REQUEST FOR PROPOSALS

The City of Rochester ("City") is seeking proposals for arts programming and projects ("Proposal(s)") from qualified respondents ("Respondent(s)"). Selected Respondents will enter into an agreement with the City as Consultants ("Consultant(s)") to implement the proposed arts programming and/or projects.

BACKGROUND

ArtsBloom is the City's non-capital art competition funded through the Percent for the Arts program, one of several programs through which the City invests in arts and culture in Rochester. More information on the City's various arts and culture initiatives, including those dedicated to capital art (permanent physical installations) can be found at www.cityofrochester.gov/arts.

ArtsBloom's goals are to enrich and expand the experience of public art for all Rochesterians by reaching historically underserved residents of the city, and increasing economic opportunities for local artists and small arts organizations in Rochester. These goals are aligned with the City's vision for a more dynamic and equitable city of the arts and for the arts. They are also aligned with several goals and strategies of the Arts & Culture section of the Rochester 2034 Comprehensive Plan.

In the 2024 round of ArtsBloom, a total of \$170,000 will fund diverse arts programming and projects that benefit the Rochester community. The concept for ArtsBloom was developed in partnership with an advisory panel of local artists and members of the arts community called the Arts and Creative Community Committee (AC³).

Note that this year, an emphasis of ArtsBloom will be placed on Rochester youth and bonus points will be awarded to proposals for programming that serves youth or projects with youth opportunities incorporated.

ELIGIBILITY

Qualifying Respondents may:

- 1. Be individuals or groups/organizations. Groups/organizations do not have to be MWBE-certified or nonprofits to qualify.
- 2. Submit only one proposal.
- 3. Submit a funding request for one of three options: \$5,000, \$10,000 or \$20,000. Requests may only be for one of these three amounts.

Qualifying Respondents may only receive one ArtsBloom award every three years. Therefore, individuals or groups awarded an ArtsBloom award in 2023 (the inaugural round) are not eligible for an ArtsBloom 2024 award.

Qualifying arts programming and projects must:

1. Belong to one or more of these four categories:

0	Arts education	A class or workshop, or series of classes or workshops, where		
		attendees are guided by an instructor or multiple instructors in		
		the creation of art. "Art" can include literary arts, performing		

arts and visual arts.

Literary arts
 Poetry or prose, distributed through printed material and/or

digital format.

Performing arts Activity performed for an audience, including but not limited to

dance, music, drama or oratory.

o <u>Visual art</u> Physical art of a temporary* nature, including but not limited to

art exhibitions, digital art, street painting, or chalk art.

2. Meet the following "public benefit" criteria:

- a. Programming and projects must be located within the city of Rochester in order to be eligible. Please note that location within the city is defined by the boundary of the city, not a Rochester ZIP code. Respondents can determine whether an address is within the City boundary by entering the address in the search box of this webpage: https://maps.cityofrochester.gov/propinfo/.
- b. Programming and projects must be free to participants/audiences, or feature a free or low cost component to participants/audiences. For awarded proposals, the City will require marketing proof (such as a flyer, webpage, or social media post) that the project or programming was free or at the cost quoted in the proposal. Please be aware, the City will not consider a project or programming "sliding scale" or "optional donation" unless the project or programming is clearly marketed as such. If your project or programming will have a cost for participants/audiences, you must include what expenses will be covered by the cost in your budget and the City reserves the right to determine whether the project meets this criteria.
- 3. **Be completed between July 1, 2024 and June 30, 2025.** Visual art must be installed within that year, but the City will work with artists and organizations to determine if and when visual art needs to be removed.

4. Align with one or both of the ArtsBloom goals:

a. Reach historically underserved residents of the city.

^{*}Temporary here means art intended for viewing for a limited time. Murals and physical sculpture that requires a concrete footing or other permanent attachment structure *are not considered temporary*.

b. Provide paid opportunities for local artists and/or small arts organizations in Rochester

The following are examples of programming or projects that are <u>ineligible</u> for ArtsBloom funding, as they are not non-capital art, are not the intended type of activities for this program, and/or they have funding opportunities through other City programs (this is not a complete list):

- Events receiving Special Events funding through the City
- Murals
- Physical art or sculpture that requires a concrete footing or other permanent attachment structure
- Parades
- Block parties
- Trade shows, conventions
- Annual luncheons, holiday parties, class or family reunions
- Sports tournaments, school or athletic leagues

The City anticipates that a wide variety of activities may be submitted. Therefore, the City reserves the right to determine which activities are eligible for this funding program.

- G. BONUS POINTS. M/WBE and Workforce Goals *for \$20,000 funding requests only*: The City of Rochester desires to encourage minority and women owned businesses (M/WBE) to participate in opportunities to enter into PSAs with the City and to encourage minorities and women in the workforce.  payment certification and/or workforce utilization reports on the City's forms. These
 reports shall be submitted with each invoice or as otherwise requested by the M/WBE
 Officer.

- 6. A failure to submit the required subcontractor/supplier payment certification and/or workforce utilization reports shall constitute a default in the performance of the Agreement subject to potential termination for default by the City. In addition, if the selected Respondent fails to meet the most recent M/WBE Utilization Plan and/or Workforce Staffing Plan, for which additional weight was awarded by the end of the PSA, such failure may result in disqualification from award of future contracts with the City.
- 7. Summary of additional evaluation weighting points for M/WBE and Workforce Goals:

This section shall not apply to any of Consultant's employees who are compensated in accordance with the terms of a collective bargaining agreement.

SECTION 12. COMPLIANCE WITH MACBRIDE PRINCIPLES

The Consultant agrees that it will observe Ordinance No. 88-19 of the City of Rochester, which condemns religious discrimination in Northern Ireland and requires persons contracting to provide goods and services to the City to comply with the MacBride Principles. A copy of the MacBride Principles is on file in the Office of the Director of Finance.

SECTION 13. COMPLIANCE WITH ALL LAWS

The Consultant agrees that during the performance of the work required pursuant to this Agreement, the Consultant, and all employees working under the Consultant's direction shall strictly comply with all local, state, or federal laws, ordinances, rules or regulations controlling or limiting in any way the performance of the work required by this Agreement. Furthermore, each and every provision of law and clause required by law to be inserted in this agreement shall be deemed to be inserted herein. If, through mistake or otherwise, any such provision is not inserted, or is not properly inserted, then upon the application of either party this Agreement shall be forthwith physically amended to make such insertion or correction.

SECTION 14. <u>AUDIT</u>

The Consultant agrees that the City shall, until the expiration of three (3) years after final payment, have access to and the right to examine, at no cost to the City, any directly pertinent books, documents, papers and records of the Consultant and of any of the subcontractors engaged in the performance of and involving transactions related to this Agreement or any subcontracts.

SECTION 15. PROHIBITION AGAINST ASSIGNMENT

The Consultant is prohibited from assigning, transferring, conveying, subletting or otherwise disposing of this Agreement or any of its contents, or of any right, title or interest therein, or of the power to execute this Agreement, to any other person or corporation without the previous written consent of the City.

SECTION 16. OBLIGATIONS LIMITED TO FUNDS AVAILABLE

The parties specifically agree that the Consultant's duty to perform work under this Agreement and the City's obligation to pay for that work, including any out-of-pocket and subcontracting expenses of the Consultant, shall be limited to the amount of money actually appropriated by the City Council and encumbered (i.e., certified as being available) for this Project by the City Director of Finance (or their authorized deputy). This provision shall limit the parties' obligation to perform even though this Agreement may provide for the payment of a fee greater than the appropriated and encumbered amount.

SECTION 17. EXTENT OF AGREEMENT

This Agreement constitutes the entire and integrated Agreement between and among the parties hereto and supersedes any and all prior negotiations, agreements and conditions, whether written or oral. Any modification or amendment to this Agreement shall be void unless it is in writing and subscribed by the party to be charged or by the party's Authorized Agent.

SECTION 18. STATUS AS INDEPENDENT CONTRACTOR

The Consultant, as an independent contractor, covenants and agrees to conduct the work under this Agreement consistent with such status. The Consultant shall neither pretend nor claim to be an officer or employee of the City by reason hereof, nor make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the City, including but not limited to Workers' Compensation coverage, unemployment insurance benefits, social security coverage or retirement membership or credit.

SECTION 19. LAW

This Agreement shall be governed by and under the laws of the State of New York. In the event that a dispute arises between the parties, venue for the resolution of such dispute shall be the County of Monroe, New York.

SECTION 20. NO-WAIVER

In the event that the terms and conditions of this Agreement are not strictly enforced by the City, such non-enforcement shall not act as or be deemed to act as a waiver or modification of this Agreement, nor shall such non-enforcement prevent the City from enforcing each and every term of this Agreement thereafter.

SECTION 21. SEVERABILITY

If any provision of this Agreement is held invalid by a court of law, the remainder of this Agreement shall not be affected thereby if such remainder would then continue to conform to the laws of the State of New York.

IN WITNESS WHEREOF, the parties have duly executed this Agreement on the date first written above.
