Welcome and Introductions

Election of Chair & Vice Chair

Adoption of Rules & Procedures Update

Referrals

Project Name: Zoning Alignment Project - <https://rochesterzap.com/>
Zoning District: All
Applicant: City of Rochester

Project Description: The action consists of the adoption of a new Zoning Code and Map in alignment with *Rochester 2034*, adopted in November of 2019. The Zoning Code and Map have not been comprehensively updated since 2003. *Rochester 2034's* Placemaking Plan provides the guidance for revising the map and the code. Additionally, the update process will modernize the new code, make it more user friendly, and reduce inconsistencies and redundancies with other codes.

The update process builds off the community engagement that was done for the Comprehensive Plan by offering more opportunities for community input directly related to land use and zoning. The City Planning Commission is assisting with guiding the process.

SEQR: Type 1- 6 CRR-NY 617.4(b)(1) “The adoption of a municipality's land use plan, the adoption by any agency of a comprehensive resource management plan or the initial adoption of a municipality's comprehensive zoning regulations.”

Lead Agency: Malik D. Evans – Mayor
Involved Agencies: Mayor, City of Rochester; Rochester City Council; City Rochester Planning & Zoning Offices

Referral Agency: City of Rochester Zoning Office

Date of Referral: February 3, 2022
