Did you know that the 114-year old City of Rochester Public Market at 280 North Union Street is a facility and program of the Department of Recreation and Youth Services? And did you know that this iconic Rochester institution is open year-round? And that it also offers almost 50 days each year with free-admission special events such as Community Garage Sales, Food Truck Rodeos, Flower City Days, Bands on the Bricks, Halloween at the Market and Holidays at the Market? The Market is commerce and community year round—make it part of your Rochester routine! For more information, go to www.cityofrochester.gov/publicmarket

The Public Market offers a huge volume and wide variety of produce and other foods and general merchandise from the most local to the most international. In many ways, it is an "old world" market experience complete with musicians and other street performers, community organization exhibits and tables, free nutrition and cooking demonstrations, samplings, and much more to enhance your Market experience.

# Variety and Value: Use SNAP Benefits at the Market

The Market Token Program is the nation's best farmers' market program for SNAP (Supplemental Nutrition or "food stamp") benefit recipients. It allows SNAP recipients to easily get a lot of fresh, healthy, affordable foods with their benefits! SNAP recipients simply visit the Market Token Center with their electronic benefits card and receive wooden tokens that function as cash with dozens of Market vendors. The Market Token Center is the white "boxcar" like structure right behind the Market Office (the two story brick house at the center of

the grounds); its hours are Tuesdays and Thursdays 8 a.m.-1 p.m., and Saturdays 6:30 a.m.-3 p.m. The Market Token Program is run by the Friends of the Rochester Public Market, the Market's non-profit partner organization. Wondering if you might qualify for SNAP? You can learn if you are eligible by calling Legal Assistance of Western New York, 585-295-5624.

For more information: www.cityofrochester.gov/markettokenprogram.

#### **Getting to the Market**

If you're driving, the best access point to the Market is from the Scio Street entrance, which opens into the largest Market surface parking lot. A handy pedestrian/trolley bridge over North Union Street is available from this lot, built on a retired railroad spur. The tractor-pulled, open-air Market Trolley also ferries customers from the Market to the distant parking areas and bus stop locations on Thursdays and Saturdays from

May through October. The Market offers a year-round Bike Incentive/Reward Program for those who use bicycles as transport to the Market; there are also two Pace bike share stations right at the Market!

Regional Transit Service (RTS) bus stops serve the Market, they are just a few hundred feet north of the Market entrance on North Union Street, and are served by RTS Route 39.

#### **Selling at the Market**

The Public Market makes it easy for businesses and entrepreneurs to sell foods, general merchandise and arts/crafts to a large, diverse and enthusiastic
