- Measurement of the width of the storefront
- Drawing of sign that is drawn to scale
- Worker's Compensation Certificate or waiver
- Fee (permit fees vary in cost)

Tips

- Bringing pictures of the storefront are helpful.

- Solid roll down shutters/security grates are not permitted. Please call the zoning office for further information.

Who Needs a Business Permit?

The City of Rochester's Business Permit program is designed to ensure that City businesses are operated safely and legally.

The following types of businesses require a permit:

- Restaurants
- Bars
- Automobile Service Facilities
- Salons (hairstylist, barber shop, appearance enhancement, tattoo parlor, body piercing)

The following businesses do not have to obtain a business permit: entertainment, amusement, second hand dealer, or pawn brokers, however they are required to obtain other City licenses.

Contact your Neighborhood Service Center with questions or concerns for requirements, or visit the City website at

www.cityofrochester.gov/businesspermit

The applicant will have the opportunity to respond.

Business Permits will be valid for one year, as long as there is no change in the type, location, owner, operator or partner in the business or if there is no other cause for the permit to be suspended or revoked.
