1 Apply for a Permit:

- Provide the name, address and phone number of the property owner, the permit applicant and, if applicable, the contractor and/or plan preparer.
- Provide a project description including size and location of garage or carport.
- If the contractor is a homeowner or individual contractor without Workers' Compensation Insurance, a Workers' Compensation waiver must be submitted.
- If the contractor has employees, a Certificate of Workers' Compensation Insurance, naming the City of Rochester as the certificate holder, is required.

You can obtain these forms at the Permit Office and at www.cityofrochester.gov, type "building permits" in the search box.

2 Follow Through with Permit Requirements:

- Inspection of footings and/or foundation depth, is completed before pouring concrete.
- Inspection of rough framing is completed before enclosing the walls and roof.
- Ensure that final inspection is performed after final completion.
- Ensure that all work is performed as per the plans submitted with the permit application; and that no damage or encroachment occurs to adjacent property during construction.

3 Supply Additional Submissions:

- You must also include two (2) copies each of:
- An Instrument Survey Map of the property.

- Construction details, drawn to scale, including floor, wall and roof plans. If structure is designed to store more than two (2) cars, drawings signed and sealed by a design professional licensed in the State of New York will be required.

4 Pay the Required Fees:

The fee for your permit is based on the contractor's written cost estimate including labor and materials. The following table indicates the typical garage permit fees according to the cost estimate:

Cost Estimate	Permit Fee
\$0 – 2,000	\$50.00
\$2,001 – 4,000	\$70.00
