Program Overview:

This program will be utilized to assist businesses during difficult and challenging times related to economic downturns associated with local and nationwide crisis. Applicants are asked to complete the attached application for potential financial assistance.

Average grant awards of $3,000 (Three Thousand Dollars) in the form of a grant to for profit businesses located within the city of Rochester and operating in a commercial facility. Eligible funding can be towards working capital uses that will assist in continuing business operations and retaining employees, including: Rent, mortgage, payroll, insurance, utility expenses, inventory and other similarly related short-term debt and operating expenses necessary to continue operations.

Grant funding from this program cannot provide a duplication of funding for the same items if applicants apply to the SBA’s Paycheck Protection Program (SBA PPP). If an organization applies for assistance through the SBA’s PPP to assist with payroll expenses, the City's Business Emergency Grant cannot provide funding towards those same expenses.

The City of Rochester reserves the right to request additional information and all applications are subject to the appropriate City of Rochester review and approval processes.

All applicants can send completed applications to the following address: CityBDRelief@cityofrochester.gov

Each application received will receive a confirmation email stating the application was received. If a confirmation was not sent, please confirm the email was sent to the correct email address.

Thank you for your time and we greatly appreciate what you and your business does for our community.

By signing below, the applicant is confirming that the statements made in this application are accurate and correct and are in agreement to provide the required information to complete the necessary review and approval processes. Request for Taxpayer Identification Number and Certification

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see What Name and Number To Give the Requester for guidelines on whose number to enter.

Part II. Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Form W-9 (Rev. 11-2017)
City of Rochester
Disclosure

The Program for which you are applying may be part of one or more City of Rochester (hereinafter the “City”), federal, state, or other programs, including, but not limited to, the Community Development Block Grant (CDBG) Program, Emergency Solutions Grant (ESG) Program, HOME Investment Partnerships (HOME) Program, Housing Opportunities with Persons with AIDS (HOPWA) Program, Asset Control Area (ACA) Program, Rochester Economic Development Corporation (REDCO) or City Development Fund (CDF). Each of these programs has rules and regulations prohibiting conflicts of interest. Conflicts generally arise where the applicant or his or her family or business may have an economic or employment interest in the program or the entity providing the program.

Program regulations generally limit the participation of employees, agents, consultants, officers, or elected or appointed officials of the City or any designated public agencies, or sub-recipients receiving Program funds, and those with whom they have business or immediate family ties, during their tenure or for one year thereafter. For federally assisted housing and community development programs, this applies unless an exception is granted by the U.S. Department of Housing and Urban Development (HUD). In order for HUD to grant an exception to such persons there must be a public disclosure of the application and the City’s Corporation Counsel must determine that the participation does not violate state or local law.

The objective of this form is to identify applicants that may have a conflict under the rules and regulations. The City will then determine whether an exception should be granted or requested. The City’s Department of Neighborhood and Business Development, Office of the Commissioner, is responsible for conflict of interest determinations and the coordination of the exception process for federally assisted housing and community development programs.
