

January 4, 2024 RFP Info Meeting: City of Rochester RFP: Rochester Public Market New Storefront  
Building Construction and Land Lease

Questions and Answers

Q: Would the city consider an outright purchase of the parcel as opposed to the proposed land lease if there is no interest in the land lease contract?

A: At this time, there is no interest in selling this parcel. If the city were to pursue a sale of the parcel, that would be a separate project and separate RFP.
