

# Bringing energy efficiency and renewable energy to commercial properties for a sustainable future!

**IMPROVE VALUES. REDUCE COSTS. PROTECT THE ENVIRONMENT.**

100% private financing available to pay for energy-efficiency and renewable-energy improvements for qualified commercial properties. Long-term payment schedules – 20 to 30 years – can match the life of the improvement.

## INVESTMENT OPTIONS INCLUDE:

- Solar, wind and geothermal systems
- HVAC improvements, boiler conversions
- New windows and insulation, and much more!

EIC NY  
PACE

The City of Rochester Commercial Property Assessed Clean Energy (C-PACE) financing program is administered in partnership with the NY Energy Improvement Corp. (EIC)
