Local Law No. 6

Local Law establishing a Community Choice Aggregation program in the City of Rochester

BE IT ENACTED, by the Council of the City of Rochester as follows:

Section 1. Chapter 755 of the Laws of 1907, entitled "An Act Constituting the Charter of the City of Rochester", as amended, is hereby further amended by adding to the end of Article VII, Department of Environmental Services, a new Part to read as follows:

PART E Community Choice Aggregation Energy Program

§ 7-50. Legislative Findings; Intent and Purpose; Authority.

- A. It is the policy of both the City of Rochester and the State of New York to reduce costs and provide cost certainty for the purpose of economic development, to promote energy efficiency and renewable energy resources such as wind and solar, and wider deployment of distributed energy resources as well as to examine the retail energy markets and increase participation of and benefits for Eligible Consumers in those markets. One of the way to advance those policies in New York is Community Choice Aggregation ("CCA"), which allows local governments to determine the default supplier of electricity on behalf of Eligible Consumers.
- B. The purpose of CCA is to allow participating local governments to procure energy supply service for Eligible Consumers, who will have the opportunity to opt out of the procurement, while maintaining transmission and distribution service from the existing Distribution Utility. This part establishes a program (the "CCA Program") that will allow the City and other local governments to work together through a shared purchasing model to put out for bid the total amount of electricity being purchased by Eligible Consumers within the jurisdictional boundaries of participating municipalities. Eligible consumers will have the opportunity to have

more control to lower their overall energy costs, to spur clean energy innovation and investment, to improve customer choice and value, and to protect the environment; thereby, fulfilling the purposes of this and fulfilling an important public purpose.

- C. The City is authorized to implement this CCA Program pursuant to Section 10(1)(ii)(a)(12) of the New York Municipal Home Rule Law; and State of New York Public Service Commission Case No. 14-M-0224, Proceeding on Motion of the Commission to Enable Community Choice Aggregation Programs (issued April 21, 2016) as may be amended, including subsequent orders of the Public Service Commission (PSC) issued in connection with or related to Case No. 14-M-0224, to the extent that orders related to Case No. 14-M-0224 enable actions by the City.
- D. This part shall be known and may be cited as the Community Choice Aggregation Energy Program Law of the City of Rochester.

§ 7-51. Definitions.

- D. If a CCA supply contract will expire less than one year following the filing of the annual report, the report must identify current plans for soliciting a new contract, negotiating an extension, or ending the CCA Program.

§ 7-59. Severability.

The invalidity or unenforceability of any section, subsection, paragraph, sentence, clause, provision, or phrase of the aforementioned sections in this part, as declared by the valid judgment of any court of competent jurisdiction to be unconstitutional, shall not affect the validity or enforceability of any other section, subsection, paragraph, sentence, clause, provision, or phrase, which shall remain in full force and effect.
