

Roc Against Gun Violence Coalition Meeting Minutes February 12, 2020.

The meeting commenced at 6:52 PM

Ray Mayoliz of Pathways to Peace reported that there was an increase in staff from 9 staffers to 17 and they will be adding three more to the team in the months to come. Willie Lightfoot reviewed the agenda packet from 2018 to 2019. We are proud to report that all action items and tasks have been completed.

Items on the agenda that were discussed were how we will handle shooting incidents differently and that will be effective as of January 20, 2020. There was an update on the coordinated response team we have a comprehensive community response plan and any updates that need to be made will be made accordingly to that document by emailing Andre Gulley. There was a 2034 plan that was encouraged for people to read and on page 236 there was a mention about the coalition and the work we are doing. We have a new county executive who is a Democrat Adam Bello and he is pushing and demanding for racial equality in Monroe County along with a new transitional plan.

There is a June deadline for the CORT packet. There's also an update on the mobile unit and the dimensions of the bus our truck have been included. There will be a viewing of the new mobile unit and a roll-out in 60 days.
