Pending Business: None

New Business:

- The Board reviewed Complaint 19-1 involving the Mayor's referendum letter to City residents. Chair Steinbrenner provided a summary of the complaint and noted that the complaint did not identify specific ethics code provisions to be considered regarding this matter. The Board agreed the complaint was lacking in specific details as to what ethics code provisions were alleged to have been violated.

  Based on the vagueness of the complaint, the Board declined to accept the matter for further consideration. The Board requested a communication be sent on behalf of the Board advising the complainants of the decision. The Board agreed the matter could be reconsidered if the additional information were provided in the future.
