(If applicable)

**\*\*\*\*PLEASE READ IMPORTANT INFORMATION BELOW\*\*\*\***

- An Instrument Survey Map showing the location of the proposed fence must be provided.
- Fences must be located completely within the subject property without going over the property line.
- Maximum height allowed in the front yard\* is 4 feet.
- Maximum height allowed in the side and rear yard is 6 feet.
- Chain link fence is not allowed in the front yard\*.
- Fences not more than 60% solid may be located in a front yard\*.
- The finished or "best" side of the fence must face towards neighboring property.
- Gates cannot swing over the right of way or across lot lines.

\*The "front yard" is defined as the area between the front wall of the house (excluding open front porches) and the front property line. For corner lots both street frontages are considered front yards.

Please contact the Zoning Office at 428-7043 if you have any questions.
