

Young Adult Manufacturing and Training Employment Program (YAMTEP)

- Are you ready to invest in your career?
- Interested in learning job skills?
- Does a career in manufacturing interest you?

Get trained in a fast-growing career field through YAMTEP!

YAMTEP is a collaborative manufacturing education and training program designed for individuals age 19 or older. YAMTEP prepares city residents for careers in the manufacturing industry and strives to assist participants in becoming self-sustaining individuals in their communities. YAMTEP works with the City of Rochester, Monroe County, RochesterWorks! and PathStone Corp., providing resume help and securing job interviews within its network of more than 30 employers.

Learn more! Attend an upcoming information session hosted by the City of Rochester Office of Community Wealth Building:

Wednesday, Sept. 11, 2019 • 2-3:30 p.m.

Office of Community Wealth Building, 30 N. Fitzhugh St.
