

PUBLIC INFORMATIONAL MEETING NOTICE

Re: Mt. Hope Avenue Phase 2 Improvement Project

Project Limits: Rossiter Road – South City Line

DATE: Monday, March 18, 2019

TIME: 5:30 PM to 7:30 PM

LOCATION: St. Anne Church Social Hall

ADDRESS: 1600 Mt. Hope Avenue

Purpose: Project Informational Open House

Mt Hope Avenue Improvements – Phase 2 will reconstruct Mt Hope Avenue, including minor widening along both sides of the roadway. Side streets will be slightly realigned at their intersections with Mt Hope Ave, including moderate widening along the south side of Westfall Rd and Westmoreland Dr. Improvements will also include new sidewalk, curb ramps, driveway aprons, drainage, water main, lighting, signals, signing, pavement markings and other various streetscape improvements. We anticipate the need to relocate utility poles to accommodate the roadway widening.

Agenda: This meeting will be conducted as an open house which will give you the ability to interact with project personnel on a one to one basis. A short presentation will be given at 6:00 PM.

Please attend this important meeting. We look forward to meeting you and welcome your comments. If you require special arrangements for the meeting (interpreters, facility accessibility, etc.) or further information on this meeting, contact: Rich Koss at 428-6862.

**Holly E. Barrett, P.E.
Interim City Engineer**
