**CITY OF ROCHESTER, NY
AMENDED CITIZEN PARTICIPATION PLAN
RELATING TO THE ADMINISTRATION OF THE COMMUNITY PLANNING &
DEVELOPMENT PROGRAMS OF THE U.S. DEPARTMENT OF HOUSING AND URBAN
DEVELOPMENT (HUD)**

A. Introduction

Purpose

Pursuant to the public participation requirements of 24 CFR Section 91.105 and 24 CFR Part 5, the City of Rochester (referred to as the “City”) sets forth the following amended Citizen Participation Plan (the “Participation Plan”) as it relates to the administration of the Community Planning and Development (CPD) programs funded by the U.S. Department of Housing and Urban Development (HUD). This document presents the City’s plan for providing for and encouraging members of the public to participate in the Consolidated Planning Process, which includes the development, amendment, adoption, and implementation of:

- 1) The Citizen Participation Plan (Participation Plan)
- 2) The Consolidated Plan (Con Plan)
- 3) The Annual Action Plan (Action Plan)
- 4) The Consolidated Annual Performance and Evaluation Report (CAPER), and
- 5) The Section 108 Loan Guarantee Program

Lead Agency

The Department of Neighborhood and Business Development is the lead agency responsible for the administration of the Community Development Block Grant Program (CDBG), HOME Investment Partnerships, Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA) Programs.

Effective Date

Subsequent to approval of this amended Citizen Participation Plan by City Council and HUD, it shall be effective until it is amended again or otherwise replaced.

B. Encouragement of Public Participation

General

The City provides for and encourages members of the public to participate in the Consolidated Planning Process, which includes development, amendment, adoption and implementation of the Citizen Participation Plan, the Consolidated Plan, the Annual Action Plan, the Consolidated Annual Performance and Evaluation Report (CAPER), and the Section 108 Loan Guarantee Program.

The City encourages participation by low- and moderate-income persons, particularly those living in areas where HUD funds are proposed to be used, and by residents of predominantly low- and moderate-income neighborhoods (defined as areas where at least 51% of residents have incomes less than 80% of the area median income). The City also encourages participation by persons with disabilities, non-English speakers, and stakeholder organizations and agencies. A variety of mechanisms may be utilized to engage and receive input from individuals and organizations including public meetings, public hearings, mail surveys, internet-based feedback and surveys, telephone or in-person interviews, focus groups, consultation workshops, written letters or emails.

Low- and Moderate-Income Persons

To encourage low- and moderate-income persons to participate in the Consolidated Planning process, the City will conduct at least one public meeting in a publically accessible location on a high-frequency transit corridor near the Downtown Transit Center to make it easier for people with access to a car to attend and participate.

Persons with Disabilities

To encourage persons with disabilities to participate in the Consolidated Planning process, the City will conduct all public meetings in locations that are accessible and will make reasonable accommodations and services necessary for sensory-impaired and disabled citizens at public meetings, if requested.

Non-English Speakers

The City has determined that, based on 2011-2015 American Community Survey data, approximately 5 percent of city residents are native Spanish-speakers who speak English less than very well. To encourage these residents to participate in the Consolidated Planning process, the City will provide reasonable accommodations and services necessary for non-English Spanish speakers, if requested, such as:

- Make information handouts and surveys available in Spanish and/or provide bilingual assistance available to interpret information.
- Offer Spanish translation services at public meetings

Stakeholder Organizations and Agencies

The City encourages local and regional organizations and agencies – particularly those that assist low- and moderate-income persons or serve low-mod areas (defined as areas where at least 51% or more of the residents have incomes less than 0% of the area median income) – including, but not limited to, City staff, State and federal agencies, neighboring local governments, regional agencies like the Rochester Housing Authority (RHA) and the Continuum of Care (CoC), non-profit housing and legal services agencies, affordable housing developers, social service providers (including those focusing on services to children, the elderly, persons with disabilities, persons with HIV/AIDS, and persons with substance use), homeless services and prevention providers, community-based and neighborhood organizations, businesses, philanthropic organizations, faith-based organizations, and others to participate in the Consolidated Planning process.

Public Notices

The City will publish public notices to announce public meetings, public display and comment periods, and public hearings held as part of the Consolidated Planning process. Public notice will involve, at a minimum, issuing a press release on the City's website to be picked up by local media outlets, posting an announcement on the City's Consolidated Plan webpage (www.cityofrochester.gov/ConsolidatedPlan2020to2024), and sending an email announcement to a contact list maintained by the CDBG Coordinator in the Department of Neighborhood and Business Development. Public Meeting and Public Hearing notices shall be published no less than seven days before the public meeting or public hearing is held.

Public Meetings and Hearings

Public meetings and hearings related to the Consolidated Planning process will be scheduled at times and locations that are convenient for potential and actual program beneficiaries to the greatest extent possible, and with accommodation for persons with disabilities and non-English Spanish speakers in accordance with this Participation Plan.

Technical Assistance

City staff are available to assist organizations and other eligible applicants that are interested in submitting a proposal to obtain funding when CDBG/HOME/ESG/HOPWA funds are RFPed. All potential applicants are strongly encouraged to contact appropriate City of Rochester staff for technical assistance before initiating a funding request application.

Online Access

The City will post draft and final copies of all documents covered by the Consolidated Plan on its website at www.cityofrochester.gov/ConsolidatedPlan2020to2024

Other Engagement Techniques

The Consolidated Planning process may be amended as the City continues to gain access to technology that improves the avenues of participation for members of the public and other stakeholders.

Other Considerations That Inform Consolidated Planning

The City's Housing Policy, adopted in 2008, guides the use of CDBG and HOME resources available to address priority housing needs and goals.

The development of the City's Comprehensive Plan, *Rochester 2034*, adopted in November of 2019, included extensive community and stakeholder input and provides context and direction to inform the Consolidated Planning process.

The goals and priorities of the Mayor and Administration also guide development of the Consolidated Plan and its associated documents.

City Contact Person

All communication regarding comments, complaints, reasonable accommodation for disabled persons, translation services, or other elements related to the Participation Plan, Con Plan, Action Plan, CAPER, or Section 108 Loan Guarantee Program shall be directed to: Amy Ventura, CDBG Coordinator, (585) 428-6209, Amy.Ventura@CityofRochester.Gov.

C. In Case of Disaster or State of Emergency

In the Event of Disaster or State of Emergency

In the event of a local, state, or federally declared disaster, state of emergency, or public health crisis where public buildings or facilities may be closed to the public and in-person participation may not be feasible or public gatherings may be considered a public health risk, the City may opt to conduct public display and comment periods as well as public hearings and meetings for any of the documents covered by the Consolidated Plan online via the City's website and/or other webpages or virtual meeting spaces.

In this instance, the number of public hearings and length of public hearing notice, and length of public display and comment periods will be consistent with HUD requirements. All online public hearings will, at a minimum, include a space where public comments can be shared. Accommodations will be made for persons with disabilities and non-English speaking persons upon request.

D. The Citizen Participation Plan (Participation Plan)

Amending the Approved Citizen Participation Plan

The City shall use the following procedure to amend its approved Citizen Participation Plan, as needed.

a. Participation Plan Amendment Considerations

The City will amend the Participation Plan, as necessary, to ensure adequate engagement and involvement of the public in making decisions related to its Consolidated Planning process and HUD funding programs.
