To All Interested Agencies, Groups and Persons: Federal Regulations require the City of Rochester to make the Draft Consolidated Annual Performance and Evaluation Report (CAPER) available for public comment.

The 2022-23 program year is the third year submission of the Consolidated Annual Performance and Evaluation Report (CAPER) by the City of Rochester for the five-year planning period from 2020-21 through 2024-25. This report provides an assessment of expenditures and accomplishments achieved through federal grant funds received from the U.S Department of Housing and Urban Development (HUD) during the period of July 1, 2022 through June 30, 2023. It measures the City's progress in carrying out its Consolidated Plan 2020-24 and its one-year 2022-23 Annual Action Plan.

HUD regulations require the submission of the CAPER no later than 90 days after the closing of an entitlement grantee's program year. Before submission to HUD, the draft CAPER must be made available for public review and comment for no fewer than 15 days. The public review and comment period for the 2022-23 CAPER will be from August 30 through September 14, 2023. The CAPER will be submitted to HUD on September 15, 2023.

The CAPER details how the City expended the following funding allocations and the accomplishments achieved through the use of these funds:
