City of Rochester Disclosure

The Program for which you are applying may be part of one or more City of Rochester (hereinafter the “City”), federal, state, or other programs, including, but not limited to, the Community Development Block Grant (CDBG) Program, Emergency Solutions Grant (ESG) Program, HOME Investment Partnerships (HOME) Program, Housing Opportunities with Persons with AIDS (HOPWA) Program, Asset Control Area (ACA) Program, or City Development Fund (CDF). Each of these programs has rules and regulations prohibiting conflicts of interest. Conflicts generally arise where the applicant or his or her family or business may have an economic or employment interest in the program or the entity providing the program.

Program regulations generally limit the participation of employees, agents, consultants, officers, or elected or appointed officials of the City or any designated public agencies, or sub-recipients receiving Program funds, and those with whom they have business or immediate family ties, during their tenure or for one year thereafter. For federally assisted housing and community development programs, this applies unless an exception is granted by the U.S. Department of Housing and Urban Development (HUD). In order for HUD to grant an exception to such persons there must be a public disclosure of the application and the City’s Corporation Counsel must determine that the participation does not violate state or local law.

The objective of this form is to identify applicants that may have a conflict under the rules and regulations. The City will then determine whether an exception should be granted or requested. The City’s Department of Neighborhood and Business Development, Office of the Commissioner, is responsible for conflict of interest determinations and the coordination of the exception process for federally assisted housing and community development programs.

Notary Public/Commissioner of Deeds
Overview of Changes

The federal government is changing the unique identifier used for entities from the D-U-N-S® Number to the Unique Entity ID (SAM), generated by SAM.gov. Today, the two numbers appear side-by-side in the following systems:

- SAM.gov
- FPDS
- eSRS
- FAFS
- CPARS
- FAPIIS

On April 4, 2022, the D-U-N-S® Number will be removed from all of these systems and the Unique Entity ID (SAM) will be the authoritative identifier.

What Is a Unique Entity Identifier?

A unique entity identifier (UEI) is a number or other identifier used to uniquely identify a specific entity. The UEI is used within SAM.gov and other government award and financial systems as a primary key to identify a unique entity. The transition to the Unique Entity ID (SAM) is a federal government-wide initiative.

What Do I Need to Do?

Federal Contractors and Assistance Recipients Registered in SAM.gov: You do not need to take any action. Your Unique Entity ID (SAM) has been assigned and is visible in your registration at SAM.gov.

Subcontractors and Subrecipients Who Use the D-U-N-S® Number for Reporting: You need to get a Unique Entity ID (SAM) at SAM.gov by April 4, 2022. You can do this any time after October 18, 2021.

Searching by Unique Entity ID (SAM): You can search by the new identifier now on SAM.gov.

Applying For A Cage Number

(1) First you need to apply for a Unique Entity Identity number (UEI) (formerly called a Dun & Bradstreet or DUNS number) - if you do not already have one.

**Unique Entity Identity number (UEI)**

Before you can bid on government proposals, you need to obtain a Unique Entity Identity number (UEI) (formerly called a DUNS number or Dun & Bradstreet), which is a unique 12-character alphanumeric identification number for each physical location of your business. Unique Entity Identity number (UEI) assignment is free for all businesses required to register with the federal government for contracts or grants.

What do I need to get my Unique Entity Identity number (UEI)?

When registering for your Unique Entity Identity number (UEI), you will need the following on hand:

- Legal name
- Headquarters name and address for your business
- Doing Business As (DBA) or other name by which your business is commonly recognized
- Physical address, city, state and ZIP Code
- Mailing address (if separate from headquarters and/or physical address)
- Telephone number
- Contact name and title

How do I get my Unique Entity Identity number (UEI)?

Visit SAM.gov: [SAM.gov | Search](https://www.sam.gov) to obtain more detailed instructions on applying for your Unique Entity Identity number (UEI).

Additional info can be found on the FSD.gov site: [GSAFSD Service Portal Landing - GSA Federal Service Desk Service Portal](https://www.fsd.gov) for questions on obtaining a Unique Entity Identity number (UEI).

For SAM registration questions, contact **SAM Help Desk**: [www.fsd.gov](https://www.fsd.gov) or call 1-866-606-8220, 8 am – 8 pm, M-F, EST.

(2) Then you register with SAM.gov to obtain a CAGE #:

Steps for System for Award Management (SAM) Registrations:

c. Enter the CAGE code if you have one. If not, one will be assigned to you after your registration is completed. Foreign registrants must enter an NCAGE code.

You need your entity’s TIN and taxpayer name (as it appears on your last tax return). Foreign entities that do not pay employees within the U.S. do not need to provide a TIN. (A TIN is an Employer Identification Number (EIN) assigned by the IRS)

Sole proprietors may use their Social Security Number (SSN) assigned by the Social Security Administration (SSA) if they do not have a TIN, but please be advised that it will not be treated as “privacy act” data in SAM.
