at the same time, move large projects like the Inner Loop forward. We, as a city, do all of this with only 32% of the taxes collected, while the School District, regardless of whether it has one student or one million, is entitled to \$119,100,000. This does not make sense, and we will continue to urge Albany to rethink this level of funding irrespective of circumstances such as enrollment or the City's ability to pay. By all means, we want to support our schools, but we want to do it in a way that makes sense, that is reasonable, and is tied to the actual needs of the students in our schools.

#### **Conclusion**

We conclude by complimenting you and your Administration on producing a budget that maintains services in a difficult financial time, without placing the burden on our residents.

Council is, as always, your partner in government and we look forward to working with you to implement this budget.

Respectfully submitted,

San

Loretta C. Scott President

Jarlan & Caplin

Carolee A. Conklin Chair, Finance Committee

- □ Fuel costs

## REVENUE SUMMARY SUMMARY OF REVENUE CHANGES

General Fund 2016-17 revenue estimates are \$390,341,000, 3.9% more than the 2015-16 Budget. Unrestricted aid from New York State increases \$4,000,000. A 1.45% increase in the tax levy is proposed to generate \$2.4 million in revenue. A transfer of \$2 million from the rate stabilization allocation of the internal service fund for health care expense is budgeted. Growth in sales tax is expected to generate an additional \$1,628,600 in revenue. One time sale of real estate results in \$1.5 million additional revenue. Transfer from Premium & Interest to offset debt service increases by \$1.2 million. Appropriation of fund balance committed for tax relief increases \$1.1 million. An appropriation of \$1 million of fund balance assigned for capital projects is budgeted.

Special Fund 2016-17 revenue estimates are \$18,756,300, 4.6% less than the 2015-16 Budget. One-time receipt of \$400,000 support for the Master Space Plan does not recur. Transfer of \$150,000 from Library Trust Funds to offset reductions in the branch libraries expires. Appropriation of Animal Control fund balance to offset capital expenditures decreases by \$206,000.

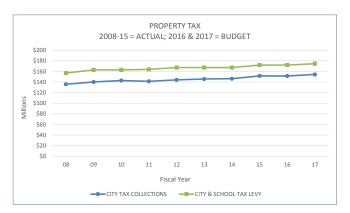

Enterprise Fund 2016-17 revenue estimates are \$107,871,800 or 1.8% less than the 2015-16 Budget. A rate increase is budgeted for the Water Fund. The appropriation of \$2,311,700 from Refuse Fund balance does not recur as planned capital expenditures decrease. The appropriation of fund balance for Local Works decreases \$628,200 as capital expenditures decrease. The appropriation of Water Fund balance decreases \$469,700 as planned capital expenditures decrease. Transfer from Premium & Interest for Water Fund decreases \$587,900 due to one-time repayment of unused borrowings.

### **Property Tax**

New York State General City Law authorizes Rochester to levy taxes on the value of real property. The assessed value of the property and the tax rate determine the amount of tax to be paid by a property owner. Taxes are billed annually, and quarterly installments are allowed for the first \$8,200 owed on each parcel. Responsibility for collecting property taxes is vested in the Department of Finance, Bureau of Treasury. Property taxes are allocated to various funds as necessary to balance them. Beginning in 1994-95 City and School property tax collections are accounted for within the City Budget. Funding for the

City School District is provided within the Interfund revenue section. Prior to 1994-95 the School District received property tax collections outside of the City Budget. Beginning in 1998-99 the STAR program enabled a decrease in the property tax billings with an equal offset in State aid. Beginning in 2011-12 the annual increase in STAR is capped at 2%. In 2016-17, the credit for STAR exemptions for properties purchased after February 1, 2015 will not be issued on the property tax bill but instead will be issued by check directly from New York State in accordance with the Governor's new STAR program. For detailed information on the calculation of property taxes, see the Property Tax Computation and Analysis section, which follows the Revenue Summary section.

#### **Major Change**

Four major factors influence the amount of revenue generated by the property tax:

1. The Tax Base – The total assessed valuation of the City is the base on which revenues are generated. The assessed valuation increases by \$495,349,617 or 8.28% from the 2015-16 level. A description of assessment changes is included in the Property Tax Computation and Analysis section.

2. The Revenue Requirement – The amount of property tax revenue required to finance City services is determined by the cost of the services provided and the availability of revenue sources other than the property tax. The following summarizes changes in expenses and revenues from the 2015-16 budget:

	<u>2015-16</u>	<u>2016-17</u>	Change
Expenses	505,322,500	516,969,100	11,646,600
Non-Property Tax Revenue	353,995,600	362,775,500	8,779,900
Property Tax Required (City & School)	151,326,900	154,193,600	2,866,700

Further specific changes in revenue receipts are detailed under the appropriate revenue headings that follow. Expense changes are described in the appropriate department budget section.

3. The Collection Rate – It is anticipated that 93.5 percent of the tax levy will be collected during 2016-17. In addition, anticipated collections for the first sixty days following the current year are accrued as 2015-16 receipts. This accrual is estimated to be 1.5 percent of the tax levy, bringing total collections to 95.0 percent. A Tax Reserve of 5.0 percent of the required property tax revenue is also levied to compensate for those taxes that will not be collected or accrued during 2016-17 and an amount for the settlement of assessment review proceedings. In accordance with Generally Accepted Accounting Principles, the tax reserve is not reflected in the budget.

4. STAR Program – In 1998-99 New York State enacted the School Tax Relief (STAR) Program, which provides two types of exemption for owner-occupied primary residences. The "Enhanced" program is for property owners 65 years of age or older, with incomes of \$84,550 or less. Approximately 4,800 property owners will benefit from this program in 2016-17. All owner-occupied property owners with incomes less

than \$500,000 are eligible for the "Basic" STAR program. Approximately 20,400 property owners will take advantage of the "Basic" program in 2016-17. An additional 837 owner-occupied properties purchased since February 1, 2015 will be subject to the new STAR program implemented with the New York State's 2016-17 fiscal year. These property owners will no longer receive a credit on their property tax bill but will instead be required to register with the state to receive a credit directly from NYS. This program is further defined in the Property Tax Computation and Analysis portion of the Revenue Summary section.

### **Major Change**

A proposed increase of 1.45% to the tax levy results in \$2,375,000 incremental revenue. STAR revenues from NYS decrease as a result of lower tax rates and shift in STAR program to credits issued by NYS.

### Year-to-Year Comparison

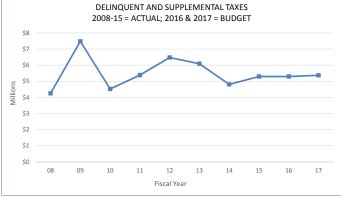

#### All Funds

<u>2015-16</u> 151,326,900	<u>2016-17</u> 154,193,600	<u>Change</u> 2,866,700
General Fund		
<u>2015-16</u>	2016-17	Change
140,835,300	142,969,700	2,134,400

### **Delinquent & Supplemental Taxes**

Revenue from property taxes levied but not collected or accrued in previous years is classified as delinquent taxes. After properties have been delinquent for one year, the City may hold a bulk sale of delinquent tax liens to a third party or selected properties may be sold at foreclosure sale; uncollected balances are canceled when these actions are completed.

When properties lose their tax exempt status through transfer of ownership, property owners

receive a supplemental tax bill that includes both current and delinquent payments.

When an assessment is inadvertently left off the tax roll, property owners are later notified and billed the following year as an omitted tax.

#### **Major Change**

Larger beginning delinquent balance increases delinquent taxes collected. Sale of higher valued liens is planned to continue.

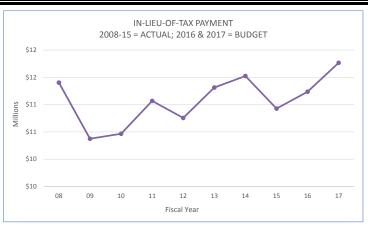

#### Year-to-Year Comparison

<u>2015-16</u>	<u>2016-17</u>	<u>Change</u>
5,295,000	5,376,800	81,800

## In Lieu Of Tax Payments

To facilitate construction of public housing units and encourage industrial development, various sections of New York State law authorize certain property owners to make payments as a substitute for property tax. Currently, such payments are authorized under four different statutes:

1. The Private Housing Finance Law applies to projects constructed with private resources to provide housing for low and moderate income families. Payments for such projects are

generally calculated at a rate of 10% of sheltered rents. Sheltered rents are determined by subtracting that portion of rent needed for utility service from total rent payments.

2. The Public Housing Law authorizes payments in lieu of taxes for property owned by public housing agencies. Payments are calculated in the same manner as those covered under the Private Housing Finance Law.

3. The Urban Development Act provides tax exemptions for properties owned by the Urban Development Corporation (UDC). When such properties are leased, payments in lieu of taxes are negotiated. For housing projects, the sheltered rent formula is generally applied, while economic development projects pay based on the percent of floor space occupied or percent of operating revenues.

4. The General Municipal Law authorizes the County of Monroe Industrial Development Agency (COMIDA) to receive tax exemptions on properties owned. In lieu of tax payments are negotiated when such properties are leased. Generally, the payments are equal to the amount that would have been paid if the property were not owned by COMIDA.

Currently one-hundred nine COMIDA projects make payments in lieu of taxes. Sixty-nine housing projects make shelter rent payments. The Department of Finance, Bureau of Accounting, administers these accounts.

## **Major Change**

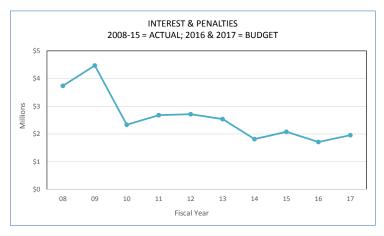

Revenue increases due to four new COMIDA projects in addition to declining exemption values. Four new housing projects begin making payments in 2016-17.

## Year-to-Year Comparison

2015-16	<u>2016-17</u>	Change
11,236,000	11,767,200	531,200

## **Interest & Penalties**

The interest rate on delinquent taxes and other charges listed on the tax bill was reduced in 2012-13 from 1.5% to 1% per month (18% to 12% per annum) for taxes levied effective July 1, 2012 and after. The interest rate on balances levied on or before July 1, 2011 will remain at 1.5% (18% per annum). Penalty fees for unpaid taxes are added to subsequent tax bills and are collected in the same manner as property taxes.

## **Major Change**

Larger beginning delinquent tax balances and planned foreclosure activity result in additional revenue.

Change

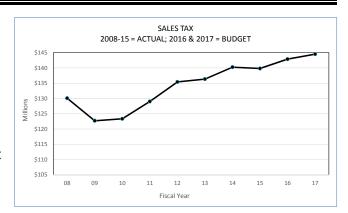

248.000

### Year-to-Year Comparison

2015-16	2016-17
1,710,000	1,958,000

Sales Tax

New York State Tax Law authorizes Monroe County to impose a tax on sales transactions in the County. A four percent tax (besides the four percent imposed by the State) is charged on most sales transactions except sales of food and home heating fuels. The local sales tax rate increased from 3 percent to 3.5 percent in September 1992 and to 4 percent in March 1993.

Sales tax proceeds are collected by the State and distributed to the County every month. Under the current sales tax distribution formula the City receives 35.63 percent of total County collections generated from the 3 percent local share. The City's initial share of the additional 1 percent, approximately 4.1%, began on December 1, 1993, and was suspended on November 30, 1994. During that period the City School District received approximately 3.7% of the additional percent directly from the County. The City resumed sharing the additional 1 percent on December 1, 1995. Beginning in December 1995 the City share of the additional 1 percent became 2.5%, and it increased annually for the next five years to 5%, 12%, 15.75%, 19.22%, and then subsequently dropped to 18.1%. The City share of the additional 1 percent decreased to approximately 17.7% in January 2011 to reflect population changes identified in the 2010 Census.

## **Major Change**

Taxable sales are expected to increase 1.1% on a higher than expected base.

## Year-to-Year Comparison

2015-16	2016-17	Change
142,871,400	144,500,000	1,628,600

## **Utilities Gross Receipts Tax**

As provided by Section 20b of the General City Law, Rochester imposes a 3% tax on the gross income of utility company transactions in the City. Rochester Gas & Electric Corporation and Frontier Corporation pay approximately 83% of these taxes.

## **Major Change**

Revenue continues to decline as fewer Energy Service Companies (ESCOs) assess and remit tax.

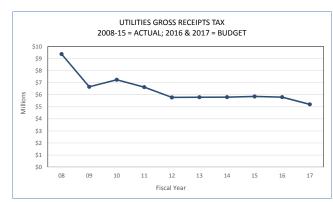

## Year-to-Year Comparison

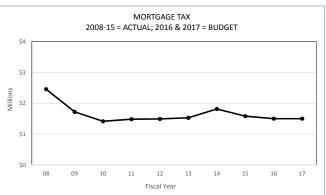

2015-16	<u>2016-17</u>	Change
5,800,000	5,200,000	-600,000

## Mortgage Tax

New York State Tax Law authorizes the Monroe County Clerk to collect a tax on mortgage transactions in the County. A tax is charged on the transactions and

distributed pursuant to Section 261 of the Tax Law. The City receives 50 percent of the amount collected, less an allowance for administrative expenses, on mortgage transactions within the City.

#### Year-to-Year Comparison

2015-16	2016-17
1,500,000	1,500,000

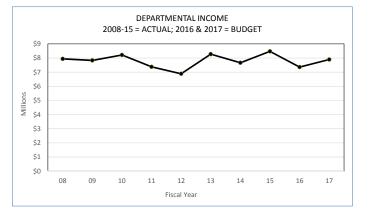

Change 0

#### **Departmental Income**

Revenues generated by departmental operations are classified as departmental income. Examples include fees collected at skating rinks, charges for processing at the Police photo lab, towing fees, foreclosure fees, and zoning application fees. The City Code authorizes these fees. The fees are calculated to cover all or part of the cost of specific services.

#### **Major Change**

Planned revenue from West Brighton for primary

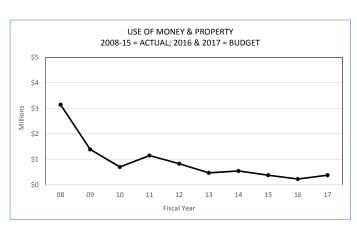

fire protection and emergency medical first responder services increases \$272,300 as renewal to contract is negotiated for January, 2017. Services provided by the City to the Land Bank decline resulting in \$224,000 less reimbursement. Reimbursement for police overtime increases \$226,500 based on historical activity. Towing and storage fees increase to reflect actual collections \$125,000. Reimbursement from MCC for fire training increases \$77,000 as larger recruit class is planned and training activity increases. Trust fund revenue for special events increases \$45,300. Reimbursement from RCSD for School Resource Officers expected to decline \$31,600 based on credits for absences. Rehabilitation charges including property maintenance increase \$30,000 as collection rate increases. Youth Voice One Vision grant does not recur \$24,900. Civil service exam fees decline \$24,600 as firefighter exam does not recur. Fire prevention permits and fire alarm permits increase \$23,300 and \$3,400 respectively to reflect actual collections. Publication and abstract fees increase \$20,000 as foreclosure activity increases. Recreation fees increase net of \$7,500 due primarily to: Genesee Valley Park Ice Rink increase \$25,000; reduction in softball league revenue \$15,000; reduction in After School in Parks Program (ASIPP) \$10,000; planned rental of Marketview Lodge does not occur \$10,000; planned rental of space at Ferry Terminal building \$9,600; and \$7,900 increase in miscellaneous recreation center revenues. Net of other changes is an increase of \$9,700.

#### Year-to-Year Comparison

2015-16	2016-17	Change
7,362,000	7,896,900	534,900

#### **Use Of Money & Property**

The major revenue source in this category is from investment of cash. Under provisions of the New York State General Municipal Law, Rochester is authorized to invest funds in interest bearing commercial bank accounts until these funds are needed to meet payrolls or to pay bills. The second source of revenue in this category is from rental of City-owned property.

#### **Major Change**

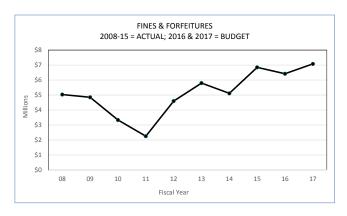

Rental revenue from the Port increases by \$98,600 due to new leases in 2016-17. Stadium rental and expense reimbursement expected to be \$50,000 in accordance with new operator.

### Year-to-Year Comparison

2015-16	2016-17	Change
226,400	375,000	148,600

## **Fines & Forfeitures**

The revenue in this category consists of fines and penalties levied by the Criminal Branch of City Court, proceeds from red light camera notices of violation issued by the Police Department and other authorized agents, municipal code fines collected by the Parking & Municipal Violations Bureau, and a distribution of fines collected by New York State for traffic violations committed in the city.

## **Major Change**

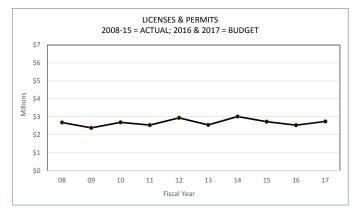

Collection of municipal code violations increase as larger balances are added to property tax bill and proposed revision to penalty structure is implemented \$500,000. Moving violation revenue increases \$104,100 to reflect higher than expected collections despite the City absorbing a larger share of NYS adjudication expense. Fines assessed against ambulance contractor increase \$65,000 due to non-performance. Parking ticket surcharge recorded in General Fund to be used for local criminal justice programs and purposes increases \$62,700. Red light camera violations decline \$54,600. City Court fines and forfeited bail decline \$17,900 based on historical activity.

## Year-to-Year Comparison

<u>2015-16</u>	2016-17	Change
6,420,900	7,080,200	659,300

## Licenses & Permits

The Municipal Code authorizes the City to regulate various activities by issuing permits and licenses. This is done to protect public safety. Fees for permits and licenses are designed to fully or partially recover the administrative and enforcement costs of regulated activities. Most permits are issued by the Department of Neighborhood & Business Development.

## Major Change

Building permits increase \$285,000 due to large projects and to reflect historical building activity. Professional licenses decrease \$188,400 due to off-year for biannual renewal. Street opening permits increase \$120,000 with new fee schedule implemented in 2015-16. Net reduction in business and occupational licenses \$13,200. Net of other changes is an increase of \$6,300.

#### Year-to-Year Comparison

2015-16	<u>2016-17</u>	Change
2,533,100	2,742,800	209,700

### Sale Of Property & Compensation For Loss

Revenue in this category comes from sale of real property, sale of excess materials, insurance recoveries, and the sale of unclaimed property. The sale of real property is the largest revenue source in this group.

### **Major Change**

Sale of city property to charter school is budgeted \$1,500,000. Auto auction proceeds increase due to better pricing \$25,000. Reimbursement for damage to police vehicles increases \$2,800. Net of other changes is an increase of \$500.

### Year-to-Year Comparison

<u>2015-16</u>	<u>2016-17</u>	Change
897,000	2,425,300	1,528,300

### Miscellaneous

Miscellaneous revenues consist of refunds or reimbursements for expenses incurred in prior years, an appropriation of surplus from prior years, cable television franchise revenues, and miscellaneous income.

#### **Major Change**

Use of fund balance committed for property tax relief increases by \$1,119,700. Appropriation of fund balance assigned for capital projects is budgeted \$1,000,000. Appropriation of general fund surplus

decreases \$122,000. Refund of prior year expenses decreases \$50,000 based on historical activity. Cable TV Franchise revenue increases \$17,300 based on projected sales activity. First responder franchise fee increases with inflation \$8,200.

#### Year-to-Year Comparison

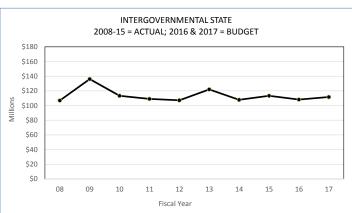

2015-16	2016-17	Change
16,377,900	18,351,100	1,973,200

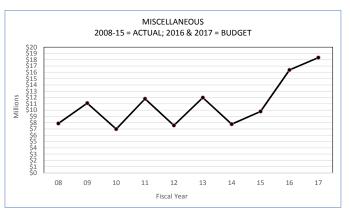

#### Intergovernmental – New York State

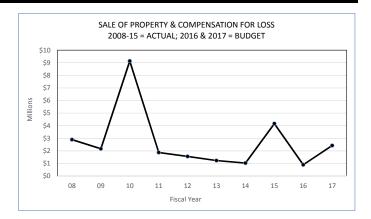

Revenues received from New York State constitute this category. There are four types of aid: general purpose, categorical, miscellaneous, and New York State Tax Relief (STAR).

1. General purpose aid provides revenue for unrestricted use by municipalities under the Aid & Incentives for Municipalities (AIM) program.

2. Categorical aid is directed to support specific objectives and, as a result, is restricted to certain purposes. Support is received for such functions as street improvements, crime prevention, and youth recreation.

3. Miscellaneous aid includes reimbursements for various services.

4. The New York State Tax Relief (STAR) Program provides revenue to municipalities to offset school property tax relief for targeted taxpayers. This only applies to STAR exemptions applied prior to February 1, 2015.

#### **Major Change**

Unrestricted aid increases \$4,000,000. STAR revenue is reduced \$491,700 as property tax rate declines and revised program provides direct credit from NYS rather than credit on tax bill. Net increase of \$421,600 to Consolidated Highway Improvement Program with new PAVE-NY program. Assessment aid of \$305,000 is budgeted in accordance with recently completed revaluation. Summer of Opportunity (SOOP) expires in NYS budget \$300,000. One time reimbursement of capital expenditures does not recur \$213,100. NYS Department of Health grant expires \$119,700. Comprehensive Adolescent Pregnancy Prevention Program (CAPP) decreases \$61,600 pending extension. Miscellaneous state grants decrease \$62,500 which is largely attributable to the following grants not recurring: Auto Theft Prevention \$29,600; PAC-TAC overtime \$13,600; Community Policing (Razenhofer) \$10,000; SWAT team (Funke) \$4,000; Child Seat \$3,700; and Motor Vehicle Theft & Insurance Fraud \$1,600. Support for environmental quality projects increases \$23,600.

#### Year-to-Year Comparison

2015-16	<u>2016-17</u>	Change
108,150,700	111,652,300	3,501,600

#### Intergovernmental – Federal

The Federal Aid category includes reimbursements for the administration of federally funded programs. The program appropriations are approved by City Council separate from the City operating budget. The Community Development Block Grant (CDBG) Program is the largest such "off budget" fund.

#### **Major Change**

Net reduction in Federal Pregnancy Prevention grant funds \$246,000 in accordance with planned

INTERGOVERNMENTAL FEDERAL 2008-15 = ACTUAL; 2016 & 2017 = BUDGET \$10 \$9 \$8 \$7 Millions \$6 \$5 \$4 \$3 \$2 \$1 \$0 08 09 10 11 12 13 14 15 16 17 Fiscal Year

expenditures and new five year agreement. Net reduction of \$115,200 occurs in Assistance to Firefighters grant as grant does not recur. Smart Policing grant expires \$114,700. Support for Americorps program increases \$100,200 in support of a full year of programming. New HUD Lead Hazard Control grant funding of \$97,500. Net reduction occurs in State Homeland Security Program (SHSP) federal pass-through grant \$55,000. Project Safe Neighborhoods support declines by total of \$39,300. Net reduction of \$26,100 in substance abuse grant funding as program expires in October 2016. Domestic Abuse Response Team (DART) grant revenue increases \$20,200. Summer lunch program declines by \$8,200 corresponding with planned expense. Bomb squad grant does not recur \$7,300. Support for environmental quality projects declines \$3,400. Net of other changes is a decrease of \$2,100.

#### Year-to-Year Comparison

<u>2015-16</u>	<u>2016-17</u>	Change
5,914,500	5,515,100	-399,400

## Intergovernmental – Other

Revenues received from governmental agencies other than the Federal and New York State levels constitute this category. Reimbursements from Monroe County for 911 staffing costs account for the majority of the revenues in this classification. Profits distributed by the Western Region Off-Track Betting (OTB) Corporation and Monroe County reimbursements for highway maintenance, public safety activities, and various other programs comprise the remaining intergovernmental revenues.

#### INTERGOVERNMENTAL OTHER 2008-15 = ACTUAL; 2016 & 2017 = BUDGET \$20 Millions \$15 \$10 \$5 \$0 08 09 10 11 12 13 14 15 16 17 Fiscal Year

## **Major Change**

STOP-DWI grant funding decreases \$136,400 pending new grant award in calendar year 2017. Election inspector reimbursement decreases \$35,800 due to completion of presidential primary in 2016. Monroe County traffic shares increase \$26,000. Lead hazard reimbursement increases \$20,000. County reimbursement for Emergency Communications decreases \$15,800 to correspond with approved 2016 County budget. Underage Tobacco Enforcement grant declines by \$9,800. Net of other changes is an increase of \$900.

## Year-to-Year Comparison

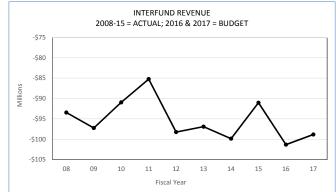

2015-16	2016-17	Change
20,003,600	19,852,700	-150,900

## **Interfund Revenues & Transfers**

Interfund transfers consist of three categories:

1. Reimbursements to the General Fund for services provided to other operating funds. In these cases, the cost of services (street cutting and administrative chargeback) are included in the General Fund as well as the appropriate non-General Fund. The reimbursements offset the General Fund expense. Revenues in this group include transfers from the Library Fund and Enterprise Funds.

2. Reimbursements to the General Fund from funds

not included in the operating budget. Revenues in these funds are generally restricted and can be transferred to the General Fund only to the extent that eligible expenses are identified.

3. Beginning in 1994-95, transfers to the City School District to fund educational expenditures in accordance with the City Charter.

## **Major Change**

A transfer of \$2,000,000 from the rate stabilization allocation of the internal service fund reserved for health care expense is made in accordance with the City's Labor Management Health Care Committee memorandum of agreement to offset increasing health care costs. Transfer from Premium & Interest to offset interest expense on debt service increases \$1,211,100. Transfer of \$492,000 from Bloomberg Innovation Fund does not recur as grant has expired. Annual allocation for GRANET expires \$200,000. A transfer of \$60,000 from the Recreation Trust Fund is budgeted to offset planned capital purchase of transport vans. Downtown Enhancement District transfer is revised to exclude motor equipment costs \$57,800. Allocation of forfeiture funds decrease a net of \$25,800 as expiring community-based program

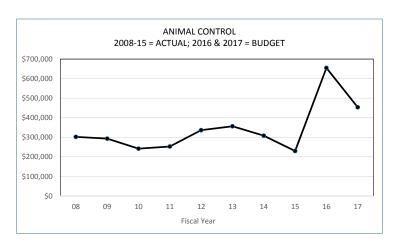

support is partially offset by funding full year lease at Bivona Child Advocacy Center. Transfer from Foreign Insurance Fund decreases \$8,700 in accordance with approved spending plan.

#### Year-to-Year Comparison

2015-16	2016-17	Change
-101,308,900	-98,822,100	2,486,800

### **Animal Control Fund**

Under Article 7 of the New York Agriculture and Markets Law, all expenditures and revenues associated with the licensing and impounding of animals must be recorded in a special fund. Accordingly, the Animal Control Fund includes revenues from the sale of dog licenses, fines for unlicensed dogs, and operating revenues from the Animal Control Center. Since the Animal Control Fund does not generate sufficient revenues to cover expenses, a portion of the property tax is allocated to this fund.

#### **Major Change**

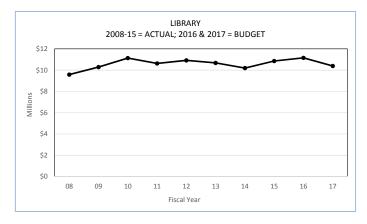

Appropriation of fund balance to offset planned capital expenditures declines \$206,000. Miscellaneous fees including rabies shots increase \$13,300. Net reduction in PETCO grant of \$10,000. Fines increase \$3,000 based on actual collections. Dog licensing fees decrease due to less activity \$1,900. Property tax support needed to balance the budget increases \$356,700.

#### Year-to-Year Comparison

	2015-16	2016-17	Change
Operating Revenue	654,600	453,000	-201,600
Property Tax	1,568,000	1,924,700	356,700
Total	2,222,600	2,377,700	155,100

#### Library Fund

Section 259 of the New York State Education Law requires that all revenues generated from library operations be recorded in a special fund. Revenues associated with the operation of the Central Library and 10 branch libraries include Monroe County reimbursement for the Central Library, reimbursements from the Monroe County Library System (MCLS) for library material processing and inter-library loan services, State aid and grants, and miscellaneous income. These revenues are not sufficient to cover library costs; therefore, a portion of the property tax is allocated to this fund.

#### **Major Change**

One-time donation of \$400,000 from Friends & Foundation of Rochester Public Library for development of the Central Library Master Space Plan does not recur. One-time use of Library Trust Funds to offset reductions to branch libraries \$150,000 does not recur. E-rate program revenue of \$119,400 expires as changes to the program require Monroe County Library System to file for the credits. Support from City School District for Literacy Aide program decreases \$43,600. Central Library use and service charges

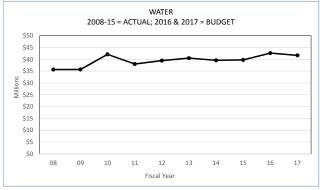

decline \$42,500. State aid to Central and Community increases a total of \$26,900. Revenue of \$21,200 for Raise A Reader program does not recur. Transfer from Premium & Interest increases \$15,100. Community service charges decline net of \$15,000 as declining fine revenue is offset by rental revenue from Hillside. Miscellaneous Community grants decline by \$9,500. Federal interest subsidy of \$4,500 does not recur as debt service is paid in full. Property tax support needed to balance the budget decreases \$294,700, due in part to one-time allocation of property tax to support the Central Library Master Space Plan.

### Year-to-Year Comparison

	<u>2015-16</u>	<u>2016-17</u>	Change
Operating Revenue	11,154,500	10,390,800	-763,700
Property Tax	6,282,500	5,987,800	-294,700
Total	17,437,000	16,378,600	-1,058,400

### Water Fund

This fund records the expenses and revenues of the Water enterprise, which provides potable water for domestic and commercial use and for fire protection purposes. Revenues are generated by metered water sales, sales to other municipalities, various service charges and wholesale water sales to the Monroe County Water Authority (MCWA). Most customers are billed quarterly, except for high volume users that are billed monthly.

## **Major Change**

Transfer from Premium & Interest declines \$587,900 due to one-time repayment in 2015-16 of unused borrowings. Appropriation of fund balance declines \$469,700 as planned capital expenditures decrease. Proposed rate increases on consumption and base rates result in \$430,000 incremental revenue based upon slight reduction in consumption. Upland water sales decline \$212,000 due to 0.8 million gallons per day reduction. Interest and penalties decline \$100,000 as lower balances are being added to the tax bill. Delinquent collections increase \$40,600 to reflect actual collections and tax lien sale. Sales to other municipalities decline \$36,000. Interest earnings on investments decrease \$7,200 due to low rate environment.Net of other changes is a decrease of \$600.

<u>Change</u> -942.800

#### Year-to-Year Comparison

	<u>2015-16</u>	<u>2016-17</u>	
Operating Revenue	42,627,900	41,685,100	-

#### War Memorial Fund

This fund records the expenses and revenues from the Blue Cross Arena at the War Memorial. The Arena is operated by a private contractor from whom the City receives a ticket surcharge, suite revenues, and reimbursement for utility expenses. The City also receives funds from naming rights of the facility. A share of receipts from the City's portion of the Hotel/Motel Occupancy Tax is credited to this fund.

#### **Major Change**

Suite revenues decrease \$102,500 as participation and the planned number of events decline. Transfer

from Premium & Interest increases \$14,000. Property tax support needed to balance the budget increases \$802,000.

#### Year-to-Year Comparison

	<u>2015-16</u>	<u>2016-17</u>	<u>Change</u>
Operating Revenue	2,005,100	1,916,600	-88,500
Property Tax	637,900	1,439,900	802,000
Total	2,643,000	3,356,500	713,500

### **Parking Fund**

Revenues in this fund are generated from eight downtown parking garages, six City owned surface lots, and on-street parking meters. These revenues are not sufficient to cover Parking Fund costs; therefore, a portion of the property tax is allocated to this fund.

#### **Major Change**

Appropriation of fund balance increases \$230,500 to offset planned capital expenditures. Transfer from Premium & Interest increases \$164,900. Decrease in garage revenue to reflect the

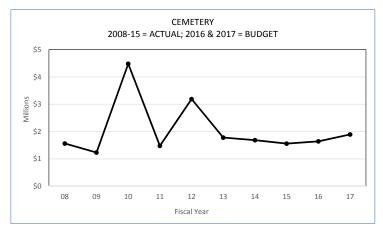

anticipated sale of Midtown Garage by the end of the first quarter \$149,900. Decrease in garage revenue due to loss of large group of parkers \$113,000. Proposed increase in parking garage rates results in \$88,700 additional revenue. Revenue decreases in the following garages to reflect actual experience: Washington Square \$88,400, Sister Cities \$70,200, Crossroads \$5,200 and Mortimer \$2,000. Revenue increases in East End, Court Street and High Falls Garages to reflect actual experience \$92,400, \$36,100 and \$24,400 respectively. On-street parking meter collections decrease a net of \$47,900. Fewer tickets issued as a result of the amendment to Chapter 11 of the Municipal Code to no longer allow the issuance of parking tickets for expired registrations \$32,700. Additional revenue is planned with the proposed elimination of Court Street rooftop parking rate \$20,400. Revenue declines for the Blue Cross Arena parking lot \$20,000. Use of truck tunnel revenue declines \$15,000 with the anticipated sale of Midtown Garage. Net of other changes is a reduction of \$6,700. Property tax support needed to balance the budget decreases \$131,700.

#### Year-to-Year Comparison

	<u>2015-16</u>	<u>2016-17</u>	Change
Operating Revenue	11,505,700	11,612,100	106,400
Property Tax	421,700	290,000	-131,700
Total	11,927,400	11,902,100	-25,300

#### **Cemetery Fund**

The City owns and operates two cemeteries, Mt. Hope and Riverside. Revenues in the Cemetery Fund are received from the sale of single graves, lots, mausoleums, interments, burial service charges, crematory charges, and interest earned on funds set aside for perpetual care.

## **Major Change**

Appropriation of fund balance of \$352,400 is budgeted to offset planned capital expenditures. Cremation service fees decline \$71,000 due to the loss of a funeral director account. Sales of interment space decline \$20,000. Revenue from service fees decline \$6,500. Transfer from Premium & Interest decreases \$1,700. Interest earnings on perpetual care investments decline \$1,600. Property tax support needed to balance the budget remains the same.

## Year-to-Year Comparison

	<u>2015-16</u>	<u>2016-17</u>	Change
Operating Revenue	1,641,000	1,892,600	251,600
Property Tax	1,490,200	1,490,200	0
Total	3,131,200	3,382,800	251,600

## **Public Market Fund**

A farmers' market, consisting of two open sheds and one enclosed shed, is owned and operated by the City. Rental of shed space occurs on an annual, semi-annual, or daily basis.

## **Major Change**

Market fees increase \$23,900 due to increased vendor participation. Transfer from Premium & Interest increases \$3,900. Collections for embellishment fees for snowplowing and security increase \$3,000. Property tax support needed to balance the budget remains the same. Net of other changes is a decrease of \$500.

## Year-to-Year Comparison

	<u>2015-16</u>	<u>2016-17</u>	Change
Operating Revenue	771,000	801,300	30,300
Property Tax	91,300	91,300	0
Total	862,300	892,600	30,300

## **Refuse Fund**

Rochester's refuse collection and disposal costs are financed principally from the proceeds of user fees. Separate rates are charged for residential and commercial services. Residential fees are included with the property tax bills and commercial accounts receive separate quarterly bills.

## **Major Change**

Appropriation of \$2,311,700 fund balance does not recur as planned capital expenditures decrease. Delinquent collections increase \$350,000 to reflect planned tax lien sale. Commercial collections increase \$154,000 as a result of approximately 100

new customers. Violation revenue of \$50,000 from enforcement of the refuse code is now recorded in the Refuse Fund. Interest earnings on investments decrease \$20,500 due to low rate environment. Recycling revenue declines \$20,000. Net of other changes is a decrease of \$1,000.

#### Year-to-Year Comparison

	<u>2015-16</u>	<u>2016-17</u>	<u>Change</u>
Operating Revenue	28,195,200	26,396,000	-1,799,200

### Local Works Fund

Revenues to support street cleaning, snow and ice control services, and hazardous sidewalk replacement are derived from front footage assessments. These assessments are charged with the property tax bill. Other revenues include reimbursements from New York State for snow and ice control on highways and, if required, an appropriation from the Local Works fund balance.

#### **Major Change**

Appropriation of fund balance decreases \$628,200 as planned capital expenditures decrease.

LOCAL WORKS 2008-15 = ACTUAL; 2016 & 2017 = BUDGET \$30 \$25 \$20 Millions \$15 \$10 \$5 \$0 15 08 09 10 11 12 13 14 16 17 Fiscal Year

Delinquent collections increase \$225,000 due to larger beginning delinquent balance. Additional \$200,000 in delinquent collections results from planned tax lien sale. Current collections increase \$31,000 due to slightly higher collection rate. One-time NYS reimbursement of \$21,700 capital expenditures does not recur. Interest earnings on investments decrease \$10,000 due to low rate environment. Transfer from Premium & Interest increases \$9,600.

#### Year-to-Year Comparison

The property tax is the single largest source of revenue to the City. The fundamental equation for the property tax is: (Tax Rate × Assessed Value) = Tax Levy. In Rochester, this fundamental equation is modified in two significant ways.

First, according to Article 19 of the New York State Real Property Tax Law, Rochester's levy is apportioned between Homestead and Non-Homestead classes of property. (Homestead properties, generally, are one, two, and three family residences. Non-Homestead properties are all others.) That is, separate tax rates for Homestead and Non-Homestead properties are applied to the separate assessment rolls for each class of property. The following display distinguishes the tax information for each class of property. The apportionment of the levy between the classes reflects the state mandated adjustment as calculated by the formula specified by Article 19. This adjustment occurs from year to year and is commonly called "the Shift".

Secondly, because the Rochester City School District is not permitted under law to levy a property tax, the City does so on behalf of the District for funding education purposes. The City also levies a property tax on its own behalf for funding municipal government purposes. While technically two separate tax levies (and, due to differing exemption provisions, based upon separate and unequal assessment rolls), the City and School property tax collections are accounted for within the City Budget as a combined total. The District receives its portion of the taxes collected and other revenue received by the City subject to a revenue sharing agreement between the City and the District. This distribution is displayed as an interfund transfer ("Negative Revenue") elsewhere in the Revenue Summary. The following display shows the combination of the separate City and School tax rates and impacts in a consolidated presentation. It is this consolidated rate that is most commonly referred to in discussion of the "City property tax." Detailed information on the calculation of each property tax follows.

The 2016-17 STAR revenue of \$11,533,300 is applied as a credit to the tax levy after the tax rate has been determined.

#### **Property Tax Rates & Burdens**

The assessed value for a typical single family residence (Homestead) in 2016-17 is \$72,600. The assessed value for a typical commercial property (Non-Homestead) is \$285,200 in 2016-17. The Homestead value in 2015-16 was \$70,000 and \$262,100 for Non-Homestead.

\*\*In accordance with the New York State Real Property Tax Law, the levy is apportioned between the Homestead and the Non-Homestead classes. The 2016-17 apportionment reflects the state mandated adjustment as calculated by the formula specified by Article 19. The 2015-16 Homestead and Non-Homestead apportionment was 42.56026% and 57.43974%

### Computation of School 2016-17 Property Tax Levy

Expenses and revenues related to the City School District are located within the School District Budget, not the City Budget. Exceptions are: (1.) the City's \$119.1 million dollar funding of the District (shown as a negative fund transfer in the City's Revenue Summary) and (2.) the property tax collection estimate within the City Budget that represents collection of City and School taxes. The current revenue allocation displayed below reflects the \$119.1 million dollars less anticipated receipt of School taxes. A portion of the debt service revenue allocation listed below is debt service that is treated as a current expense (i.e. lease/installment purchases).

Cemetery Fund	1,490,200
Public Market Fund	91,300
Net General Fund Property Tax Revenue	142,969,700

## **Property Tax Cap**

On June 24, 2011 New York State enacted a property tax cap that imposes a limit on the annual growth of property taxes levied by local governments to 2% or the rate of inflation, whichever is less. The calculation of the basic cap of up to 2% is subject to several exclusions or modifications. The calculation is adjusted by a tax base growth factor reflecting the "quantity change" in taxable property values in the base year which is reflective of actual physical changes including new construction. The levy limit is further impacted by the level of change for In Lieu of Tax Payments (PILOTs). The cap calculation is also adjusted by any pension contribution increases that exceed two percentage points of covered payroll. The final adjustment in the calculation is the ability of a local government to use a carryover of up to 1.5% of any unused tax levy growth from the prior year calculation. For 2016-17, the allowable levy growth factor is 0.12% as published by the NYS Office of the Comptroller. Since there was no increase in the tax levy for 2015-16, the City is eligible to use a carry-over in establishing the tax levy for 2016-17. The proposed increase in the tax levy for 2015-16 is \$2,500,000 or 1.45% which falls within the allowable levy growth factor when adjusted for the carry-over from 2015-16.

### STAR

Beginning in 1998-99 New York State enacted the School Tax Relief Program (STAR) within section 425 of the Real Property Tax Law. The program provides an exemption from property taxes for owner-occupied primary residences. There are two types of STAR programs: The first, called Enhanced STAR, is for property owners 65 years of age or older, with incomes of \$84,550 or less. The second, called Basic STAR, is for all other home owners regardless of age with incomes less than \$500,000.

Eligible property owners for the 2016-17 program receive up to a \$43,750 and \$20,100 assessment exemption for the Enhanced program and Basic program respectively which are unchanged from the 2015-16 levels. Both values are adjusted by the equalization rate. For large cities with fiscally dependent school districts, the enacting legislation assumed 67% of the combined tax rate to be for school purposes. Beginning in 2011-12, the maximum STAR savings can't exceed more than 2% of the prior year maximum savings. The maximum savings in 2015-16 for the Enhanced and Basic programs were \$854 and \$411 respectively. Due to the fact that the Homestead tax rate decreased in 2015-16 the actual savings for Enhanced was capped at \$854 and the savings for Basic was calculated at \$405; however the Non-Homestead savings was calculated at \$843. The 2016-17 maximum STAR savings is limited to \$859 for the Enhanced program and \$413 for the Basic program.

The Board of Real Property Services may establish special equalization rates that may result in revised STAR exemption amounts if the determined STAR exemption is 5% or more different than the previous year's exemptions. Approximately 4,800 property owners will benefit from the existing Enhanced STAR program and 20,400 property owners for the Basic STAR program in 2016-17 on their property tax bill. As a result of recent NYS law changes, an additional 837 properties purchased since February 1, 2015 will be eligible to receive a STAR check directly from NYS instead of receiving a credit on their tax bill. The amount of the benefit will be the same. Current STAR exemption recipients will not be impacted as long they continue to own their current home.

The actual calculation of the dollar savings from the STAR exemption is determined subsequent to the determination of the City and School tax rates. The revenue from the STAR program is not counted in determining the tax rates.

The process is as follows: First, the tax levy is determined. Second, the tax rates are calculated based on the levy and the assessed values. Third, the actual amount of the tax levy billed is reduced by the aggregate of the City and School exemption values applied against the City and School tax rates. Fourth, New York State reimburses the City for the reduced billing.

The calculation of the 2016-17 STAR revenue estimate to be reimbursed from the state for those enrolled in the original STAR program is as follows:

	Assessed Value <u>Exemption</u>	Tax <u>Rates</u>	STAR <u>Revenue</u>	Capped STAR <u>Revenue</u>
City: Homestead Non-Homestead	587,001,993 <u>5,620,186</u> 592,622,179	6.11 11.98	3,586,582 <u>67,330</u> 3,653,912	3,586,582 <u>67,330</u> 3,653,912
School: Homestead Non-Homestead	590,276,569 <u>5,689,486</u> 595,966,055	13.10 25.78	7,732,623 <u>146,675</u> 7,879,298	7,732,623 <u>146,675</u> 7,879,297
Total	N/A	N/A	11,533,210	11,533,209

## **Assessed Value – Changes**

The City's municipal taxable assessed valuation for property tax levies changes by:

2016-17 Assessed Value	6,477,500,681
2015-16 Assessed Value	5,980,614,540
Change	496,886,141
Percent Change	8.31%

The change in taxable assessment is substantially attributable to the following:

Non-Homestead Assessment:	
Roll Section 6 (Utilities)	200,291,717

#### B. Delinquent Taxes

\*Current and delinquent tax balances on June 30 reflect the beginning balances less collections and adjustments for cancellations.

\*\*Total tax balances equals the sum of current and delinquent balances as of June 30.

#### **Constitutional Operating Tax Limit**

The State Constitution, Article VIII, Section 10, limits the maximum amount of real property taxes that can be raised for operating purposes. The limit is two percent of the five-year average of full valuation of taxable real property. The total taxable assessed valuation for school purposes is the assessed value used for this calculation. The limit pertains to cities of 125,000 or more inhabitants, except New York City, which has a limit of two and one-half percent.

The levy subject to the limit is equal to the total tax levy (City and School) minus appropriations for debt service (with a few exceptions) and budgetary appropriations for which a period of probable usefulness have been determined by law (Cash Capital).

The State Constitution also limits the maximum amount of real property taxes raised for debt service. This is described within the Capital section of the City Budget.

		Equalization	Full Assessed
Fiscal Year	Assessed Value	<u>Ratio</u>	Valuation
2016-17	6,489,230,147	97.14	6,680,286,336

#### Expense Changes – Highlights

The 2016-17 Proposed Budget of \$516,969,100 increases expenditures by \$11,646,600, 2.3% more than the 2015-16 Amended Budget. Highlights of the changes that produce this variance are noted in the following display. Details of these and other expense changes are found in Tabs #4 through #17 of this document.

#### **MAJOR INCREASES**

- Wage and salary increases in accordance with current labor agreements or awards and allowance for contracts currently under negotiations
- Cash Capital expenses
- Fringe benefits in accordance with current labor agreements and memorandum of agreement for health care
- Personnel expense related to additional staffing
- Program enhancements
- Increase in overtime allocation for Police and Fire to reflect actual demand

#### MAJOR DECREASES

- Payments for debt service
- Utility expense including heat, light and power
- Departmental efficiencies and reductions
- Fuel costs

#### **Change Detail**

### EXPENDITURE SUMMARY SUMMARY OF 2015-16 BUDGET AMENDMENTS

The adopted budget may, under certain circumstances, be amended by City Council. Upon written recommendation of the Mayor, City Council may transfer unencumbered balances from one department to another. The transfer is done by passage of an ordinance, which can amend multiple budgets. Examples of amendments are the transfer from Contingency to the departments for purposes of a wage settlement and the transfer of funds from a department with a surplus to one with a deficit. In addition, revenues from any source other than the property tax can be appropriated by City Council upon recommendation of the Mayor. Usually this occurs upon receipt of a grant and entails increasing both expense and the offsetting revenue. 2015-16 Budget amendments are summarized by department and by individual ordinance, which indicates the appropriation of additional revenue.

## EXPENDITURE SUMMARY APPLICATION OF RELATED EXPENDITURES & REVENUES

An informational display is provided on the next page which gives appropriations for each department or major subdivision, related expenditures, and revenues that are found elsewhere in the Budget. The City's budgeting and accounting systems place employee benefits, capital items, and debt in separate departments for monitoring and control purposes. This display distributes those expenses to the department to which they are judged most closely related. In this fashion, a sense of the overall expense level for a given department can be approximated. Intrafund credits, where applicable, have been subtracted from the department's budget to reflect net planned expenditures.

The display also distributes revenue that is judged related to a department. The Application of Revenue section, pages 1-43 to 1-44, provides additional detail on the sources of this revenue. This applied revenue is subtracted from the total expenditures for the departments, yielding a net expense for each department. This net amount is funded by the property tax and other General Fund revenues that are not applied.

#### FUND ACCOUNTING

In accordance with generally accepted accounting principles, the City records financial transactions of its operations in various funds, each of which is a separate entity. Funds that do not generate sufficient revenues from operations are supported by property tax revenue. Following is a description of the funds and a table summarizing transactions in these funds during 2016-17.

General Fund is Rochester's principal fund and includes all operations not contained in other funds.

Animal Control Fund includes the operation of Animal Control. Under Article 7 of the Agriculture and Markets Law, licensing and impoundment fees, fines and penalties are deposited in this fund and are used solely for animal control purposes.

Library Fund includes operations of the Central and Community libraries. Under Section 259 of the Education Law, all moneys received from taxes or other public sources for library purposes are to be maintained in a separate fund.

Local Works Fund includes street cleaning, roadway plowing and salting, sidewalk plowing, and hazardous sidewalk replacement. Revenues are derived primarily from front footage charges to property owners for services rendered.

Water Fund includes water production, treatment, and distribution.

War Memorial Fund includes the Blue Cross Arena at the Rochester War Memorial operations.

Parking Fund includes operations of Rochester's parking garages, lots, and meters.

Cemetery Fund includes operations of Mt. Hope and Riverside Cemeteries.

Public Market Fund includes the operations of Rochester's Public Markets.

Refuse Fund includes refuse collection and disposal operations.

## FUND SUMMARY

#### Introduction

The multi-year projection is a forecast of revenues and expenditures for City purposes only. It does not include a forecast for the City School District.

The multi-year projection is not a prediction of future events. Instead, the projection illustrates the City's fiscal condition over the next five years based on existing trends and specified assumptions. As indicated in the forecast below, a gap for all funds of approximately \$50.1 million is expected for 2017-18. This gap accumulates to \$76.3 million in 2021-2022.

#### PROJECTED CITY OF ROCHESTER GAPS

#### Revenue

#### Property Tax

In recognition of the unusually high property tax burden that City taxpayers currently bear, and to stay competitive with other residential and commercial locations, the multi-year projection assumes a constant property tax levy.

#### Sales Tax

A sales tax rate of 8.0% is assumed, with distributions according to current distribution formulas. The taxable sales growth rate assumed is 2.25% for 2017-18, and 2.5% through 2021-22.

#### City School District

The City revenue allocation to the City School District is assumed constant at \$119.1 million. Continuation of the City School District's annual funding of school resource officers at \$1.1 million is assumed.

#### Intergovernmental

The following actions are assumed of the Federal Government:

Continuation of the Community Development Block Grant at a reduction of 4% per annum.

The following actions are assumed of the New York State Government:

- Aid and Incentives to Municipalities (AIM) is assumed to be constant for 2016-17 to 2021-22.
- Consolidated Highway Improvement Program funds continue at a maintenance of effort level.
- Funding of \$6.0 million to Rochester for unrestricted aid in the 2016-17 New York State budget does not recur

The following actions are assumed of Monroe County:

- □ Continued funding of the emergency communications system.
- □ Continued funding of election inspectors.
- □ Continued funding at Central Library.

#### Fees and Enterprise Revenues

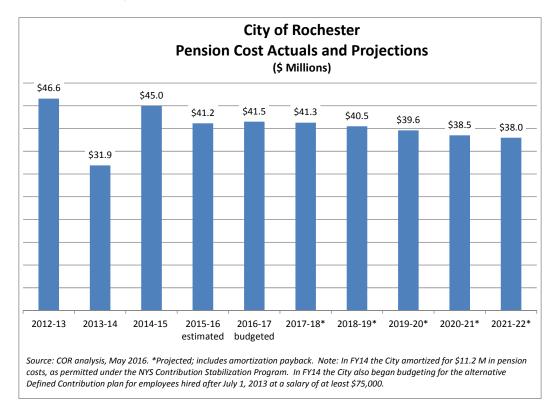

The multi-year projection assumes a 0% rate increase for major service charges (water, refuse collection, parking, front foot assessment).

#### Other Revenues

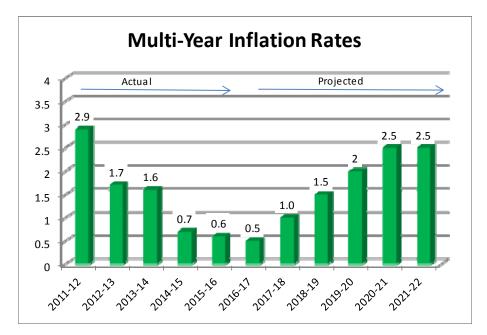

The multi-year projection assumes the appropriation of a rolling one percent General Fund surplus for 2017-18 to 2021-22.

#### Expense

A significant impact on the projected expenditures is the mandated contribution to the New York State Retirement System. Retirement expense reflects projections based on the most recent information from the New York State Retirement System and amounts to \$41.5 million for 2016-17.

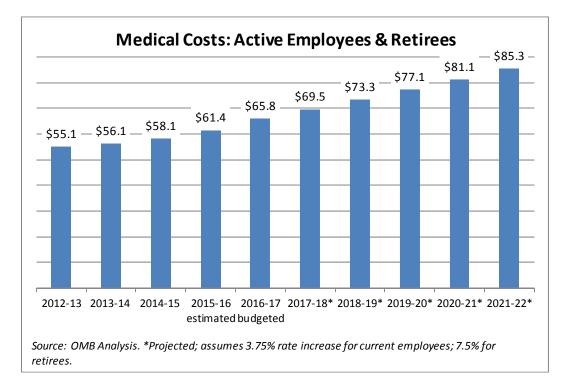

Inflation is also responsible for significant pressure on projected expenditures. The Consumer Price Index (CPI) is projected between 0.5% and 2.5% for 2017-18 through 2021-22. The effects of inflation on the operating budget are direct and immediate, resulting in increased costs for employee wages and salaries, construction projects, materials, and other services. Cost increases based on expected inflation rates and current labor agreements are reflected in the multi-year expense projection.

The multi-year projection assumes a constant level of services. Only programmatic and service changes currently known are recognized. The constant services approach does not take into account changes in the demand for service.

Expenditure forecasts for Cash Capital and Debt Service are based on the City's 2016-2020 Capital Improvement Program. The projected debt service reflects projects in the Capital Improvement Program.

A significant and growing impact on the projected expenditures is for medical costs for both current employees and for retirees. Projected costs for active employee hospitalization and medical insurance assume a 3.75% increase annually. Projections for retiree hospitalization and medical insurance assume a 7.5% increase in 2016-17 and each year thereafter.

#### Closing The Gap

A funding gap is anticipated for each year of the projection. Since New York State Law requires that municipalities prepare balanced budgets, it is necessary that actions be taken to eliminate the gap. Actions are likely to be a combination of the revenue and expenditure options listed below.

#### **Revenue Options**

Because adjustments to existing taxes (except property taxes) have been included in the projection, revenue options are limited to the following:

- □ Intergovernmental aid and grant increase.
- □ New tax or user fees authorizations.
- D Property tax increase.
- □ Service charge increase.
- **D** Expanded use of Enterprise activities.

#### **Expenditure Options**

Major expenditure options to eliminate the gap are to:

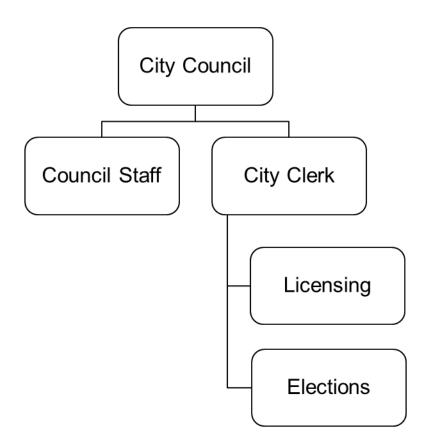

- □ Improve productivity Through improved use of technological advances and innovative management techniques, cost reductions can be realized without reducing service levels.
- Reduce service If the options above are not sufficient to eliminate the funding gap, service reductions or eliminations will be required.
- Consolidate services with other units of government.
- □ Negotiate savings in collective bargaining agreements.
- □ Invest in capital projects with a return on investment.
- Gain relief from State mandates.
- □ Investigate opportunities to outsource city-provided services.

#### Mission Statement

The City Council supports the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* and governs the City through the enactment of local laws, ordinances, and resolutions. It has nine members elected to overlapping four year terms, with four elected from districts and five from the City At-large. The President of City Council is elected by members of Council and presides over its meetings.

The Office of the City Clerk supports the City of Rochester's *Vision Statement and its Values and Guiding Principles* and maintains official records of the proceedings of the City Council. It issues several types of licenses and administers compensation of City election inspectors.

#### Organization

City Council includes the members of the City Council and appropriations for Council research, support staff, and other related expenses.

Office of the City Clerk prepares the agendas for City Council meetings, records the proceedings, and prints and distributes the minutes. It prints supplements and amendments to the City Code and Charter. It advertises public hearings and notifies the Secretary of State of changes in local laws. It also administers and audits the payroll for City election inspectors.

Licensing receives applications and payments for licenses for businesses, occupations, marriages, dogs, passport applications, fire permits and burglar alarm permits. It prepares related reports for City, County, and State agencies.

The Elections activity consists of salary and training expenses for election inspectors. Inspectors, who are directly supervised by the Monroe County Board of Elections, administer election laws and procedures at local polling places. They record, certify, and transmit election returns to the County Board of Elections.

## Purpose

Administration performs the City's executive and central support functions. These include managing City departments, implementing policies for affirmative action, resolving and preventing chronic quality of life, nuisance and disorder issues, preparing and administering the annual budget and capital programs, providing centralized personnel, civil service, and communications functions, distributing information, examining and evaluating City programs, and attending to the legal business of the City.

#### **Mission Statement**

Mayor's Office Administration:

To make Rochester the best mid-sized city in the U.S. in which to live, raise a family, visit and grow a business. Our city will be renowned for its safe neighborhoods, vibrant economy, educational excellence and customer service.

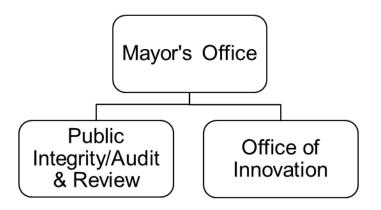

#### Office of Public Integrity (OPI):

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by enhancing public confidence and trust in city government by making it more transparent, efficient, and accountable. The office is a means for City government to ensure all City employees are committed to integrity, ethical behavior, legal compliance, and accountability.

#### Office of Innovation:

The Office of Innovation and Strategic Initiatives supports the City of Rochester's *Vision Statement and Guiding Principles* by expanding the City's internal capacity for research, data-analysis, program evaluation, and resource optimization. The Office seeks to expand the City's adaptability by identifying opportunities for collaboration and funding, engaging residents, and leveraging best practices and existing programs that drive growth and maximize impact.

#### Organization

#### **Vital Customers**

Mayor's Office Administration:

- □ Internal: City Council and City departments
- External: All who currently or potentially could live, work, visit, or do business in the City of Rochester

Office of Public Integrity (OPI):

- □ Internal: City of Rochester administration, departments, and employees
- External: All who currently or potentially could live, work, visit, or do business in the City of Rochester

Office of Innovation:

- □ Internal: City of Rochester administration, departments, and Mayor's Office staff
- External: Local, State, and Federal government, City residents, businesses, neighborhood groups, community service providers, public and private educational institutions, the Rochester-Monroe Anti-Poverty Initiative (RMAPI), philanthropic partners, neighborhood stakeholders, nonprofit organizations.

#### **Critical Processes**

Mayor's Office Administration:

- Oversight of all City departments
- Develop programs and policies
- □ Prepare operating and capital budgets
- Continuously improve performance of all City operations
- □ Manage City's intergovernmental relations
- Represent the City to all constituencies and monitor satisfaction with City services

Office of Public Integrity (OPI):

- □ Investigations administrative and criminal
- □ Internal audits
- □ External audits if a relationship exists with the City
- □ Educate employees and constituents

Office of Innovation:

- □ Perform research, data analysis, and GIS mapping
- Identify opportunities to streamline and increase efficiency of internal departmental processes
- Perform internal program evaluations and develop data-driven improvement strategies
- Research barriers to employment, poverty reduction strategies, and opportunities for intervention
- □ Facilitate community engagement opportunities

. . . . .

- Dependence of the second service coordination Promote and formalize inter-agency data-sharing processes and service coordination
- Coordinate with RMAPI and community partners to develop, launch and evaluate programs
- D Promote downtown development
- Leverage funding opportunities for new or existing programs

The Mayor is the Chief Executive Officer of the City and is elected by the citizens to a four-year term. The Mayor is empowered to enforce City laws and ordinances, appoint and remove department heads, develop programs and policies, prepare the operating and capital budgets, and examine the performance of all City operations. The Mayor also is responsible for the City's intergovernmental relations and representation to all constituencies.

#### **Department Highlights**

2016-17 Strategic Goals & Objectives		
Objective	Priorities Supported	Projected Completion
Provide underserved entrepreneurs access to affordable capital to launch and expand their businesses	More Jobs, Safer and More Vibrant Neighborhoods	First Quarter
Streamline and promote data-sharing processes with key internal and external partners	Innovation and Efficiency	Second Quarter
Develop community- and neighborhood-informed strategies to reduce joblessness and poverty in the Pathways to Prosperity District	More Jobs, Safer and More Vibrant Neighborhoods	Second Quarter
Develop and implement community wealth building strategies focused in the Pathways to Prosperity District	More Jobs, Safer and More Vibrant Neighborhoods	Third Quarter

## ADMINISTRATION MAYOR'S OFFICE

=

Objective	Priorities Supported	Projected Completion
Improve access to quality transportation options for underserved residents	More Jobs, Safer and More Vibrant Neighborhoods	Third Quarter
Increase access to community resources and services for residents	More Jobs, Safer and More Vibrant Neighborhoods	Third Quarter
Maximize efficiency and impact of internal programs and processes	Innovation and Efficiency	Third Quarter
Collaborate with RMAPI and key partners to evaluate program performance according to individual outcome measures	Innovation and Efficiency	Fourth Quarter
Promote data-driven program development and analysis of procedures for internal and external partners	Innovation and Efficiency	Ongoing
Develop strategic partnerships with external organizations and leaders	Innovation and Efficiency	Ongoing
Actively guide the Office of Innovation & Strategic Initiatives to focus on independent and collaborative community anti-poverty efforts	Innovation and Efficiency	Ongoing
Continue to oversee and expand the Office of Public Integrity	Innovation and Efficiency	Ongoing
Investigate and pursue new sources of revenue for the City	Innovation and Efficiency	Ongoing
Rigorously pursue federal, state and private grant funding to enhance city programs and initiatives	Innovation and Efficiency	Ongoing
Continue the City's lobbying and advocacy efforts	Innovation and Efficiency	Ongoing
Continue the effort through budget control, efficiency and internal restructuring to create a sustainable expense base	Innovation and Efficiency	Ongoing
Develop programs which increase employment of city residents when city dollars are involved	More Jobs	Ongoing

# ADMINISTRATION COMMUNICATIONS

#### Mission Statement

Information and Graphic Services:

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by providing information to the public about the City across multiple communications platforms.

Special Events:

To support the City of Rochester's *Vision Statement and its Values and Guiding Principles* by producing and supporting a diverse array of cultural programming designed to enhance a strong sense of community, to attract residents and visitors, to promote economic development and to market Rochester as a vibrant destination for entertainment and the arts.

#### **Vital Customers**

Information and Graphic Services:

- □ Internal: The Mayor and all City of Rochester departments
- □ External: The general public, specific target audiences and a variety of stakeholders

Special Events:

- □ Internal: The Mayor and City of Rochester departments
- External: People of all ages who reside, work in or visit the Greater Rochester Area, event sponsors, community members who organize festivals, parades, special events, block parties and races, and professional producers of large events and concerts

#### **Critical Processes**

Information and Graphic Services:

- Delivers information, graphics, photo, video, web and social media services, and administers Freedom of Information services
- Derivides marketing, communications planning and consultation
- Provides media relations
- Develops and executes dedicated communications campaigns across multiple media platforms

Special Events:

- □ Conceives, designs, plans logistics for, promotes and produces events
- Processes permits and work orders for all events
- Develops corporate and community partners and sponsors for events
- □ Assists community members in planning their events
- Enters into and administers contracts with promoters to produce events
- □ Coordinates services of various City departments for events

#### Mission Statement

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by being a key enabler of process efficiencies and technology.

#### Organization

#### **Vital Customers**

- □ Internal: City of Rochester Departments
- □ All who use public facing systems, such as the City's web site and e-government processes

#### Critical Processes

Relationship Management Services Bureau:

- Strategic Planning
- Tactical Planning
- Project Execution and Governance
- Base Operations Governance
- □ IT Policy Administration
- City Council Legislation Administration
- □ IT Vendor Relationship Management

Enterprise Process and Systems Bureau:

- □ Software Evaluation and Selection
- Business Process Re-Engineering and Optimization
   Project Management of Enterprise Process and System Implementations
- Enterprise Process and Systems Implementation
- □ Maintenance and Support of Enterprise Processes and Vendor Purchased Systems
- Process of Change Assessment and Acceptance
- Education and Training

Applications Services Bureau:

- □ Applications Forms Maintenance
- □ Training and Conversion
- Applications Security
- Legacy Applications Services Maintenance and Support
- Education and Training
- □ Mainframe Systems Operation & Management
- Records Management
- Backup and Recovery

Information Services Bureau:

- Database Design and Administration
- Data Warehouse Design and Development
- Reporting and Analytics
- □ Information Security
- GIS
- Information Services Support

**Technical Infrastructure Services Bureau:** 

- □ Technical Infrastructure Planning, Design, Deployment and Migration
- Asset Inventory and Configuration Management
- Backup and Recovery
- Policy Based Change Management
- Technical Infrastructure Health Monitoring
- □ Basic OS/Application Monitoring
- Client Support Services
- Data Center Management
- Network Engineering and Telecommunications
- Printer Management
- Video Surveillance/Camera Access and Control

#### **Department Highlights**

#### Continued Increased Focus on Camera & Security System Initiatives

IT will collaborate with the Rochester Police Department to implement body cameras and complete an upgrade to the camera network. IT will continue to increase focus on general information security initiatives in collaboration with other government entities.

#### City Wide PSI Solution

The Enterprise Solution initiative is a City wide program to optimize business processes and drive an organizational perspective to technology replacement throughout City Government. Over time it is anticipated that the deployment of the PSI solutions will drive significant improvements and efficiencies which will justify the investment in IT. Key focus areas include Human Resource Management (Payroll/Personnel), Content Management, Payment Processing, Geographical Information Services, and Parking Revenue and Control.

#### Information Technology Process Transformation

2016-17 Strategic Goals & Objectives

IT will continue to upgrade our server and network environments, which includes a replacement of the existing telephony system.

# Highlights Priorities Supported

Highlights	Priorities Supported	Completion
Complete upgrade of city phone system to Voice over Internet technology to improve capability and reduce operational cost	Innovation and Efficiency	Second Quarter
Implement additional 311 process improvements and upgrade the Call Center process and system solution	Innovation and Efficiency	Second Quarter
Complete Enterprise GIS Transformation Initiatives Phase IV, to expand GIS solutions for the public	Innovation and Efficiency	Second Quarter
Implement Enterprise Payment Processing - online and point of sale payment (process and systems) solutions Phases I thru III	Innovation and Efficiency	Second Quarter
Implement solutions and support for a new Digital Fingerprinting system	Safer and More Vibrant Neighborhoods	Third Quarter
Implement initial phase of Human Resources/Payroll enterprise process and system solution	Innovation and Efficiency	Third Quarter
Implement solutions and support for deployment of Body Worn Cameras throughout the Police Department	Safer and More Vibrant Neighborhoods	Fourth Quarter
Implement process improvements for high priority IT Services	Innovation and Efficiency	Fourth Quarter

Projected

# INFORMATION TECHNOLOGY DEPARTMENT

Highlights	Priorities Supported	Projected Completion
Begin implementation of an Enterprise Content Management (ECM) solution	Innovation and Efficiency	Fourth Quarter
Continue implementation of the new Parking Access Revenue Control System for Sister Cities and Court Street Garages	Innovation and Efficiency	Fourth Quarter
Upgrade Video Surveillance Camera Network	Innovation and Efficiency	Fourth Quarter
Consolidate and revitalize our technical Infrastructure to support the Implementation of our new Enterprise Solutions	Innovation and Efficiency	Fourth Quarter
Incorporate Enterprise Planning into IT Governance to drive IT related work priorities and budgets	Innovation and Efficiency	Ongoing
Continue to work with RCSD and Monroe County on Broadband Assessment	More Jobs; Better Schools and Educational Opportunities	Ongoing

#### Mission Statement

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by managing the City's financial affairs. We collect revenues, manage and invest cash, manage City debt, and control financial processing. Our responsibilities are to manage payroll, purchasing, and assessment operations; maintain financial records and reports; and enforce financial policies and standards.

#### **Department Highlights**

Highlights for FY16-17 include the completion of the multi-year implementation of a new payroll system for all City employees providing significant automated improvements over the current 30 year old system. This is a joint project of the Department of Finance with the Departments of Human Resource Management and Information Technology.

New software will be implemented to automate production of the City's Comprehensive Annual Financial Report (CAFR).

Implementation of Tyler cashiering will be completed in the second quarter of the fiscal year. The City tax bill will be redesigned to enable automated paper lockbox processing.

A review of all properties owned by non-profit organizations will be conducted to assure compliance with New York State guidelines and requirements with respect to their tax-exempt status. The review is expected to be completed by the third quarter of the fiscal year.

Implementation of best value purchasing and electronic bidding for City vendors is anticipated to start in the first quarter and second quarter respectively.

Municipal parking garage internal accounting and administrative control will continue to be enhanced as the new Parking Access Revenue Control System software is implemented in more garages. Installation is planned for Sister Cities Garage and Court Street Garage. The 2016-17 budget reflects the anticipated sale of Midtown Garage by the end of the first quarter.

#### 2016-17 Strategic Goals & Objectives

Bureau	Highlights	Priorities Supported	Projected Completion
Accounting	Implement automated CAFR software	Innovation and Efficiency	Second Quarter
Accounting	Upgrade to an automated Payroll system	Innovation and Efficiency	Third Quarter
Treasury	Upgrade to a new Tyler Cashiering system	Innovation and Efficiency	Second Quarter
Treasury	Redesign City Tax Bill for automated paper lockbox processing	Innovation and Efficiency	Third Quarter
Assessment	Review of all properties owned by non-profit organizations receiving a tax abatement for religious, charitable or educational uses to ensure compliance with NYS guidelines and requirements	Efficiency	Third Quarter
Parking & Municipal Violations	Continue installation and implementation of the new Parking Access Revenue Control system software for Sister Cities Garage and Court Street Garage	Innovation and Efficiency	Fourth Quarter

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by continually improving the accuracy and equity of the annual assessment roll used for the levy of City, School and County real property taxes; to increase the understanding of the assessment process; and to treat all owners fairly.

### Organization

#### **Vital Customers**

- External: Rochester property owners, legal and real estate professionals, business entities, World Wide Web users
- □ Internal: City of Rochester Departments

#### **Critical Processes**

- Locate, identify, inventory, and record all real property
- Estimate every parcel's full market value
- Defend proper values and correct errors
- Incorporate strategic technology to increase the long-term effectiveness and quality of community service
- □ Process applications, complaints, and appeals to the Board of Assessment Review

#### 2016-17 Strategic Goals & Objectives

Objective	Priorities Supported	Projected Completion
Review of all properties owned by non- profit organizations receiving a tax abatement for religious, charitable or educational uses to ensure compliance with NYS guidelines and requirements	Innovation and Efficiency	Third Quarter

To support the City of Rochester's Vision Statement and its Values and Guiding Principles by providing safe, affordable, convenient access to municipal parking that is customer focused.

### Organization

#### **Vital Customers**

External:

- Potential developers and business owners contemplating a move to the City of Rochester
- Uvehicle owners who park in City parking facilities
- □ Vehicle owners who park on City streets
- Vehicle owners and City of Rochester property owners, who violate Chapter 13A of the City of Rochester Code
- □ All those who currently or potentially could live, visit, or do business in the City of Rochester

#### Internal:

- □ Rochester Police Department for coordination of Red Light Photographic Enforcement Program
- Office of Special Events for coordination of parking needs for special events
- □ Information Technology for coordination of new parking software initiatives
- Coordinate major maintenance of parking facilities with Department of Environmental Services

#### **Critical Processes**

- Monitor contracts and revenue collection for City owned garages and surface lots
- Oversee facility repair and maintenance
- Maintain and install on-street parking meters
- Perform meter revenue collection on a daily basis
- □ Enforce on-street parking compliance
- Coordinate hearings at Parking & Municipal Violations
- Process ticket payment by mail, internet, in person
- □ Refer unpaid housing tickets to property tax bills
- Refer unpaid parking or municipal tickets to collection agencies
- Coordinate booting program with third party vendor as part of the ticketing process

Program Change

Meter enforcement overtime decreases to reflect actual experience

Municipal parking garage internal accounting and administrative control will continue to be enhanced as the new Parking Access Revenue Control System software is implemented in more garages. Installation is planned for Sister Cities Garage and Court Street Garage. The 2016-17 budget reflects the anticipated sale of Midtown Garage by the end of the first quarter.

-15,500

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles*, the NBD Office of the Commissioner and Administration and Finance will promote coordination and communication for the department and customers to provide budget and personnel services, grant management, compliance monitoring, performance management, and administrative support.

#### Organization

#### **Vital Customers**

- □ Internal: City of Rochester departments, NBD staff
- □ External: Federal and State government, contractors, businesses

#### **Critical Processes**

- Prepare and monitor departmental operating and CIP budgets
- Provide budgetary and financial reporting functions
- Monitor grant budgets and coordinate audit visits
- Coordinate performance management and measurement programs
- Administer personnel, purchasing and payroll activities
- □ Ensure adherence to grant compliance requirements for federal formula grant programs
- □ Manage the federal disbursement and information system
- D Prepare and monitor professional services, sub-recipient and beneficiary agreements
- □ Monitor and maintain database of affordable homeownership and rental units
- □ Process code enforcement billing activities
- Coordinate City Council agenda process for departmental items
- Coordinate departmental web content

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles*, the Bureau of Neighborhood Preservation will promote strength, stability, pride and empowerment to our residents and stakeholders and encourage growth of city neighborhoods and businesses through safety, education, and economic development. We will work to bridge the gap between neighborhoods by improving lines of communication, addressing quality of life issues through community partnerships, and enhancing delivery of services.

## Organization

Neighborhood Preservation is separated into four geographical quadrant areas:

## Vital Customers

- □ Internal: City of Rochester departments
- External: City Residents; homeowners, business operators; neighborhood organizations

## **Critical Processes**

- □ Facilitate Quadrant Teams
- Implement Quadrant Team strategic plans
- □ Facilitate resolution of neighborhood complaints
- Provide technical assistance for community engagement, organizing
- Plan and implement special projects
- □ Assist in reduction of neighborhood nuisance activities
- Interact with neighborhood groups and business organizations
- □ Manage Business Permit process

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by providing a safe, clean, and attractive community through efficient planning, design, and delivery of services that contribute to the highest possible quality of life within the City of Rochester.

#### **Department Highlights**

In 2016-17, the Bureau of Buildings and Parks will assume responsibility for the management of the Soccer Stadium, Rochester Riverside Convention Center, High Falls and Blue Cross Arena at the War Memorial.

Implementation of city-wide single-stream recycling collection operation will commence for residential customers by the end of the fourth quarter. This initiative will improve the effectiveness of the recycling program and increase operational efficiency.

Also, startup of the Port of Rochester Marina operations is scheduled for 2016-17.

The department will provide oversight of several major capital projects, including construction of the East End Parking Garage rehabilitation, Rochester Public Market Winter Shed and Site improvements, and Center City Two Way Conversion Phase II.

Highlights of the Department's 2016-17 Strategic Goals & Objectives are presented below. Additional information for each bureau is included in the sections that follow.

2016-17 Strategic Goals & Objectives	Priorities Supported	Projected Completion
Office of Commissioner:		
Complete 68-92 Genesee Street phase II environmental investigation and subsurface cleanup cost estimate	Safer and More Vibrant Neighborhoods	First Quarter
Complete remedial investigation of City owned properties under New York State Brownfield Cleanup Program	More Jobs	First Quarter
Complete construction of 6.7 acre solar array facility under purchase power agreement with Solar Liberty	Innovation and Efficiency	Second Quarter
Complete community-wide Climate Action Report	Innovation and Efficiency	Second Quarter
Architecture & Engineering:		
Begin design of E. Henrietta Road at City Gate	More Jobs; Safer and More Vibrant Neighborhoods	First Quarter
Complete installation of LED street lighting phase I	Innovation and Efficiency	First Quarter
Complete construction of Port Boater Services facility	More Jobs; Safer and More Vibrant Neighborhoods	Second Quarter
Complete construction of East End Parking Garage rehabilitation	More Jobs	Third Quarter
Complete construction of Center City Two Way Conversion phase II	More Jobs	Fourth Quarter
Complete construction of Winton Road North Improvements	More Jobs	Fourth Quarter
Complete construction of Lake Avenue from Merrill to 600' south of Burley	More Jobs; Safer and More Vibrant Neighborhoods	Fourth Quarter

Dralastad

# DEPARTMENT OF ENVIRONMENTAL SERVICES

2016-17 Strategic Goals & Objectives	Priorities Supported	Projected Completion
Operations:		
Introduction of Sweep Trax will allow city residents to check the status of street sweeping on arterial and residential streets	Innovation and Efficiency; Safer and More Vibrant Neighborhoods	First Quarter
Implement phase I of city-wide single stream recycling	Innovation and Efficiency; Safer and More Vibrant Neighborhoods	Fourth Quarter
Buildings & Parks:		
Develop and revitalize T- ball fields for Little League organizations	Safer and More Vibrant Neighborhoods	Fourth Quarter
Equipment Services:		
Continue Purchasing Program to identify and replace conventional vehicles with alternative fuel vehicles to reduce emission footprint	Safer and More Vibrant Neighborhoods	Ongoing
Enhance Technician Training program and upgrade shop repair capabilities	Innovation and Efficiency	Ongoing
Water		
Replace or rehabilitate 44,460 feet of distribution water mains to maintain system integrity	Safer and More Vibrant Neighborhoods	Fourth Quarter
Maintain high level (>90%) customer satisfaction	Safer and More Vibrant Neighborhoods	Fourth Quarter
Maximize production and operational efficiencies at Hemlock Filtration Plant	Innovation and Efficiency	Fourth Quarter
Reduce and maintain non-revenue water to a level of 6 MGD	Innovation and Efficiency	Fourth Quarter

\*Reflects chargeback for motor equipment service.

Office of the Commissioner:

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by assisting the Mayor and Commissioner in achieving their vision for the Department.

This is accomplished by:

- □ Fostering a healthy exchange of dialogue between the Department and the City's central service agencies in order to secure appropriate resources for DES operating units so that they may carry out their essential missions, and attain stated goals and objectives;
- □ Working in partnership with DES operating units to improve customer service, and the efficiency and effectiveness of operations;
- □ Improving the flow of communication throughout the Department and enhancing the Department's capabilities to interact in a meaningful way with its customers.

#### Environmental Quality:

Environmental Quality supports the City of Rochester's *Values and Guiding Principles* by providing efficient, high quality environmental compliance and pollution prevention, brownfield investigation cleanup and redevelopment, Port of Rochester redevelopment and environmental planning services including brownfield area-wide planning, energy management and climate action planning, regional sustainability planning, and harbor management planning for the City of Rochester and the Public.

These services meet legal and regulatory requirements for City facilities, abate and prevent environmental problems, leverage outside funding sources, respond to energy and climate challenges, encourage sustainable redevelopment, and improve property valuations in order to protect, preserve and enhance the natural and built environment of the City of Rochester and the Genesee Finger Lakes region.

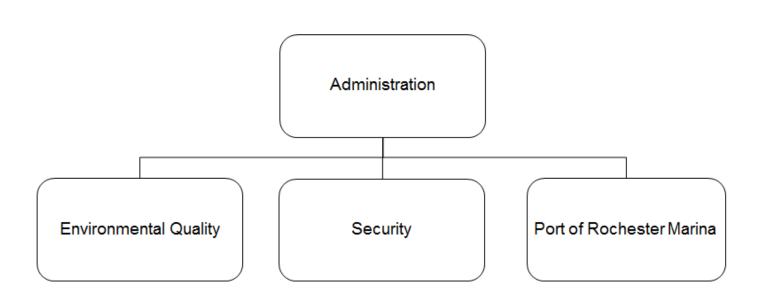

#### Security:

Security supports the Mayor's public safety initiatives by helping to provide a safe environment for employees and the public. This is accomplished by providing personal security for key City staff and visitors to our facilities, security guard services at select City facilities, routine surveillance of City properties, and the monitoring of security alarms installed at City facilities.

Port of Rochester Marina:

The mission of the Port of Rochester Marina is to provide a first class boating experience for transient boaters, seasonal slip rentals, and patrons using the City's boat launch as well as encouraging tourism in part through cruise ship and excursion vessel to visits to the Rochester Harbor.

#### Organization

#### **Vital Customers**

Office of the Commissioner:

- Internal: City of Rochester Administration; City Senior Management Team; City of Rochester Departments; City of Rochester Employees
- External: All who currently or potentially could live, work, visit, or do business in the City of Rochester

## ENVIRONMENTAL SERVICES OFFICE OF THE COMMISSIONER

# 2016-17 Strategic Goals & Objectives

Objective	Priorities Supported	Projected Completion
Complete 68-92 Genesee Street phase II environmental investigation and subsurface cleanup cost estimate	Safer and More Vibrant Neighborhoods	First Quarter
Complete remedial investigation of City owned properties under New York State brownfield Cleanup Program	More Jobs	First Quarter
Complete community-wide Climate Action Report	Innovation and Efficiency	Second Quarter
Complete construction of 6.7 acre solar array facility under purchase power agreement with Solar Liberty	Innovation and Efficiency	Second Quarter
Complete joint feasibility study with US Army Corps of Engineers to evaluate cruise ship potential for Port of Rochester	More Jobs	Third Quarter
Complete subsurface environmental cleanup of Coast Guard parcel prior to acquisition	Safer and More Vibrant Neighborhoods	Fourth Quarter
Integrate management of the major City-owned facilities that are transferring to the department from NBD	Innovation and Efficiency	Fourth Quarter
Increase customer outreach efforts	Innovation and Efficiency	Fourth Quarter
Submit nomination to place Mount Hope Cemetery on the National Register of Historic Places	Safer and More Vibrant Neighborhoods	Fourth Quarter

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by focusing on customer service, efficiency, and excellence, the Bureau of Architecture and Engineering serves as the steward of the City's infrastructure. The Bureau collaborates with community representatives, utilities, business owners, and other City Departments on public improvement projects that enhance quality of life and economic development opportunities in our neighborhoods. The Bureau uses in-house resources and manages consultants and contractors in order to perform design and construction services in the public realm related to streetscapes, street lighting, trails, bridges, and City owned buildings.

## Organization

#### **Vital Customers**

- □ Internal: City of Rochester Departments
- External: All who currently or potentially could live, work, visit, or do business in the City of Rochester; Residents and businesses in surrounding region; Public and Private utilities

## DEPARTMENT OF ENVIRONMENTAL SERVICES BUREAU OF ARCHITECTURE & ENGINEERING

#### **Critical Processes**

- □ Annual creation and implementation of the City-wide capital improvement program
- Provide for public safety through regulation in the Right Of Way
- Stewardship of public infrastructure
- □ Surveying/mapping/monumentation to support land values and assessments

#### 2016-17 Strategic Goals & Objectives:

Objective	Priorities Supported	Projected Completion
Complete installation of LED street lighting phase I	Innovation and Efficiency	First Quarter
Begin design of E. Henrietta Road at City Gate	More Jobs; Safer and More Vibrant Neighborhoods	First Quarter
Begin construction of three federally funded preventative maintenance contracts	More Jobs; Safer and More Vibrant Neighborhoods	First Quarter
Begin design of West River Wall project	More Jobs; Safer and More Vibrant Neighborhoods	Second Quarter
Complete construction of Portland Avenue revitalization project	More Jobs; Safer and More Vibrant Neighborhoods	Second Quarter
Begin design of South Avenue/Elmwood Avenue design	More Jobs; Safer and More Vibrant Neighborhoods	Second Quarter
Complete design of Main Street streetscape and wayfinding enhancement project	More Jobs; Safer and More Vibrant Neighborhoods	Second Quarter
Begin construction of Elmwood Avenue/Collegetown Cycle Track	Innovation and Efficiency; Safer and More Vibrant Neighborhoods	Second Quarter
Complete construction of Port Boater Services Facility	More Jobs	Second Quarter
Begin construction of Driving Park Bridge preventative maintenance project	More Jobs; Safer and More Vibrant Neighborhoods	Second Quarter
Begin design of Mt. Hope Avenue phase II	More Jobs; Safer and More Vibrant Neighborhoods	Third Quarter
Complete construction of East End Parking Garage rehabilitation	More Jobs	Third Quarter
Complete design of Campbell Street Recreation Center renovation and playground/waterpark	More Jobs; Safer and More Vibrant Neighborhoods	Third Quarter
Complete construction of Broad Street Bridge preventative maintenance project	More Jobs; Safer and More Vibrant Neighborhoods	Third Quarter
Complete construction of Center City Two Way Conversion Phase II	More Jobs	Fourth Quarter

## DEPARTMENT OF ENVIRONMENTAL SERVICES BUREAU OF ARCHITECTURE & ENGINEERING

Objective	Priorities Supported	Projected Completion
Complete construction of Winton Road North improvements	More Jobs	Fourth Quarter
Complete construction of Lake Avenue from Merrill to 600' south of Burley	More Jobs; Safer and More Vibrant Neighborhoods	Fourth Quarter
Complete construction of Ridgeway Avenue	More Jobs; Safer and More Vibrant Neighborhoods	Fourth Quarter
Continue construction of Inner Loop Transformation project	More Jobs; Safer and More Vibrant Neighborhoods	Ongoing
Complete construction of Rochester Public Market Winter Shed and site improvements	More Jobs; Safer and More Vibrant Neighborhoods	Ongoing

#### **Mission Statement**

To support the City of *Rochester's Vision Statement and its Values and Guiding Principles* through the provision of an abundant supply of clean, palatable water to City residents and wholesale customers, to provide reliable service at a modest price, and to provide an adequate supply of water for fire protection services.

### Organization

### Vital Customers

- □ Internal: City of Rochester departments
- External: All who currently or potentially could live, work, visit, or do business in the City of Rochester; Wholesale customers, and New York State Department of Environmental Conservation

### **Critical Processes**

- Protecting the watershed to keep the water supply as clean (free from contaminants) as possible and monitor our operating agreement for maintenance of watershed area.
- □ Filtering, disinfecting, and testing the potability of water before it is delivered to customers.
- Maintaining the distribution and storage systems in good condition to provide reliable, high quality water.

### 2016-17 Strategic Goals & Objectives

Objective	Priorities Supported	Projected Completion
Replace or rehabilitate 44,460 feet of distribution water mains to maintain system integrity	Safer and More Vibrant Neighborhoods	Fourth Quarter
Maintain high level (>90%) customer satisfaction	Safer and More Vibrant Neighborhoods	Fourth Quarter
Maximize production and operational efficiencies at Hemlock Filtration Plant	Innovation and Efficiency	Fourth Quarter
Reduce and maintain non-revenue water to a level of 6 MGD	Innovation and Efficiency	Fourth Quarter

#### Organization

This section includes operating expenditures for the water supply system that cannot be directly attributed to an operating budget. The allowance for uncollectibles is an estimate of the delinquent amount of water charges that are not paid within two years. The administrative chargeback is an interfund charge that reimburses the General Fund for general administrative services provided to the enterprise funds, based on an indirect cost allocation formula. The administrative chargeback to the Water Fund for 2016-17 represents 6.4 percent of total Water Fund expenses incurred in 2014-15. Contribution to the General Fund: the Water Fund makes a contribution to the General Fund as payment in lieu of taxes on the Water Fund capital plant and as a return on investment.

#### **Mission Statement**

**Emergency Communications (911):** 

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by serving as the vital link between the citizens and public safety agencies of the City of Rochester and the County of Monroe. We strive to collect and disseminate all requests for service in a prompt, courteous, and efficient manner for all our customers. Through our actions, we help save lives, protect property, and assist the public in its time of need.

311/One Call to City Hall:

To support the City of Rochester's Vision Statement and its Values and Guiding Principles by:

#### **Being Accessible**

The 311 Call Center provides our stakeholders with the highest level of customer service for fast and easy access to services and information provided by the City of Rochester.

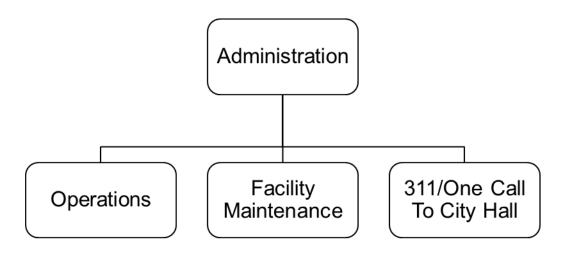

#### **Being Accountable**

The 311 Call Center helps City departments improve their service delivery by enabling them to focus on their core competencies and the efficient management of their workforce.

#### **Enabling Transparency**

The 311 Call Center continues to seek technological advancements that facilitate data management and analysis and provide the most effective and efficient form of government.

#### Organization

#### Department Highlights

Emergency Communications (911):

The proposed budget for Administration and Operations reflects the funding level requested by Emergency Communications for the 2016 County Budget. The County has eliminated funding for an overhire in Operations as an economy measure. There is an overlap in fiscal years between the City and County. The budgets of the City and County will be closely monitored to ensure that County funding is sufficient.

The replacement and upgrade of the Computer-Aided Dispatch (CAD) system will continue. The project is funded by the County and is expected to be completed in early 2019.

311/One Call to City Hall:

Two seasonal service representative positions will be eliminated and one part time service representative position will be created to allow for staffing consistency.

#### Vital Customers

Emergency Communications (911):

- External: City of Rochester and Monroe County residents, businesses, visitors, and travelers
- □ Internal: City of Rochester and Monroe County police, fire, and emergency medical service subscriber agencies

The City operates the 911 Center under contract with Monroe County. The County funds Administration and Operations activities while the City funds Facility Maintenance. The 911 Operating Practices Board (OPB), comprised of representatives from government, public safety, private sector, and citizens, provides advisory policy recommendations to the Center.

311/One Call to City Hall:

- External: Those who currently, or could potentially, live, work, visit, or do business in the City of Rochester
- □ Internal: City of Rochester departments

#### **Critical Processes**

Emergency Communications (911):

- Answer, collect information about, and document all calls to 911
- Provide processed 911 call data and event documentation services for all police, fire, and emergency medical service agencies in the City of Rochester and Monroe County
- Provide dispatch and communication services for participating agencies
- Provide primary and in-service training for personnel
- Prepare and monitor the budget
- Perform planning, personnel, purchasing, and research functions
- □ Conduct facility maintenance

#### 311/One Call to City Hall:

- Answer and provide information for non-emergency calls
- Retrieve up to date information to respond to all City related inquiries
- Provide appropriate avenues for public related information and services
- □ Submit service requests to appropriate City departments
- Provide responses to case inquires
- □ Report on Call Center performance
- □ Report on City departments' performance and activity

#### **Mission Statement**

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by maintaining law and order through crime reduction, customer service and professionalism.

#### Vital Customers

- □ Internal: City of Rochester Departments; RPD employees (sworn and non-sworn)
- □ External: Individuals who live, work, visit, or do business in the City of Rochester

#### **Critical Processes**

- □ Provide public safety services
- □ Analysis of crime data and deployment of resources
- Collaboration with other law enforcement agencies at the local, state, and federal levels
- Community involvement and crime prevention initiatives

#### **Departmental Highlights**

- <u>Police Academy</u> The budget includes funding for the hiring of 45 police recruits. RPD will hold two Police Academy classes during FY 2016-17. A class of 30 recruits will begin in September of 2016 with another class of 15 recruits beginning in March of 2017. These recruit classes will adjust RPD's staffing levels to reflect the highest number of personnel available during the busiest time of the year. Additionally, the increase in personnel hiring will allow RPD to maintain a higher number of available operational staffing throughout the year. This will enable vital operations and services to continue at a consistent level.
- <u>Investigators</u> The budget includes funding for two additional investigator positions. This adjustment will increase our investigator totals and enhance our capability to address our investigative workload associated with violent crime and long-term investigations.

Highlights of the Department's 2016-17 Strategic Goals & Objectives are presented below. Additional information for each bureau is included in the sections that follow.

Highlights	Priorities Supported	Projected Completion
Office of the Chief:		
Continue to enhance police and community relationships – Assess departmental re- organization	Safer and More Vibrant Neighborhoods	Fourth Quarter
Continue formal governance process to ensure major initiatives and department-wide projects are managed to completion – Adherence to formal project management principles	Innovation and Efficiency	Ongoing
Operations:		
Complete facilities needs assessment and site evaluations for future locations – Commence relocation of section offices	Safer and More Vibrant Neighborhoods	Fourth Quarter
Continue to enhance police and community relationships – Develop relationship between new police sections and the neighborhoods they serve	Safer and More Vibrant Neighborhoods	Ongoing

#### POLICE DEPARTMENT

Highlights	Priorities Supported	Projected Completion
Provide a high level of animal services in the community – Increase rate of animal adoptions in the community and support of responsible pet ownership	Safer and More Vibrant Neighborhoods	Ongoing
Reduce crime through crime prevention activities, early identification and intervention of disputes and apprehension of offenders – Continue intelligence led policing initiatives and dispute resolution strategies	Safer and More Vibrant Neighborhoods	Ongoing
Reduce crime through crime prevention activities, early identification and intervention of disputes and apprehension of offenders – Continue and enhance intensive investigative efforts to solve serious crimes	Safer and More Vibrant Neighborhoods	Ongoing
Administration:		
Implement the Department's Body Worn Camera program – Establish digital storage infrastructure	Safer and More Vibrant Neighborhoods Innovation and Efficiency	First Quarter
Implement the Department's Body Worn Camera program – Phased deployment of body worn cameras to designated department members	Safer and More Vibrant Neighborhoods Innovation and Efficiency	Fourth Quarter
Enhance operations through external funding – Actively identify grant funding opportunities and apply for same	Safer and More Vibrant Neighborhoods Innovation and Efficiency	Ongoing
Increase quality of departmental functions – Maintain NYS law enforcement accreditation status and enhance inspectional process	Safer and More Vibrant Neighborhoods Innovation and Efficiency	Ongoing
Increase the minority representation within the department to more accurately reflect the community – Continue to work with DHRM to maximize recruitment efforts for minority candidates	Safer and More Vibrant Neighborhoods	Ongoing

#### POLICE DEPARTMENT OPERATIONS – SPECIAL OPERATIONS DIVISION

#### **Critical Processes**

#### **Special Operations Division**

**D** Provides investigative support and services necessary for effective operation of the department

#### **Central Investigations Section**

- □ The Major Crimes Unit investigates all homicides, bank robberies, child abuse cases, arsons, missing persons, and other assignments assigned by Central Investigations commanding officer
- □ The Investigative Support Unit
  - License Investigation investigates applicants for licenses issued by the City of Rochester that require approval by the Chief of Police. Administers City's alarm ordinance and processes NYS Pistol Permit applications
  - Technician's gathers and analyzes evidence from crime scenes. Collects, processes, preserves, analyzes physical evidence. Supervises Photo Lab, which processes photos for evidentiary and identification purposes
  - Economic Crimes investigates complex financial crimes, organized groups involved in counterfeiting, forgery and / or retail theft, and elder-abuse financial exploitation. Acts as liaison with Federal, State, and local enforcement agencies and bank clearing house to coordinate economic crime investigations and intelligence sharing

#### Family and Victim Services

- Provides direct public services through the Family Crisis Intervention Team (FACIT), which assists patrol officers responding to reported family disputes, and the Victim Assistance Unit (VAU) which counsels crime victims and assists them in dealing with the justice system
- □ Unit costs are partially underwritten by grants

#### Special Investigations Section

- □ Investigates illegal narcotics activities, vice, illegal weapons, trafficking, organized crime
- Provides surveillance and intelligence services in support of investigations
- □ Works in joint task forces with Federal, State, and local law enforcement agencies
- Narcotics Unit is responsible for suppression of illegal drug trafficking activities from street level up to and including major criminal conspiracy efforts
- □ Responsible for suppression of gambling, prostitution, and pornography
- Surveillance and Electronic Support Unit is responsible for technical surveillance equipment used in investigative efforts
- □ Firearms Suppression Unit conducts activities such as Project Exile, weapon tracing and weapon crime intelligence

#### **Special Operations Section**

- Provides specialized field support services
- □ Tactical Unit provides directed patrol, crime-specific details, proactive investigative efforts
- □ The K-9 Unit provides canine support services to building searches and in tracking, as well as in nitrate and narcotic searches
- □ The Mounted Patrol provides highly visible patrol and crowd control presence Downtown, at special events, and in the event of disturbance
- □ The Traffic Enforcement Unit
  - Enforces vehicle and parking regulations
  - Coordinates the School Traffic Officer program
  - Conducts alcohol-related enforcement counter measures and proactive traffic direction and control throughout the city
  - Handles complaints or suggestions concerning traffic-engineering deficiencies and transmits related data to Traffic Control Board
- □ The Youth Services Unit
  - Develops and implements programs along with School Resource Officers (SROs) to prevent and control juvenile delinquency
  - Administers Department's youth initiatives and serves as a liaison to Family Court and other social agencies

#### **Crime Research Unit**

- Responsible for developing, collecting, collating, analyzing, and disseminating intelligence, crime and calls for service information
- Provides timely and pertinent information relevant to assisting investigations, identifying crime series and patterns, reporting on trends in police data, as well as providing analysis related to matters of public safety
- Information collected is used to develop problem solving and community policing strategies for crime prevention and reduction

#### POLICE DEPARTMENT OPERATIONS – SPECIAL OPERATIONS DIVISION

### Mission

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by providing administrative support services necessary to Department operations, and by overseeing the Officer Assistance Program that provides crisis intervention and stress counseling services to members and their families.

# Organization

# **Critical Processes**

- □ **Professional Development** administers the department's training programs, including roll call, recruit, civilian (pre-service) and in-service training.
  - Firearms Training coordinates firearms training and maintains records on each departmental weapon, and related inventory and firearms proficiency records
  - In-Service Training plans and develops training and special programs
  - Academy and Field Training coordinates recruit officers' training and probationary officers' field training and performance evaluations, as well as selection and certification of Field Training Officers (FTOs) assigned to the Patrol Division
  - o Coordinates, trains, and evaluates all newly appointed Sergeants and Lieutenants
  - Background and Recruitment Unit actively works with the Department of Human Resource Management to recruit new officers and conduct background research
- Technical Services oversees resource and records management, contract vehicle towing, coordination of fleet purchases, maintenance of fleet assets with the Department of Environmental Services, and inventory control of departmental fixed assets. Red Light camera videos are reviewed by this unit and approved for notices of violation.
  - Liaison to Monroe County Public Safety Radio Center for the maintenance and issuing of all police portable and car radios, and vehicle computers
  - Provides support to the Police Department and other law enforcement agencies regarding criminal history checks, wants and warrants, teletype requests, missing persons, etc.
  - Processes all incidents with regards to the Red Light camera program for the City of Rochester
  - Conducts manual and automated record and warrant checks, using both local files and the statewide e-Justice system

# POLICE DEPARTMENT ADMINISTRATION

- Processes all requests for crime, incident and motor vehicle accident reports, background check applications and fingerprint requests for the City of Rochester
- Support Services includes the Property Clerk and Auto Pound, which receive evidentiary items, recovered property, and impounded vehicles
- The Quartermaster maintains and coordinates purchase and issuance of inventories of uniforms, equipment and supplies
- The Headquarters Unit responds to walk-up complaints and information requests, issues copies of reports as legally required, takes all bail for the City of Rochester and is responsible for Public Safety Building security
- The Information Services Unit is responsible for entering, reviewing and monitoring the quality of information entered in the department's Records Management System and filing, retrieval and security of Department reports
- The Juvenile Records Unit is responsible for the privacy and security of juvenile records which must be maintained separately from adult records
- The Warrant Unit administers the department's arrest warrant service, entering notices into regional, state and federal information systems
- The Court Liaison Unit maintains contact with criminal and traffic courts for notification to police officers and civilian employees to appear in court for required proceedings
- The Identification Unit takes fingerprints, maintains manual and automated photograph and fingerprint files, and processes all DNA collection
- The Paralegal Unit assists sworn personnel in preparation of selected forms and reports for Grand Jury packages, tracking felony cases, submitted through the court system and reporting their disposition to the commanding officer, and reviewing Grand Jury referrals and juvenile petitions before delivery to Family Court
- The Call Reduction Unit handles all eligible crime incidents and added information reports via phone for the City of Rochester
- Police Overt Digital Surveillance System (PODSS) center monitors suspicious activity through a series of surveillance cameras and other technology, using police radios and Computer Aided Dispatch (CAD) terminals allowing direct communications with police officers on the street
- □ **Personnel** provides medical and personnel management, including job classification, hiring and promotion, payroll, and record maintenance.
- **Budget** provides central financial management for the department, including budget preparation, purchasing, and contract administration.

# Research & Evaluation

- Conducts research and management and statistical analysis
- Monitors compliance with state standards and national accreditation agencies
- Assists in conducting on-site evaluations
- Prepares department's annual report
- Researches and writes grant applications and submits grant-related operational and financial reports
- Serves as repository for all department and New York State reports
- Coordinates policy and procedure development for handling of emergencies
- Liaison to Monroe County Office of Emergency Preparedness
- Liaison to Department of Human Resource Management in administration of department's health and safety program

### **Program Change**

The budget contains funds for a recruit class of 30 in September 2016 and a recruit class of 15 in March 2017. The new recruits will be assigned to Patrol during the summer months while also providing staffing during other time periods in an effort to reduce seasonal hiring impact on operations. The additional recruits hired will permit the department to stay at or near authorized strength throughout the year.

Funds are provided for a Technology Application Coordinator and Digital Media Specialist to support the Body Worn Camera Initiative. Staff will be responsible for the management of digital media evidence and respond to FOIL applications.

### Mission Statement

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by providing professional services for life preservation, incident stabilization and property conservation. We protect life and property through fire suppression, emergency medical services, technical rescue, fire prevention, disaster preparedness, and public education. The effective delivery of these services is achieved through a commitment to our employees and the community.

### Vital Customers

- □ Internal: City of Rochester departments
- External: All who live, work, visit, or do business in the City of Rochester; Rochester City School District; Mutual Aid Program participants; Monroe County, West Brighton Fire District; RG&E; Kodak.

#### **Critical Processes**

- □ Fire suppression
- Medical response
- Emergency management
- □ Education and fire prevention activities
- □ Training and appropriate staffing
- □ Equipment and supplies maintenance

### **Department Highlights**

The proposed budget includes funding for a planned recruit class of 38 to begin January 2017. The recruit class will provide an opportunity for continued efforts to increase diversity among uniform personnel.

The department will begin the fiscal year with vacancies and as a result funding is added for overtime.

Portions of the 2014 and 2015 State Homeland Security Program grants are complete. Rope technical rescue training will be administered in 2016-17.

Highlights of the Department's 2016-17 Strategic Goals & Objectives are presented below. Additional information for each bureau is included in the sections that follow.

Highlights	Priorities Supported	Projected Completion	
Office of the Fire Chief:			
Coordinate with the Law Department to negotiate renewal of the current contract with the Town of Brighton for primary fire protection and emergency medical first responder services within the West Brighton Fire Protection District	Safer and More Vibrant Neighborhoods	Second Quarter	
Conduct candidate vetting process to hire 38 recruits	More Jobs	Second Quarter	
Conduct Part II of the Insurance Services Office (ISO) rating project	Safer and More Vibrant Neighborhoods	Second Quarter	
Operations:			
Implement a NYS Technical Rescue Technician Certification Program to include the application and documentation of 60 Technical Rescue Team Members	Safer and More Vibrant Neighborhoods	First Quarter	
Review City Emergency Management Plan and Update Hazmat Appendix	Safer and More Vibrant Neighborhoods	Second Quarter

# FIRE DEPARTMENT OFFICE OF THE FIRE CHIEF

### **Mission Statement**

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles*, the Office of the Fire Chief manages the Fire Department; analyzes and evaluates operations and performance; carries out public relations; maintains Rochester's radio fire alarm system; and performs case management of sick and injured firefighters.

### Organization

### **Critical Processes**

- □ Manages personnel and establishes personnel standards, policies and work schedules
- Coordinates department's annual budget request
- □ Controls general fiscal matters
- Oversees department's contract administration, including Emergency Medical Service (EMS) and Medical Director services
- Oversees administration of the Protectives contract
- Coordinates department's facilities maintenance and acts as liaison with Department of Environmental Services/Architectural Services for building renovations
- Oversees Fire Code enforcement administration and records management
- Administers and coordinates grants
- □ Analyzes operations and reporting systems
- Evaluates programs and develops recommendations for modifying procedures
- □ Assists in implementing new operating procedures, methods and techniques
- Oversees information systems
- Acts as liaison with City's Information Technology Department, Emergency Communications Department, Monroe County Public Safety Communications, Rochester Police Department, and Neighborhood & Business Development
- □ Maintains Rochester's radio fire alarm system
- Oversees Case Management of all duty related injuries/illnesses and claims for on duty injury coverage

# FIRE DEPARTMENT OPERATIONS

### **Mission Statement**

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles*, the Operations Bureau fights fires, provides emergency medical services, and responds to other emergency and nonemergency incidents. The Bureau remains prepared for this mission though training of recruits and ongoing training of firefighters and officers, through its Emergency Medical Services (EMS) Program, and through its Health & Safety compliance activities.

### Organization

# **Critical Processes**

### Suppression

- Responds to fire incidents and performs rescues
- Controls hazardous materials that threaten public safety with a specialized Hazardous Materials Response Team
- □ Trains Emergency Medical Technicians
- □ Conducts code enforcement inspections
- Attends community events as requested

### Protectives

Protectives, Inc. of Rochester, N.Y. is comprised of volunteers who respond to fire alarms to safeguard and salvage property using a City fire vehicle and other equipment

### **Training/Emergency Management**

- Provides initial training of recruits and ongoing training of firefighters and officers
- □ Conducts two days of in-service training annually for all fire companies
- Conducts annual service tests of firefighting apparatus
- Conducts Career Pathways to Public Safety program in conjunction with Rochester City School District and the Firefighter Trainee program
- Special Operations oversees six specialty teams: Hazardous Materials Response, Confined Space Rescue, High Rise, Water Rescue, Extrication, and Heavy Rescue
- Develops and maintains State Homeland Security Program
- Administers City's Emergency Management Plan
- Coordinates special events emergency management planning city-wide including Incident Action Plan (IAP) development
- □ Coordinates large scale disaster prevention, mitigation, response and recovery situations
- Coordinates with other local municipalities and community organizations in developing emergency plans and operational response methods and development of hazard mitigation program and preventative measures

#### **Emergency Medical Service**

- Coordinates delivery of Emergency Medical Services program, including training, certification, testing for:
  - Emergency Medical Technician (EMT)
  - Cardiopulmonary Resuscitation (CPR)
  - Continuing Medical Education (CME)
- Purchases and maintains EMS equipment and supplies

#### Health & Safety

- Ensures compliance with all Public Employees Safety and Health (PESH) and Occupational and Safety Health Administration (OSHA) standards and other regulations
- Inspects facilities, apparatus, and equipment for compliance with Federal, State, and local safety regulations
- Provides oversight at the scene of emergency incidents
- Recommends changes in procedures to reduce the risk of injury to firefighting personnel
- Monitors workplace health and safety requirements per National Fire Protection Association (NFPA) standards, including the following components: employee health and safety training, incident scene monitoring, maintenance and provision of protective equipment, investigation of improper practices, continuous improvement program for enhanced safety procedures and practices

#### Major Change

Increase budgeted size of firefighter recruit class from 12 to 38	570,700
Net increase in overtime as a result of beginning the year with vacancies	460,300
Overtime is added for January 2017 class instruction	186,200
Reductions in medical expenses reflect actual need	-122,100
Assistance to Firefighter Grant 2014 is complete	-93,200
Add straight time overtime for line Deputy Fire Chiefs	90,600
Recruitment for the new firefighter exam is complete	-72,100
Reductions in supplies and services reflect actual need	-17,400
Wearing apparel increases to reflect actual need	8,400
Education supplies increase to accommodate a larger class	8,100

#### **Program Change**

A recruit class of 38 is planned to begin January 2017.

The new Local 1071 of IAFF union president is a Firefighter. The full release Firefighter position has transferred from Suppression to the Fire Chief's Office and has replaced the Fire Captain union president position in the Chief's Office. Two Firefighter positions were converted to two floating Lieutenant positions to help mitigate overtime.

CPR certifications are renewed every two years. 2016-17 is a recertification year. EMT certifications are renewed every three years.

# FIRE DEPARTMENT SUPPORT

### **Mission Statement**

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles,* Support maintains fire apparatus and equipment, investigates all structure and other fires, and conducts code enforcement.

# Organization

#### Critical Processes Apparatus Maintenance

- □ Repairs and maintains fire apparatus, support vehicles, other motorized equipment
- Develops specifications for new apparatus and prepares for use
- Prepares surplus firefighting equipment for sale
- □ Maintains Airport fire apparatus

### **Supply Depot**

- Orders, maintains, stocks, and distributes equipment and materials to fire stations
- Performs general maintenance, testing, and routine repairs on fire tools and appliances
- Responds to major fires to deliver additional air bottles and make minor on-the-spot repairs

### **Fire Investigation**

- □ Investigates all structure fires or other incidents including vehicle, trash, and false calls
- □ Surveys fire scenes to determine ignition sequence and fire development
- Conducts interviews with witnesses and victims
- □ Arson Task Force interrogates suspects and pursues criminal charges
- □ Fire Related Youth Program investigates juvenile fire-setter incidents
- Performs educational interventions with juveniles and primary caregivers

#### **Code Enforcement/Fire Safety**

- □ Inspects residential, commercial, industrial, and institutional properties
- Cites violations of the Fire Prevention Code liable to cause fire and endanger life and property
- In conjunction with Neighborhood and Business Development, reviews new construction plans to ensure code compliance
- □ Inspects properties receiving Certificates of Occupancy and entertainment licenses
- □ Issues permits for maintaining, storing, handling, and transporting hazardous materials; inspects vehicles, buildings, and storage places that will be used
- Maintains information file on structures that records inspections, permit issuance, fire prevention measures
- Conducts community risk reduction educational programs to develop public awareness of fire safety prevention measures

#### 2016-17 Strategic Goals & Objectives

Objective	Priorities Supported		Projecte Complet

#### **Mission Statement**

- □ To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by enriching the quality of life in Rochester and Monroe County by providing educational, recreational, aesthetic, and informational materials, services, and programs to help people follow their own lines of inquiry and enlightenment.
- Through a partnership of public and private resources, the Library assists the City and County in meeting the needs of the community by operating the central and branch libraries, conducting outreach programs and providing services to member libraries of the Monroe County Library System.
- □ In all its endeavors, the Library maintains and promotes the principles of intellectual freedom and equality of access.

#### Organization

The Library consists of the Central Library, which includes Monroe County Library System support services, and Community Services, which includes the branch libraries. In accordance with New York State Education Law, the Library is governed by an eleven-member Board of Trustees. The Mayor appoints trustees, with the approval of City Council, for five-year terms.

### Vital Customers

□ External: All users of library products, services, facilities; special populations; institutions/agencies/organizations; funding bodies; businesses; other libraries.

#### **Critical Processes**

- Our valued and culturally diverse staff provides convenient and reliable services and dynamic collections that anticipate the needs of our community.
- Our attractive and inviting facilities enable us to meet the specific library service needs of neighborhoods.
- □ We play a leadership role in facilitating independent learning in order to help people lead more productive and fulfilling lives.

Highlights of the Department's 2016-17 Strategic Goals & Objectives are presented below. Additional information for each bureau is included in the sections that follow.

Highlights	Priorities Supported			Projected Completion	
Central:					
			d More Vibrant rhoods	Second Quarter	
Begin design of Master Space Plan Phase 4, Central Technology Center, including comprehensive assessment of technology access and training needs for Central Library patrons and downtown stakeholders	More Jo	bs		Ongoing	
Community:					
Complete Branch Libraries Facilities and Operational Master Plan			d More Vibrant rhoods	Third Quarter	
Broaden early childhood enrichment program via the Americorps program and through alte sources of funding	0	Better S Opportu	chools and Edu nities	Ongoing

## PUBLIC LIBRARY COMMUNITY LIBRARY

#### Organization

#### **Critical Processes**

- □ Acquire materials, schedules and deploy personnel to branch libraries
- □ Maintain and repair branch libraries
- □ Provide convenient access to library services through:
  - Loans of printed materials, audio recordings, compact discs, dvds, and electronic materials
  - Collections of popular interest for area residents
  - Reference services with access to the resources of the Monroe County Library System
  - Programs such as story hours, lectures, artistic performances, English language learning, and school tutoring
  - Referral services to community agencies
  - Facilities for meetings and programs sponsored by non-library groups
  - Access to the Internet and personal computing needs

#### 2016-17 Strategic Goals & Objectives

### Mission Statement

The Department of Recreation and Youth Services (DRYS) supports the City of Rochester's *Vision Statement and its Values and Guiding Principles* through the administration of programs, social activities, and support services. These activities are carried out with a focus on providing first-rate services to our citizens.

DRYS nurtures and inspires the inner potential of all citizens of Rochester through recreational, educational, creative arts and employment readiness programs, thereby supporting the development of a healthy, educated and self-sustaining community. We recognize that the youth of our community are in particular need of support during their formative years, and as such, we have a special focus on youth programming.

### Department Highlights

The department will continue to increase structured programming at R-Centers, including the implementation of magnet programming with a focus on STEM, the arts, literacy, and health-focused activities.

Construction will begin on Phase 1 of the Public Market Improvement Plan. This investment will provide significant modernization upgrades to the Market, including a new wintershed. Due to project construction, the occupancy rate of the wintershed is expected to decrease from 100% to 90%.

The department will collaborate with the Rochester City School District and Rochester Public Library to continue a summer literacy program to be deployed at various R-Centers throughout the City.

DRYS will provide oversight on several capital improvement projects, including general rehabilitation projects at R-Centers and play apparatus renovations.

Opportunities for year-round youth employment and life skill development will continue. The department will align Operation Transformation Rochester's Fresh Start and Employment Readiness adult services with community anti-poverty efforts.

#### **Mission Statement**

The Commissioner's Office supports the City of Rochester's *Vision Statement and its Values and Guiding Principles* by setting management policy, goals, and performance standards. It coordinates the Department's annual budget and capital planning processes; maintains fiscal operations and payroll matters; coordinates the purchasing of supplies; and manages the City Council submission process.

The Office of Youth Outreach and Violence Prevention, which includes Pathways to Peace, operates a team of outreach workers to prevent violence, channeling city residents likely to be involved in serious violence, as either a victim or offender, toward an array of community resources. This highly motivated team establishes essential linkages among service providers, participating youth, and their families. This office also monitors the young participants' progress to ensure that they do not re-engage in violent behavior.

The Bureau also manages and operates the Rochester Public Market in a manner that ensures its financial viability, fosters local economic development, promotes and sustains farmers and vendors, and provides consumers with access to a fresh, nutritious, and affordable food source.

### Organization

#### **Vital Customers**

Administration and Finance

- Internal staff
- City Council

Office of Youth Outreach and Violence Prevention

- Youth and young adults at risk of or involved in serious violent incidents
- □ Families of violent youth or in a crisis involving youth
- □ Community service providers
- Community at large

#### Public Market

- Residents and visitors of all ages
- □ Vendors and customers at the Public Market

#### **Critical Processes**

Administration and Finance

- Coordinate and manage the Department's annual budget, grant operations, and capital planning processes
- Maintain fiscal operations and payroll matters
- Manage the Department's City Council submission process
- □ Collaborate with other youth serving organizations to share data and analyze trends to better understand youth usage of services and related outcomes

Office of Youth Outreach and Violence Prevention

- □ Make home visits to high risk youth and young adults
- Mediate violent conflicts
- D Provide presentations on anti-violence and gang issues
- □ Provide service linkages

Public Market

Operate a year-round Public Market which provides access to healthy food, opportunities for entrepreneurs, and a venue for community special events

#### 2016-17 Strategic Goals & Objectives

Objective	Priorities Supported	Projected Completion
Administration and Finance:		
Develop formal data-sharing framework with City-County youth service providers to better understand youth usage of services and related outcomes	Innovation and Efficiency	Fourth Quarter
Pilot Community Dashboard analytical report for programming design (ex: comparison of youth athletic participation in and out of school)	Innovation and Efficiency	Fourth Quarter
Office of Youth Outreach and Violence Preventi	on:	
Conduct quadrant-based targeted outreach and interventions	Safer and More Vibrant Neighborhoods	Ongoing
Develop & implement delivery of multi-session programming interventions for at-risk youth	Safer and More Vibrant Neighborhoods, Better Educational Opportunities	Ongoing
Public Market:		
Reissue request for proposals for public and/or private development at the Public Market lot site		Third Quarter

## **Mission Statement**

The Bureau of Recreation supports the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by providing opportunities for the community to learn, socialize, exercise, and play, while promoting healthy behaviors and with an emphasis on youth. This is accomplished by using a positive youth development philosophy with a focus on competence, usefulness, belonging, and power of influence. The Bureau acts as a steward, interpreter, and champion of our city's R-Centers, parks, playgrounds, aquatics, green spaces, and other facilities.

## Organization

### **Vital Customers**

- □ City youth and their families
- Residents and visitors of all ages
- Parks patrons
- Rochester City School District
- □ Community partners and collaborators

### **Critical Processes**

□ Conduct structured after-school programming to support out-of-school educational opportunities

- Develop and implement initiatives to provide enhanced youth development programming with youth and families to increase asset attainment in students
- □ Organize a variety of community special events to promote youth development and social skills
- Conduct programs, events, and workshops focused on horticulture, the environment, and community wellness
- □ Conduct community recreation and youth development at 11 school year R-Centers, 4 schoolbased recreation programs, and 14 summer R-Centers
- Conduct community aquatics programs at 8 pools and Durand Eastman Beach
- □ Use a Program System Management model to provide quality management of existing and new programs, which includes marketing, staff development, and community input

## 2016-17 Strategic Goals & Objectives

Objective	Priorities Supported	Projected Completion
Enhance delivery of community-inclusive athletic programming and services	Safer and More Vibrant Neighborhoods, Better Schools and Educational Opportunities	Second Quarter
Evaluate and expand revenue-based programming and opportunities	Innovation and Efficiency	Third Quarter
Campbell R-Center improvements: complete gym renovations and initiate play apparatus and outside courts improvements	More Jobs, Safer and More Vibrant Neighborhoods	Fourth Quarter
Implement magnet programming with a focus on STEM, the arts, and environmental education; evaluate opportunities for expansior	Better Schools and Educational Opportunities	Ongoing

## Year-To-Year Comparison

	<u>2015-16</u>	<u>2016-17</u>	<u>Change</u>
Budget	7,606,000	7,689,900	83,900
Employee Years	156.7	166.8	10.1

## **Change Detail**

Salary & Wage	General		Vacancy			
<u>Adjustment</u>	Inflation	<u>Chargebacks</u>	Allowance	<u>Miscellaneous</u>	Major Change	<u>Total</u>
171,100	5,800	-19,600	0	600	-74,000	83,900

# Major Change

Additional funding for part-time Recreation positions to reflect actual need	183,500
HEALTH grant does not recur	-123,900
Funding for heat, light, power expenses reduced to reflect historical trends	-72,000
Mural Arts program does not recur	-71,900
Program Development Specialist added for youth development programming	70,900
Funding for water bills reduced to reflect historical trends	-40,200
Biz Kids and Jr. Rec programs transfer from BEST Bureau	36,500
Supplies and services lines reduced to reflect actual need	-29,000
HEART grant does not recur	-26,100
YVOV funding from Rochester Area Community Foundation does not recur	-24,900

#### Major Change

Funding for water bill added for new Roxie Water Park	20,000
Adjustment to Literacy Aide program funding	9,800
Benefits expenses for RASA grant moved to Undistributed	-6,700

#### Service Level Change

Elimination of summer aquatics operation at 1 high school pool. Three high school pools, three R-Center pools, & the GVP pool remain in operation.

Adjustments in permit fees are made for several lodges and sports facilities, based on fee study of comparable County amenities.

### **Program Change**

The additional Program Development Specialist will increase the capacity of Recreation to strategically develop and implement city-wide and/or mobile positive youth development programming, as well as respond to Mayoral initiatives for increased educational opportunities for youth in an afterschool setting.

With the addition of the spray park Recreation anticipates an increase in public usage of the Roxie Sinkler R-Center. The Center hours of operation will be increased for parity with other stand-alone R-Centers. The existing Recreation Supervisor title will be converted at a Center Director title to reflect the additional responsibilities.

The Bureau of Recreation employs eighteen Recreation Leaders and two Recreation Leaders/Bilingual. The proposed budget increases the pay bracket for this title to reflect the shift in programming at R-Centers from free-play only to a more structured learning environment. Recreation leaders plan and facilitate more diverse activities such as STEM, environmental education, and tutoring than in the past.

Funding and management for the Genesee Valley Complex and Martin Luther King Jr. Memorial Park is consolidated under Athletics and Aquatics.

## DEPARTMENT OF RECREATION & YOUTH SERVICES BUREAU OF EMPLOYMENT, SKILLS TRAINING & YOUTH SERVICES

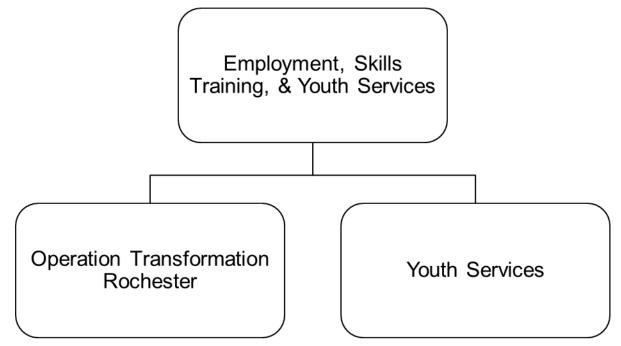

### **Mission Statement**

To effectively impact the city, transform the face of poverty, and improve educational and employment opportunities:

- We will create a pipeline from education to employment placement for youth and adults
- We will transform Rochester into a city of thriving, productive youth and adults
- We will deliver creative services, dynamic employment training, and skill development to youth and adults

Create. Transform. Deliver.

### Organization

#### **Vital Customers**

Operation Transformation Rochester: Fresh Start, Employment Readiness, Youth Employment Training/Dream Big2

- Youth
- Parents and families of youth
- Adults at risk
- Rochester City School District

Youth Services

- Youth and adults
- Parents and families of youth
- Teenage parents and their children
- Rochester City School District
- Youth-focused local agencies and collaborations

### 12–20 DEPARTMENT OF RECREATION & YOUTH SERVICES BUREAU OF EMPLOYMENT, SKILLS TRAINING & YOUTH SERVICES

#### Critical Processes

Operation Transformation Rochester (OTR): Fresh Start, Employment Readiness, Youth Employment Training/Dream Big2

- □ Conduct intake and assessment for all potential OTR program participants
- Provide participants (youth and adults) with access to resources
- Provide employment readiness training for youth and adults
- Provide outreach and recruitment for employment
- Derivide leadership, professional development, and life enrichment opportunities
- Post-placement monitoring and follow-up support

Youth Services

- □ Administer state and federal grants to address youth and family issues
- Provide participants with access to resources
- □ Provide parent and family skills training

### 2016-17 Strategic Goals & Objectives

Objective	Priorities Supported	Projected Completion
Identify comprehensive database to track program participation and follow-up services	Innovation and Efficiency	Third Quarter
Establish workforce development partnerships with private sector industry	More Jobs	Ongoing
Actively seek alternative funding through grants and collaborations for OTR relevant funding	Innovation and Efficiency	Ongoing
Deliver employment readiness training designed to increase specialized and soft skills	More Jobs	Ongoing
Provide single point of entry intake and assessment for OTR services	More Jobs	Ongoing
Recruit community members to serve as mentors for OTR participants	More Jobs	Ongoing
Provide youth development workshops and trainings in the areas of health, employment readiness and leadership development	More Jobs	Ongoing
Implement new cycle of THRIVE Teenage Pregnancy Prevention Program	Better Schools and Educational Opportunities	Ongoing
Expand Operation Transformation Rochester's relationship with the local business community, which will serve city youth and adults by offering comprehensive programs geared towards education, vocation and permanent employment	More Jobs	Ongoing

### Purpose

The Undistributed Expenses budget records allocations associated with, but not included in, departmental budgets or those that cannot reasonably be distributed to departmental budgets. This budget includes costs for both current and non-current (including retiree) employee benefits, general risk management, payments to other agencies, and other miscellaneous expenditures.

#### Year-To-Year Comparison

	Budget	Budget		Percent
Main Functions	<u>2015-16</u>	<u>2016-17</u>	<u>Change</u>	<u>Change</u>

## UNDISTRIBUTED EXPENSES EMPLOYEE BENEFITS – CURRENT

NEW YORK STATE RETIREMENT SYSTEM: the City makes annual payments to the New York State Retirement System, which in turn is responsible for making pension payments to eligible retirees. The New York State Comptroller oversees the System. The City participates in multiple programs, based on an employee's date of hire. Each program provides a different level of benefits. Employees are eligible for participation in the various programs based on their employment period, which is called a tier. Tiers are:

#### Tier <u>Hire Date (by any qualified public employer)</u>

	Non-Uniformed Employees	Uniformed Employees
1	Before July 1973	Before July 1973
2	July 1973 to July 1976	After July 1973 to December 2009
3	July 1976 to August 1983	July 2009 to January 2010
4	September 1983 to December 2009	Does not apply
5	January 2010 to March 2012	January 2010 to March 2012
6	After April 1, 2012	After April 1, 2012

The amount of the City's pension payment to the state is the product of the estimated 2015-16 wage base times the contribution rate for each tier. The 2015-16 wage base is calculated by the Comptroller based upon wages and salaries earned during the period April 1, 2015 to March 31, 2016. The Comptroller sets the contribution rates which vary from year to year. The bill also includes the annual repayment amount of prior amortizations. The City amortized in fiscal year 2013-14 and the repayment amount is \$1,359,100 annually through fiscal year 2023-24. Amortization of pension is not assumed for 2016-17.

A Voluntary Defined Contribution (VDC) option instead of joining the New York State Retirement System is available to all unrepresented employees hired on or after July 1, 2013 who earn more than \$75,000. The plan is administered by the State University of New York (SUNY).

#### Year-To-Year Comparison

	<u>2015-16</u>	<u>2016-17</u>	<u>Change</u>
Budget	41,195,500	40,864,100	-331,400

#### Major Change

Lower overall state retirement contribution rates

-331,400

## UNDISTRIBUTED EMPLOYEE BENEFITS – CURRENT

SOCIAL SECURITY: under the provision of Federal law, the City contributes to the Social Security Trust Fund 7.65 percent of the first \$118,500, then 1.45 percent after that for salaries and wages earned by each eligible employee. Certain earnings and deductions are not subject to these rates, such as flexible spending and payments to disabled employees.

#### Year-To-Year Comparison

	<u>2015-16</u>	<u>2016-17</u>	<u>Change</u>
Budget	16,879,100	17,185,300	306,200
Major Change			

Increase due to wage base growth

HOSPITAL & MEDICAL INSURANCE: the City provides hospitalization and medical benefits. Agreements with the different labor unions determine specific coverage and the amount contributed by the City. In 2012, the City reached agreement with its unions to establish a self-funded health insurance program. The new program started January 1, 2013 and also covers Administrative, Professional, and Technical employees and Confidential employees. In addition, the agreements created a joint Labor/Management Health Care Committee to address future cost increases. An updated three year Memorandum of Agreement was negotiated effective January 1, 2016.

#### Year-To-Year Comparison

	<u>2015-16</u>	<u>2016-17</u>	<u>Change</u>
Budget	38,971,700	41,769,100	2,797,400

### Major Change

Current employee medical is budgeted under the terms of the Memorandum of Agreement 2,797,400 with the Labor/Management Health Care Committee

WORKER'S COMPENSATION: under a self-insurance program, the City directly finances the costs of medical and compensation payments to civilian employees injured on the job. A private insurance firm that is responsible for investigating claims, making payments, and estimating future reserve requirements administers the program.

### UNDISTRIBUTED EXPENSES OTHER

PAYMENTS TO OTHER GOVERNMENTS: this activity provides for payments to the County and other governments for charges and services. Monroe County Pure Waters Agency charges the City for waste water removal at City-owned properties. The charge is based on both assessed property value and water consumption. Taxes of certain city residents whose children attend suburban schools are remitted to those suburban school districts as required by State law. Payments are also made to Monroe County for services provided to City Court facilities.

\*Reflects remaining contingency after amendments. The original 2015-16 Contingency was \$1,706,300; the orginal 2014-15 Contingency was \$10,182,100. 2014-15 included allowances for Locust Club and IAFF contract settlements.

The Capital Expense budget finances the construction or reconstruction of facilities and services, the acquisition and replacement of vehicles and equipment, and certain other projects and improvements that provide benefits over a multi-year period. To be included in this budget, a project or item must be consistent with the definition of "capital object or purpose" included in Section 11 of New York State Local Finance Law.

The financing of these capital projects may occur principally through two means. First, a direct appropriation may be made; this type of appropriation is included in the Cash Capital section. Second, funds for the project may be obtained through the issuance of bonds and notes, two forms of borrowing. The subsequent repayment of these borrowed funds and the related interest costs are called "debt service." Appropriations for these expenses are included in the Debt Service section.

To plan for capital expenditures over a period of years and to ensure that equipment replacement and building renovations are made when economically feasible and needed, a Capital Improvement Program (CIP) is prepared anticipating capital investments and their proposed sources of funding for a five year period. The CIP is included in this section as a separate document. The first year's program in each five-year CIP provides the basis for the Cash Capital appropriation and the annual Debt Authorization Plan. Major changes reflect the difference between the amended 15-16 budget and the proposed 16-17 budget.

#### Year-To-Year Comparison

	Budget	Budget		Percent
Category	<u>2015-16</u>	2016-17	Change	Change

### **TRANSPORTATION & INFRASTRUCTURE**

The Transportation category includes the following ongoing infrastructure rehabilitation programs:

- Arterial Improvements
- Asphalt Milling, Resurfacing and Curb Replacement
- Residential Street Rehabilitation
- Residential Street Treatment
- Hazardous Sidewalk Program
- Street Planning and Design
- Bridge Improvement Program
- Bridge Reconstruction and Rehabilitation

Funding in this category includes utility work done together with street improvement projects.

#### Year-To-Year Comparison

	2015-16	2016-17	Change
Budget	2,785,800	2,863,000	77,200

#### **Major Change**

Projects impacted by non-recurring grants through the Dormitory Authority of the State of NY (DASNY):

Charlotte Street/Haags Alley	-37,000
New Projects:	
Bausch Street/Upper Falls	274,000
Changes in Existing Projects from 2015-16:	
Funding decreases for Street Treatment	-1,005,000
Funding increases for Residential Street Rehabilitation	502,000
Funding decreases for Hazardous Sidewalk Remediation as Cash Capital is reassigned to debt	-500,000
Funding increases for Bridge Maintenance Program	303,000
Funding increases for Asphalt Milling, Resurfacing and Curb Replacement	345,000
Funding increases for Traffic Control program	190,000
Funding increases for South Avenue	176,000
Funding decreases for City wide Pavement Preventative Program, as planned	-123,500
Funding increases for Project Uplift, as planned	78,000
Funding decreases for Goodman Street, as planned	-58,000
Funding increases for Scottsville Road & Elmwood Avenue	53,000
Projects or Project Elements that will not recur:	
One time allocation for Marchiselli Aid for Inner Loop	-120,300

### PUBLIC WATERFRONT

The Public Waterfront category includes projects along our two main waterways: Lake Ontario and the Genesee River. Projects involve public improvements and development to enhance open space along the City's riverfronts.

#### Year-To-Year Comparison

	<u>2015-16</u>	<u>2016-17</u>	Change		
Budget	55,000	90,000	35,000

### CAPITAL EXPENSE CIP DOCUMENT NOTES

This CIP Document Notes section shows two things. First, an errata and addendum section makes corrections to the document published April 22, 2016. Second, a tax rate summary of the total expenditures proposed and the financial impact of the CIP program on the City's outstanding debt and tax levy for debt and cash capital. Assessed values and the distribution between the Homestead and Non-Homestead property categories are held at 2016-17 levels throughout the five-year period. The April 22, 2016 version of the CIP concludes this section of the budget.

### ERRATA & ADDENDUM

Errata & Addendum that follow are changes and corrections should be made to the April 22, 2016 version of the CIP: all amounts (000s):

The Budget records personnel resources in a number of ways. First, individuals may be employed in either full time, part time, temporary, or seasonal capacities. A full time employee works a standard work week on a year round basis. The number of hours per week may vary depending on unit assignment and the nature of the job. Part time employees also work on a year round basis, but for less than the standard work week. Temporary employees work standard work weeks, but for a fixed period, usually not more than eighteen months. Seasonal employees work hours that are determined by the jobs to which they are assigned, usually for short periods, e.g., the summer. While most of the City's personnel resources are allocated to full time positions, use of part time, temporary, and seasonal positions provides an efficient and flexible means of meeting peak work load requirements. These "other than full time" positions are aggregated in some Budget presentations.

Secondly, all full time positions are recorded in the Budget by job title. In every unit with assigned personnel, a display indicates the job titles assigned to that unit and the number of full time positions authorized for each title. All job titles are assigned to pay brackets that represent the compensation range for the position. The salary and wage schedules at the back of this section present the range for each bracket.

Overtime, the practice of extending work beyond the regular work week hours, is also explicitly accounted for in the Budget. Carefully managed overtime provides a flexible extension of the City's experienced workforce.

Finally, the Budget accounts for a Vacancy Factor, defined as the difference between the allocation actually required for personnel compensation, and that which would be required if every position were filled at all times. Some number of positions are always unfilled at a given moment. Vacancy factors differ among units, based on the size of the unit and the turnover rates experienced. Personnel resources are approximated in "Employee Years". Each full time position represents one Employee Year regardless of actual assigned hours, which vary. Part time, temporary, and seasonal positions are expressed as fractions of a full time Employee Year based on the number of hours to be worked in relation to the hours to be worked by a full time equivalent position or by salary averaging; fractions are to one decimal place, i.e., one-tenth of an Employee Year. Overtime and vacancy factors are similarly approximated.

The Employee Year allocations are approximated by adding that unit of measure for all full time, part time, temporary, seasonal, and overtime assistance and subtracting the vacancy allowance, as in the following example:

Employee Years	
Full Time Positions	21.0
Overtime	1.7
Part Time, Temporary, and Seasonal	2.3
LESS: Vacancy Allowance	1.1
-	23.9

Some presentations in the Budget show the assignment of fractional full time positions (e.g., 1.5 full time positions) to reflect sharing of positions among various activities and the corresponding allocation of costs to each activity. This practice is common in the Department of Environmental Services, Bureau of Operations. Here workload requirements change throughout the year (e.g., from Leaf Collection in the fall to Snow and Ice Control in the winter). Summing these partial assignments from two or more activities will result in an accounting of 100% of the full time employees, as in the following example:

<u>Title</u>	<u>Activities</u>	
Crew Chief	Lots & Yards	1.2
	Work Orders	0.6
	Leaf Collection	0.3
	Snow & Ice Control	<u>0.9</u>
	Total Authorized	3.0

#### PERSONNEL SUMMARY EMPLOYEE BENEFITS

In addition to wage and salary compensation, employees are provided with various fringe benefits as provided by law, collective bargaining agreements, and administrative determination. The City's budgeting and accounting systems place the allocations for these benefits in a separate department for monitoring and control purposes. Details on these allocations are found in the Undistributed Expenses section of the Budget (Tab 13).

The following table distributes fringe benefits to appropriate units:

## **Employee Benefit Distribution**

Department	<u>Amount</u>
Council and Clerk	847,400
Administration	4,919,200
Information and Technology	2,810,200
Finance	3,667,300
Neighborhood and Business Development	5,674,000
Environmental Services	26,323,900
Emergency Communications	7,645,900
Police	47,902,900
Fire	27,395,700
Library	3,899,600
Recreation and Youth Services	4,622,600
	135,708,700

Portions of the City's workforce are represented by the following labor organizations:

- American Federation of State, County and Municipal Employees, Local 1635 and 1635P, Full and Part Time Units
- Rochester Police Locust Club, Inc.
- International Association of Firefighters, Local 1071, Uniformed and Non-Uniformed Units
- International Union of Operating Engineers, Local 832-S
- Civil Service Employees Association, Rochester Public Library Part Time Employees Unit, Local 828

In accordance with collective bargaining agreements, employees in the following positions are granted full release time from their regularly scheduled work, with full pay and benefits to perform union duties. These positions and associated salary and benefits are reflected in the appropriate departmental and Undistributed Expenses budgets, and are presented here for informational purposes only.

July 1, 2016

By virtue of the authority vested in me by law, I, Lovely A. Warren, Mayor of the City of Rochester, New York, do hereby create, effective July 1, 2016, all positions set forth in this Budget to be in existence for the fiscal year 2016-17 at the salary and wage brackets indicated for said positions. The salary and wage bracket amounts shall be as set forth herein, except as modified by collective bargaining agreements or further directive of this office. All positions in existence prior to July 1, 2016, which are not set forth in this Budget shall be abolished effective July 1, 2016 except for positions otherwise prescribed by law.

Lody A Flamen

Lovely A. Warren Mayor

#### Operating Engineers Effective July 1, 2016

Bracket	Title	Step A	Step B	Step C	Step D	Step E
149	HVAC Trainee	17.05	17.56	18.11	19.37	19.95
150	Asst. HVAC Engineer	25.05	25.81	26.62	28.51	29.39
151	HVAC Engineer	26.07	26.87	27.69	29.67	30.58
152	Lead HVAC Engineer	28.07	28.94	29.81	31.91	32.96
153	Supervising HVAC Engineer	30.23	31.17	32.11	34.37	35.50

#### Fixed Salary Rates Effective July 1, 2016 or as otherwise noted

Title	Amount
Elected and Appointed Officials	
President of the Council*	44,309
Council Member*	34,309
Mayor*	143,339
Deputy Mayor	140,730
Examining Board Members	
Examiner-Chair**	1,250
Examiner Plumber	1,250
Clerk to the Board	1,250
Examiner-Vice Chair**	1,250
Examiner-Secretary**	1,250
Examiner-Stationary	1,250
Examiner-Electrician	1,000

\*These salaries are fixed by local legislation on a calendar year basis; amounts shown above represent calendar 2016. Every four years City Council sets the annual salaries of the Mayor and Councilmembers and provides for a cost of living adjustment for each of the next three years with a 3% annual cap; the last base year set was for calendar 2015. The Mayor and any Councilmember may decline to accept the cost of living adjustment, therefore actual salaries collected by the Mayor and Councilmembers may be lower than the above salaries.

\*\*These positions are not compensated if filled by a City or RG&E employee.

#### CSEA Library Part Time Effective July 1, 2016

Board of Education May 12, 2016

President Van Henri White

Vice President Cynthia Elliott

Members Mary Adams José Cruz Elizabeth Hallmark Malik Evans Willa Powell

Interim Superintendent of Schools Linda L. Cimusz The Honorable Lovely A. Warren Mayor, City of Rochester

City Hall 30 Church Street Rochester, NY 14614

Dear Mayor Warren:

On May 10, 2016, the Board of Education unanimously adopted a budget of \$864,734,068 to fund the Rochester City School District for fiscal year 2016-17.

The budget will maintain District programs and services for children in grades K to 12 at or very near current levels, while adding some resources to meet the social and emotional needs of students. It adequately staffs our schools to serve general and special education students, based on current projections for enrollment and required services. The budget expands Pre-kindergarten education opportunities for three- and four-year old students. It maintains current support for schools in receivership status, and we expect to secure additional State allocations to add support for Receivership schools and those newly designated as Priority schools.

The District's 2016-17 budget closes a projected gap of \$40 million from increased employee salaries and benefits, along with tuition costs from the loss of nearly 800 students to charter schools. Efficiencies that have helped to close the gap include lower transportation and extra-pay expenses from consistent, tiered school schedules; reduced substitute costs through fewer teacher vacancies and improved monitoring; and decreased central office and administrative costs. Increased State aid revenue and the application of fund balance have also helped to close the gap.

Specific changes supported in the budget include:

- "Help Zone" rooms in 13 additional buildings to support students and improve climate in every K-8 and secondary school.
- Big Picture alternative program for 9<sup>th</sup> grade students who need extra support to meet graduation requirements.

Mayor Lovely A. Warren May 12, 2016 Page 2 of 2

- K-2 curriculum development that is age-appropriate and culturally relevant for Rochester students.
- Summer learning programs in partnership with City libraries and R-centers to provide enrichment opportunities to reduce summer learning loss for our students.

As we prepare to welcome a new Superintendent in the 2016-17 school year, we are pleased to propose a budget that is fiscally balanced, educationally sound and based on input from stakeholders across the District and community. We appreciate the City's support for our budget, and the many other ways in which we collaborate to serve Rochester children and families. Working together, we can create city schools where every student achieves and succeeds to the best of his or her ability.

Sincerely,

Van Henri White President, Board of Education

Linda L. Cimusz Interim Superintendent of Schools

## **Rochester City School District Board of Education**

#### STATE AID TO EDUCATION

General Fund State Aid shown below is based on the aid projections included in the adopted 2016-17 New York State Budget.

#### FOUNDATION AID

Foundation Aid is unrestricted aid to support the district's general operations such as salaries, benefits, utilities and other operating costs. This aid represents 70% of the State Aid revenue to the District.

#### **COMMUNITY SCHOOLS AID**

This aid is new for the 2016-17 budget year and is for Districts with one or more schools designated as persistently failing or failing, and districts designated as high need.

#### SPECIAL SERVICES AID

These special aids are provided to the five large city school districts, and any other school district that was not a component of a board of cooperative educational services (BOCES) in the base year, in lieu of aid payable to other school districts for career education and administrative uses of technology purchased as shared services and aided through BOCES. A school district receiving aid under this category may not claim BOCES Aid for similar services/purchases.

#### SPECIAL EDUCATION – PUBLIC HIGH COST EXCESS COST AID

Public High Cost Excess Cost Aid is provided for students with disabilities placed in public settings in the Rochester City School District and at BOCES. This aid is based upon approved costs, attendance, District wealth and average operating expenses per pupil.

#### SPECIAL EDUCATION – PRIVATE EXCESS COST AID

Excess Cost Aid is provided for students with disabilities placed in private special education settings such as St. Joseph's Villa and Crestwood Children's Center. This aid is based upon approved costs, attendance, District wealth, and average operating expenses per pupil.

#### TRANSPORTATION AID

This aid provides up to 90% of the district's approved transportation expenses. Non-allowable expenses include: the transportation of non-handicapped pupils who live 1 1/2 miles or less from the school attended and transportation for extra activities such as field trips, and athletic trips.

#### HARDWARE AND TECHNOLOGY AID

Computer Hardware and Technology Equipment Aid provides funding for the purchase and lease of micro and/or mini computer equipment; technology equipment; repair of equipment for instructional purposes; and training and staff development for instructional purposes. The amount is based on a fixed amount per student and weighted average daily attendance.

#### SOFTWARE, TEXTBOOK AID AND LIBRARY MATERIALS \$2,767,566

This aid provides funding for the purchase of computer software, textbooks and library material. The amount of aid is based on a per-pupil dollar amount and weighted average daily attendance.

## \$406,994,539

#### \$6,500,000

# \$67,253,822

#### \$712,237

#### \$10,700,000

## \$8,400,000

\$7.000.000

#### CHARTER SCHOOL TRANSITIONAL AID

This aid partially offsets the cost of tuition that the district must provide for the transitional cost of students attending Charter Schools.

#### **CHARTER SCHOOL SUPPLIMENTAL BASIC TUITION AID**

This aid partially offsets the cost of tuition that the district must provide, for the transitional cost for students attending Charter Schools.

#### **BUILDING AID**

This aid supports expenses associated with the construction of new buildings, additions, and/or modifications of existing buildings. Building aid is provided for projects which have received prior approval from the State Education Department. It is based on the wealth of the district and the allowable expenses of the projects.

#### **OTHER STATE REVENUES**

This category represents state funding that the local delegation in Albany has secured for the district, aid for certain resident student placements, aid for homeless students, and incarcerated youth.

#### STATE AID ADJUSTMENTS

This category represents adjustment to offset the district's debt service under the State's Prior Year Claims Financing Program, as well as aid deductions for certain resident student placements, including intermediate residential treatment programs, and State supported schools for the Blind and Deaf. The State assumes 100% of the tuition costs for these placements.

#### **GRAND TOTAL STATE**

#### **REVENUES FROM CITY**

The City of Rochester funding includes the State funded STAR program.

#### **MEDICAID REVENUE**

The district receives partial reimbursement under Medicaid for support services provided to Medicaid eligible students with disabilities. The district receives a portion of the approved billable amount per service. The State recoups the remaining amount of federal Medicaid monies received by the district.

#### **OTHER LOCAL REVENUES**

#### NON-RESIDENT TUITION FROM OTHER DISTRICTS

The district provides tutoring and other education services to non-resident students on a tuition/fee basis. The largest portion of these revenues is for tutoring services provided to non-resident students at several agencies in the area.

#### HEALTH SERVICES REVENUE

The district provides health services to non-resident students attending private/parochial schools located within the district boundaries per NYS regulations. The district bills these costs back to the student's home districts.

Appropriation from Fund Balance represents the use of accumulated financial surplus from prior years' activities.

#### GRAND TOTAL GENERAL FUND REVENUE

<u>\$726,480,675</u>

\$275,000

#### **RENTAL AND USE OF BUILDINGS**

This represents the fees charged to various groups for the use of buildings in accordance with district policy.

#### CURRICULUM BASED PROGRAMS

Revenue generated by student curriculum programs such as the Work Experience Program.

#### SALES OF OBSOLETE EQUIPMENT

This is revenue from sales of obsolete equipment and vehicles, in accordance with district policy.

#### STOP LOSS REIMBURSEMENT FOR SELF INSURANCE

The District is self-insured for medical, dental, and workers compensation and has secured stop loss insurance policy for medical insurance. The District receives reimbursement for claims in excess of the stop loss limit.

#### STUDENT AND OTHER FEES

This revenue is earned through fees charged for Adult Education, rental of musical instruments and other miscellaneous fees.

#### **E-RATE REVENUE**

Federal E-rate revenue is provided to reimburse school district telecommunications and internet system expenditures.

#### EARNINGS - GENERAL FUND INVESTMENTS

This revenue from investments is earned by the district's cash management program.

#### MISCELLANEOUS REVENUE

This represents revenues that do not fit in any other categories.

#### INDIRECT COSTS

Many grant-funded programs provide revenue to offset overhead costs, which the district incurs in the operation of grants. Overhead costs include supervision and administrative cost.

The School Food Service Fund provides revenue to offset overhead cost incurred by the District in the operation of the Lunch Program. Overhead costs includes supervision and administrative cost.

#### **EARNINGS - CAPITAL FUND INVESTMENTS**

This revenue is earned through the following sources: interest earned on authorized capital funds which have not yet been expended, unused capital fund authorizations, and Facilities Modernization Program funding.

#### PRE-K UNIVERSAL

Universal Pre-Kindergarten supports the District's efforts to provide environments and experiences in socialization, early literacy and motor skill development to all eligible four-year old children, including those with disabilities and children whose home language is other than English at 31 Rochester City School District sites. It also provides the support for four-year old Rochester city residents who attend half day Pre-Kindergarten programs at 18 Community Based Organizations that are contracted and supervised by the District.

#### **PRE-K PRIORITY FULL DAY**

Priority Full Day Pre-Kindergarten works in conjunction with the District's Universal Pre-Kindergarten grant to convert half day seats to full day and add 90 additional full day seats over the UPK allocation. The grant provides funding for 1,414 full-day four-year old Pre-Kindergarten placements in designated high needs schools. The Four-year old full-day program will be maintained at 2,080 seats, which includes those at Community Based Organizations. Full Day four-year old programs funded through this grant are offered at 28 RCSD sites and 17 Community Based Organizations.

#### **PRE-K EXPANSION 3 & 4 YEAR OLDS**

Expanded Pre-Kindergarten is a grant from New York State that targets the youngest students yet. The grant funds three-year old high-need city residents to attend full-day three-year old programs modeled after the Universal Prekindergarten programs. Pre-K Expansion provides for 1,052 full-day three-year old seats. Students qualify for this program by having met one of three criteria: having an IEP, ELL status, or qualifying for free and/or reduced lunch program. The program is offered at nine RCSD sites and 19 Community Based Organizations.

#### RECEIVERSHIPS

The New York State Education Department allocated funds specifically to support and implement turnaround efforts for Priority Schools (East, Monroe, Charlotte, and School #9) that have been identified as "Persistently Struggling Schools". These schools have been placed under the sole authority of a 'Receiver'. Each school's 'Receiver' has an initial one-year period to use the enhanced Receivership authority, and the allocated funds, to make demonstrable improvement in student performance at each Persistently Struggling School, or have the State assume school control. The Superintendent of the RCSD is the Receiver for Monroe, Charlotte, and School #9. The University of Rochester is the Receiver for East.

#### SCHOOL HEALTH SERVICES

The purpose of the School Health Services grant is to provide the following: Mandated first aid, Emergency services, Screening, Contagious disease management, Services to children with special health concerns, and Documentation and State reporting

#### \$10,817,469

#### \$9,977,445

# \$8,431,995

#### SUMMER SPECIAL EDUCATION - EXTENDED SCHOOL YEAR (ESY)

Extended School Year (ESY) services are designed to support a student with a disability as documented under the Individuals with Disabilities Education Act (IDEA) to maintain the academic, social/behavioral, communication, or other skills that they have learned as part of their Individualized Education Program (IEP). In order for a student to receive ESY services, the student must have evidenced substantial regression and recoupment issues during the previous IEP year. The focus of the services provided to the student as part of an ESY program are not on learning new skills or "catching up" to grade level, but rather to provide practice to maintain previously acquired or learned skills. The cost of the ESY program is reimbursed by the State at 80% with the remaining 20% funded locally.

#### **EMPLOYMENT PREPARATION EDUCATION AID (EPE)**

This aid supports employment preparation programs such as: adult education, GED preparation, ESOL, and career education for pupils age 21 and older.

#### EXTENDED LEARNING TIME

The Rochester City School District received a competitive grant award from the New York State Education Department to provide funding for selected schools to improve student outcomes by adding at least 25 percent more time to the academic calendar beyond the standard schedule, by extending the school day, week, year, or a combination thereof. Schools #8, #10, #22, #23, #41, #44, #46, and the Leadership Academy for Young Men are participants in this grant award. East school is working collaboratively with a partner Community Based organization, the district, and their school-based planning team to add 300 hours per year in Extended Learning Time to their individual school time schedules through academic and enrichment activities.

#### **TEACHERS OF TOMORROW**

This grant provides a variety of incentives that encourage teachers to teach in a school district that is experiencing a teacher shortage or to teach in a subject area that is experiencing a teacher shortage.

#### TITLE I FEDERAL ESSA

#### Improving the Academic Achievement of the Disadvantaged

The purpose of Title 1, Part A is to "ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging State academic achievement standards and State academic assessments". RCSD is a school-wide Title I Program and is required to deliver services to all students with a continued focus on students with the greatest need.

- Funds are generated based on poverty criteria of free and reduced lunch eligibility. Use of funds is determined by need.
- All Title I expenditures must be supplemental and not supplant required services and materials.
- The District is required to set aside 15% of the Title I funds for School Improvement activities as defined by NYSED. In 2015/2016, Supplemental Academic Services and ELA/Math Instructional Coaches were used to meet this requirement.

#### TITLE I SCHOOL IMPROVEMENT GRANT

The School Improvement Grants under Section 1003(g) of the Elementary and Secondary Education Act of 1965, or SIG, provides financial assistance to the lowest achieving schools to significantly raise student achievement through the implementation of one of four recognized school intervention strategies (turnaround, restart, school closure, and transformation). Funding from the US Department of Education flows through the NYS Department of Education, who awards grants to individual school districts. Current Schools are #3, #8, #17, #44, #45, Monroe, NE, NW and Wilson.

#### TITLE IIA FEDERAL ESSA

#### Highly Qualified and Effective Teaching (ESEA/NCLB Title II A)

The purpose of Title IIA is to meet NCLB highly qualified teaching requirements, by:

- Providing high quality professional development to ensure teachers become, and remain, highly effective in helping all students learn and achieve high performance standards;
- Meeting 'highly qualified teacher' requirements for core course teaching through effective teacher recruitment, retention and professional development practices; and
- Ensuring strong instructional leadership through effective principal recruitment, retention and professional development practices

#### TITLE III FEDERAL ESSA

#### Language Instructions for English Language Learner and Immigrant Students

The purpose of Title III is to support and enhance the education of students who are English Language Learners (ELL) in all aspects of the English language and literacy development in order to promote academic achievement in all areas and lead to graduation and post-high school success.

More than 11% of the student population of the Rochester City School District is English Language Learners (ELL), and the predominant non-English language group is Spanish. Other languages spoken by RCSD students include Somali, Burmese, Arabic, Korean, and Chinese. RCSD programs receiving funds from Title III include Bilingual programs, Learning English through Academics Program (LEAP), Dual Language, and Free Standing ESOL.

#### \$23,800,000

\$3,800,000

\$4,500,000

#### **IDEA - INDIVIDUALS WITH DISABILITIES EDUCATION ACT** Assistance to States for the Education of School-Aged (Section 611) and Pre-School Students (Section 619) with Disabilities

The Individuals with Disabilities Education Act (IDEA) is a United States federal law that governs how states and public agencies provide early intervention, special education and related services to children with disabilities. The purpose of IDEA is to provide students with disabilities a Free Appropriate Public Education (FAPE) that prepares them for further education, employment and independent living. These grants provide funding to assist with the additional costs to the District.

#### 21<sup>ST</sup> CENTURY COMMUNITY LEARNING

The 21st Century Community Learning Centers grant provides students at Schools #3 and #45 with a tiered support framework that balances academics, socio-emotional supports, health and wellness education, community outreach, and family education. The program is heavily individualized to provide each child with a unique set of enrichment activities and caring relationships. Community partners collaborate with the District to deliver a diverse array of support activities.

#### SCHOOL INNOVATION FUND #22

The purpose of this grant is to implement a Community School design, which will allow Abraham Lincoln School #22 to accelerate efforts to increase graduation rates, college persistence, and college graduation rates.

#### **Explanation of Changes to the Budget**

The proposed 2016-17 Rochester City School District Budget increased to \$864.7M from the 2015-16 February Amended Budget of \$823.6M; this represents an increase of \$41.1M or 5.0%.

The overall budget increase was funded by increases of \$38.8M in New York State Aid, \$0.5M in Grant and Special Aid Fund, \$0.7M in Food Service Revenue, and the use of an additional \$4.0M from Fund Balance. These revenue increases were offset by reductions of \$2.8M in Other Local Revenue (Stop-Loss reimbursements for self-insurance and RJSCB QSCB subsidies). The net increase in revenue for all funds is projected to be \$41.1M, from \$823.7M to \$864.7M.

The District projects Salary and Other Compensation costs to increase to \$357.1M from \$339.8M, this represents an increase of \$17.3M or 5.1%. The total increase in teaching staff salaries is \$16.5M, which accounts for 81.2% of the overall salary increase. Increases in total teacher compensation were attributable to contractual salary increases, additional hourly pay for extended day and after-school programs, and additional Special Education teachers to provide adequate support for the Special Education student population. Cost control and management efficiencies have been put in place to curtail the spending on teacher substitute costs, civil service substitute costs, and civil service overtime. Contractual salary increases were incorporated in the budget based on the collective bargaining agreements with each of the five bargaining units.

Employee Benefits costs will increase in 2016-17 from \$161.5M to \$168.2M, an increase of \$6.7M or 4.2%. Health and Dental Insurance is projected to increase by \$3.1M due to rising usage and medical claims as a result of being self-insured. Retirement System costs are expected to increase by \$3.6M as a result of the increase in the total salary for members of the New York State Retirement System and the Teachers Retirement System. Social Security will also increase due to projected staffing salary increases.

Fixed Obligations with Variability will increase by \$11.4M to \$155.1M in 2016-17. Contract Transportation will increase by \$0.5M to \$63.0M as a result of projected student service needs. Charter School Tuition costs are projected to increase by \$11.1M to \$70.8M, reflecting the anticipated enrollment growth of about 800 additional students in the Charter Schools. The enrollment growth is due to the opening of one new charter school, as well as in the continuing expansion of seven of the existing schools to serve additional grade levels.

The Debt Service budget will increase by \$4.5M to \$57.1M to reflect changes in the District's debt schedule. This increase is driven largely by the impact of funding the Facilities Modernization project.

The District anticipates that Cash Capital Outlays expenditures will increase by \$3.2M to \$13.6M in 2016-17. The increase is the result of a change in the items classified as capital expenditure to be in compliance with the City of Rochester capital requirement for the District. An increase of \$0.5M is budgeted for the purchase of school buses in 2016-17 is offset by budget reductions in Equipment Other than Buses and non-instructional hardware. These items are not aidable and will be purchased from the \$10.0M Cash Capital Expense line.

Facilities and Related expenses will decrease by \$3.8M to \$35.9M. Utilities, Instructional Supplies, Facilities Service Contract, Rentals, Maintenance Repair Supplies, Postage and

Print/Advertising, and Office Supplies all decreased by a total of \$4.3M. Equipment Service Contracts, Auto Supplies, Supplies & Materials, and Custodial Supplies increased by \$0.5M in total.

Technology expenses are projected to decrease by \$0.6M to \$1.5M. The District will be purchasing less Computer Software due to decreased grant funding.

All Other Variable Expenses will increase by \$4.2M to \$75.7M. This is due largely to increases of \$4.1M in BOCES Services related to increased Special Education and Health Services, \$0.3M in Professional Technical Services, reduction of \$0.4M in Departmental Credits and \$0.3M in Indirect Grant Cost. These increases were offset by reductions of \$0.1M in Agency Temporary Services, \$0.5M in Inter-fund Expenses for Pre-K Special Education Services and \$0.3M in Miscellaneous Services.

The 2016-17 Budget includes a \$0.5M Contingency Fund designated for East EPO. This contingency budget is reserved to support emergency needs that may arise in the East EPO during the 2016-17 school year. The current budget does not include a contingency fund set aside for the rest of the District.

Departmental activities and selected subject categories are presented here; for department and bureau references, see Table of Contents.
